All Things New John

Eldredge,2017-09-26 New York Times bestselling author John Eldredge offers readers a breathtaking look into God s promise for a new heaven and a new earth This revolutionary book about our future is based on the simple idea that according to the Bible heaven is not our eternal home the New Earth is As Jesus says in the gospel of Matthew the next chapter of our story begins with the renewal of all things by which he means the earth we love in all its beauty our own selves and the things that make for a rich life music art food laughter and all that we hold dear Everything shall be renewed when the world is made new More than anything else how you envision your future shapes your current experience If you knew that God was going to restore your life and everything you love any day if you believed a great and glorious goodness was coming to you not in a vague heaven but right here on this earth you would have a hope to see you through anything an anchor for your soul an unbreakable spiritual lifeline reaching past all appearances right to the very presence of God Hebrews 6 19 Most Christians

most people for that matter fail to look forward to their future because their view of heaven is vague religious and frankly boring Hope begins when we understand that for the believer nothing is lost Heaven is not a life in the clouds it is not endless harp strumming or worship singing Rather the life we long for the paradise Adam and Eve knew is precisely the life that is coming to us And that life is coming soon

the resurgence of infectious diseases such as tuberculosis and malaria now drug resistant the absence of significant breakthroughs in the treatment of cancer and cardiovascular diseases and the continuing dramatic gap in health care between industrialized and developing countries to mention but a few examples
