writing poetry when I was seventeen years old I found out that when you put your thoughts into words sometimes magic happens I m not talking about genies popping out of a bottle or anything like that but in how I see things clearer and how beautiful this world truly is I found out later in life how much easier it was to find a date in high school I used to try and talk to girls and found out sometimes I d get a little gun shy and pass up my chance Then one day I wrote a poem for this girl I had my eye on I walked up to her and handed her the poem and then walked away Later she approached me and we went out on a date I found the magic potion to breaking the ice so to speak was a piece of paper and a writing pen I learned how to put my thoughts down on a piece of paper which later I put into a blank book that I would write my poems in After I was told by at least fifty or so people that I should share these poems to others I sat down and sorted out the poems I thought could touch your heart the best I hope my poems are inspirational enough to help you create your own book

Roma Amor Sherry Christie, 2021-04 ROME 37 AD In this story of secrecy and betrayal which reviewers have called a complete page turner beautifully written and a great read Caligula Caesar has just become Rome s new master Senator Titus Carinna who helped him succeed to the throne knows the inexperienced young ruler needs a companion he can trust It s a pity the Senator s older son Caligula s closest friend committed suicide after being charged with treason But that still leaves Marcus his second son Headstrong and hot tempered Marcus would rather prove his courage by leading legions against Rome s enemies Yet when his father calls him home from the frontier he has no choice but to befriend Caligula the man he blames for not saving his brother s life Caught in a web of deceit and treachery reaching from Palatine mansions to the city s grimy teeming streets he will uncover a dark secret that threatens his family the fierce and fearless barbarian girl he desires even his life and may bring chaos to the young Roman Empire
