Tarot for Lovers E. W. Neville,1987 In this enlightening easy to use book author E W Neville helps you understand your love relationships through the timeless and beautiful medium of Tarot He interprets the Major and Minor Arcana with wit and humor comparing the cards to familiar people so that they are alive and memorable Neville also examines the suits the Court cards numbers and the positions of the cards in the spread all within the context of relationship issues

Tarot Made Easy Nancy Garen,2001-07-18 If you ve ever been intrigued by the tarot but were confused by the complexities and vague interpretations given in most books here is a simple and accurate guide to interpreting the tarot With Tarot Made Easy you can easily interpret the meaning of any card and apply it to the particular circumstances of your life With the simple process outlined here you need only choose one tarot card and then consult one or several of the 32 categories listed under each card including Romance Travel Career Finances Friends and Special Guidance to discover the card s specific message for you For example if you want to know about your romantic future and the Queen of Cups turns up you may find that the standard description given is an honest devoted woman loving intelligence and happiness How should you interpret this But with Tarot Made Easy the Queen of Cups Romance category tells you that someone will enter your life in whom you will be very interested and you will meet this person very close to your home if not outside your front door This easy but accurate system banishes the vague interpretations found in most books and gives you the immediate specific insights you need

Tarot Plain and Simple Anthony Louis,2010-09-08 Tarot Plain and Simple by Anthony Louis is the book you ve been waiting for As the title indicates this book presents the Tarot in clear language that anyone can understand If you ve had trouble learning the Tarot this book gives the meaning of each and every one of the 78 Tarot cards both in simple terms and in depth ones both upright interpretations and those for when a card is drawn reversed Illustrations are from the elegant and mystic Robin Wood Tarot This book leaves nothing out It includes an overview of the history of the Tarot and suggests why this divinatory method works from a scientific point of view It even includes several spreads and

example readings That way you can see exactly how the Tarot works how the cards play off of each other and how to give a reading Turn to any page and see how you can learn meanings and interpretations The Five of Cups shows a cloaked person with head down and three of five cups knocked over spilling their contents Upright the card means mourning But the key words and phrases give you so much more It can also mean regret sadness loss of trust an emotional letdown betrayal in love and much more How can you tell which expression best fits the card It depends upon where it falls in the spread and the cards that surround or lead up to it This is explained in the clear but comprehensive section on Tarot card spreads and is illustrated in the sample readings If you have been waiting for an ideal book to help you learn the Tarot this is it The longer you wait the longer it will be before you can give effective Tarot readings Get out that Tarot deck and get this book today
