**What Does the Lord Require?** James L. Killen,2004 Contemporary life is filled with a host of contentious moral and social issues There are many thorny topics both personal and political which bring out a cacophony of opinions that can overwhelm us While we are inundated with questions there often seem to be no clear answers So how should we respond As Christians we must constantly ask ourselves What does the Lord require of me In this outstanding collection of meditations James Killen examines many of today s hot button issues with an eye toward helping readers think through their beliefs and responsibilities Mindful of our call to live in faithfulness to God s purpose each essay draws on the Bible and the Christian faith to discern how God would have us respond to the emerging situations of our world s history What Does The Lord Require is topical inspiring reading and with thoughtful discussion questions at the end of each meditation it s an excellent resource for adult classes or study groups as well as for a sermon series that is sure to connect with congregations Among the issues addressed are religious pluralism economic justice materialism environmental stewardship gender roles suicide abortion personal integrity homosexuality AIDS race relations war The timid pulpit is too often the platform of pastors who choose not to unsettle their parishioners As a result words that address the critical social and moral issues of our day go unspoken The messages of this book inspire the reader to new heights of courage as these difficult issues are presented with clear forthright challenges You will be informed and motivated as the cost of discipleship awakens your Christian journey in the 21st century Joe A Wilson United Methodist bishop James Killen does a remarkable job of reminding us that being a Christian is more than individual religiosity Rather it encompasses every facet of our existence personal and corporate These meditations explore issues that Christians cannot afford to ignore A must read
