McKenna,2023-02-13 Cephas Paulson was born to solve puzzle that nobody else can solve a talent the U S government has exploited with deadly results Living in 2202 A D his is a world dominated by apathy and hedonism where religion is banned and the few remaining Christians hide in the shadows Known worldwide as The Cult Hunter Cephas is largely responsible for putting them there Now living a quiet life as a religious history professor Cephas is reluctantly called out of retirement when the government sends him on a high stakes mission designed to crush Christianity once and for all As the puzzles begin to unravel Cephas struggles to find the one answer that has always eluded him the solution to his own desire to explore faith rather than destroy it To do so he finds himself walking a dangerous line between two worlds and two beautiful women One represents the temptations of the outwardly utopian world of man while the other the Godly world that he s secretly trying to understand Unfortunately neither these worlds nor these women are truly what they appear to be leaving Cephas to wonder if the Cult Hunter has become the hunted *Escape from Blood Castle* Jenny Tyler,1984 SUMMARY A mystery story in
