**Live Through This** Debra Gwartney, 2010-02-17 An achingly beautiful memoir about a mother's mission to rescue her two teenage daughters from the streets and bring them back home Kirkus Reviews starred review After a miserably failed marriage Debra Gwartney moves with her four young daughters to Eugene Oregon for a new job and what she hopes will be a new life for herself and her family But the two oldest fourteen year old Amanda and thirteen year old Stephanie blame their mother for what happened and one day the two run off together to the streets of their own city then San Francisco then nowhere to be found The harrowing subculture of the American runaway with its random violence its dangerous street drugs and its patchwork of hidden shelters is captured with brilliant intensity in Live Through This as this panicked mother sets out to find her girls examining her own mistakes and hoping against hope to bring them home and become a family again united by forgiveness and love For all the raw power of this true story and the fearless honesty of the voice telling it what sticks out for me is the literary craft that shapes every sentence Debra Gwartney has seen clear to the bottom of her experience purged it of self-righteousness and emerged with a stunningly humane and humbled awareness of life's troubles Phillip Lopate

*The Afro-Blues Tradition* Kwame Copeland, 2006-08 The Blues was born from praise songs poetry metaphorical tales and folk traditions of the Africans as they became Americana s The Afro Blues sprouted up wherever the African landed in this hemisphere The tradition mixed with existing cultures but retained its uniqueness Part of its

uniqueness was its use of percussive tones and its use of mythological references in its idiom and artistic rituals As a historical tradition it was so receptive and creative that its classical roots evolved into the 21st Century At this time of moral and spiritual crises I fall back on my inheritance where meditative prose and poetry are used to reflect the moment from emotive reasoning John Coltrane and Mongo Santamaria both claimed the song Afro Blue Yet This song reflects where the tradition had traveled since Coltrane was an African American and Santamaria was an African Cuban This great stream of maternal traditions has given much to the world and in these times of great transition its glorious well should be dipped in more often If just to argument this present debate What is Human      **Selections from the Poetical Works of A.C.**
