**Isaac's House** Jane Bennett Gaddy, 2011-11-23 As a transplanted northern boy I never understood the motives for such commitment to sacrifice from the men and women of the South I have now been granted a look into the depth of family faith and community that drove this war for independence Isaacs House is more than just a good novel It is a heartfelt love story within a love story of the Old South Jane Bennett Gaddy is a true daughter of Mississippi and she speaks from depths of devotion to her heritage with compassion in every line She conveys the youthful call to war and post war burden of the warriors as well as the emotions of those on the home front and her readers will experience carpetbaggers scalawags copperheads Radical Republicans and a nation even more divided after the war *As It Was in the Beginning* Gertrude Trevelyan, 2024-05-31 One of the most audacious of all modernist novels Millicent Lady Cheseborough fifty widowed rejected by her much younger lover lies dying in a nursing home the victim of a stroke As she nears death her thoughts go back through her life in a desperate attempt to find its meaning Millicent is a woman who has never been fully sure of herself We see her as a child asking her nanny why she has to live within her body We see her as a young woman wondering how any eligible bachelor will take an interest in her We see her as the wife of an older assured man upon whom she becomes dependent We suffer with her as a gigolo seduces her wastes her money and abandons her And we feel ourselves with her as she struggles to be understood through her stroke and disorientation As was her trademark Gertrude Trevelyan takes us deeper into the mind of her subject than almost any novelist ever attempted creating an intense and absorbing reading experience With great stylistic daring Gertrude Trevelyan recreates the stream of consciousness in its most realistic and moving form *As It Was in the Beginning* is perhaps Trevelyan's most important work a novel that belongs with *To the Lighthouse* or *As I Lay Dying* **Various Practical Subjects** Edward Dorr Griffin, 1844 **The Melange** Egerton Smith, 1831 **Heart Power** Ed Conrad, 2014-10-15 Rather than attempting to engage the reader in more mental exercises the wisdom and inspiration in this daily companion book is designed to uncover something far more powerful Through personal stories infused with honest bold and sometimes humorous reflections the author invites us to awaken and energize our greatest inner resource the power of the inner heart Not only does he draw upon his personal experience practice research and vulnerabilities in crafting these daily pieces of wisdom he also draws from the well of renowned spiritual teachers and ageless wisdom traditions Day by day each writing stands on its own as a love offering created to inspire as well as support the dismantling of our personal fears When included as part of daily spiritual practice *Heart Power* is likely to awaken the sleeping giants of tangible courage spiritual healing creative energy and ongoing loving compassionate connection with ourselves and our companions Simple but potent heart centered daily practices are provided to help with this personal and spiritual restoration In this one of a kind daybook the power and wisdom of the inner heart comes of age
