Real Peace No More Vietnams:

Real Peace Richard Milhous Nixon,1990 **Real Peace** Richard Nixon,2013-01-08 One of Richard Nixon s most incisive works on American foreign policy *Real Peace* argues that lasting peace can only be achieved through hard headed d tente a pragmatic mixture of military preparedness effective arms control and improved East West economic ties **No Peace, No Honor** Larry Berman,2001-09-23 In this shocking expos on the betrayal of South Vietnam premier historian Larry Berman uses never before seen North Vietnamese documents to create a sweeping indictment against President Nixon and Henry Kissinger On April 30 1975 when U S helicopters pulled the last soldiers out of Saigon the question lingered Had American and Vietnamese lives been lost in vain When the city fell shortly thereafter the answer was clearly yes The Agreement on Ending the War and Restoring Peace in Vietnam signed by Henry Kissinger in 1973 and hailed as peace with honor by President Nixon was a travesty In *No Peace No Honor* Larry Berman reveals the long hidden truth in secret documents concerning U S negotiations that Kissinger had sealed negotiations that led to his sharing the Nobel Peace Prize Based on newly declassified information and a complete North Vietnamese transcription of the talks Berman offers the real story for the first time proving that there is only one word for Nixon and Kissinger s actions toward the United States former ally and the tens of thousands of soldiers who fought and died betrayal *Real Peace* Richard Milhous Nixon,1990 **Real Peace** Richard Milhous Nixon,1984 Ex President Nixon analyzes the international situation and states his tactics **No More Vietnams** Richard Nixon,2013-01-08 He is just about the only American leader who ever did anything right in Vietnam Nixon makes a strong case Chicago Tribune In his bestselling *No More Vietnams* Richard Nixon analyzes America s military involvement in Southeast Asia including his own role as commander in chief from 1969 to 1974 and presciently calls for a new American approach to conflicts in the Third World **Hell No** Tom Hayden,2017-01-31 Cover Half title Title Copyright Contents Hell No The Forgotten Power of the Vietnam Peace Movement Introduction 1 2 3 4 Conclusion Further Reading Acknowledgments **The People Make the Peace** Karin Aguilar-San Juan, Frank Joyce,2015 Nine U S activists discuss the parts they played in opposing the war at home and their risky travels to Vietnam in the midst of the conflict to engage in people to people diplomacy In 2013 the Hanoi 9 activists revisited Vietnam together this book presents their thoughtful reflections on those experiences as well as the stories of five U S veterans who returned to make reparations Their successes in antiwar organizing will challenge the myths that still linger from that era and inspire a new generation seeking peaceful solutions to war and conflict today **Marigold** James Hershberg,2012-01-11 *Marigold* presents the first rigorously documented in depth story of one of the Vietnam War s last great mysteries the secret peace initiative codenamed *Marigold* that sought to end the war in 1966 The initiative failed the war dragged on for another seven years and this episode sank into history as an unresolved controversy Antiwar critics claimed President Johnson had bungled or worse deliberately sabotaged a breakthrough by bombing Hanoi on the eve of a planned secret U S North Vietnamese encounter in Poland Yet LBJ and top

aides angrily insisted that Poland never had authority to arrange direct talks and Hanoi was not ready to negotiate This book uses new evidence from long hidden communist sources to show that in fact Poland was authorized by Hanoi to open direct contacts and that Hanoi had committed to entering talks with Washington It reveals LBJ s personal role in bombing Hanoi as he utterly disregarded the pleas of both the Polish and his own senior advisors The historical implications of missing this opportunity are immense Marigold might have ended the war years earlier saving thousands of lives and dramatically changed U S political history *Peace Now!* Rhodri Jeffreys-Jones,2001-02-08 How did the protests and support of ordinary American citizens affect their country s participation in the Vietnam War This engrossing book focuses on four social groups that achieved political prominence in the 1960s and early 1970s students African Americans women and labor and investigates the impact of each on American foreign policy during the war Drawing on oral histories personal interviews and a broad range of archival sources Rhodri Jeffreys Jones narrates and compares the activities of these groups He shows that all of them gave the war solid support at its outset and offers a new perspective on this arguing that these outsider social groups were tempted to conform with foreign policy goals as a means to social and political acceptance But in due course students African Americans and then women turned away from temptation and mounted spectacular revolts against the war with a cumulative effect that sapped the resistance of government policymakers Organized labor however supported the war until almost the end Jeffreys Jones shows that this gave President Nixon his opportunity to speak of the great silent majority of American citizens who were in favor of the war Because labor continued to be receptive to overtures from the White House peace did not come quickly Felon for Peace Jerry Elmer,2005 When Jerry Elmer turned eighteen at the height of the Vietnam War he publicly refused to register for the draft a felony then and now Later he burglarized the offices of fourteen draft boards in three cities destroying the files of men eligible to be drafted After working almost twenty years in the peace movement he attended law school where he was the only convicted felon in Harvard s class of 1990 This book is a blend of personal memoir contemporary history and astute political analysis Elmer draws on a variety of sources including never before released FBI files and argues passionately for the practice of nonviolence He describes the range of actions he took from draft card burning to organizing draft board raids with Father Phil Berrigan from vigils on the Capitol steps inside tiger cages used to torture Vietnamese political prisoners to jail time for protesting nuclear power plants from a tour of the killing fields of Cambodia to meetings with Corazon Aquino in the Philippines A Vietnamese language edition of *Felon for Peace* has also been published *A Bitter Peace* Pierre Asselin,2003-10-15 Demonstrating the centrality of diplomacy in the Vietnam War Pierre Asselin traces the secret negotiations that led up to the Paris Agreement of 1973 which ended America s involvement but failed to bring peace in Vietnam Because the two sides signed the agreement under duress he argues the peace it promised was doomed to unravel By January of 1973 the continuing military stalemate and mounting difficulties on the domestic front forced both Washington and Hanoi to conclude that signing a vague and largely unworkable peace

agreement was the most expedient way to achieve their most pressing objectives For Washington those objectives included the release of American prisoners military withdrawal without formal capitulation and preservation of American credibility in the Cold War Hanoi on the other hand sought to secure the removal of American forces protect the socialist revolution in the North and improve the prospects for reunification with the South Using newly available archival sources from Vietnam the United States and Canada Asselin reconstructs the secret negotiations highlighting the creative roles of Hanoi the National Liberation Front and Saigon in constructing the final settlement

Hanoi's War Lien-Hang T. Nguyen,2012 While most historians of the Vietnam War focus on the origins of U S involvement and the Americanization of the conflict Lien Hang T Nguyen examines the international context in which North Vietnamese leaders pursued the war and American intervention ended This riveting narrative takes the reader from the marshy swamps of the Mekong Delta to the bomb saturated Red River Delta from the corridors of power in Hanoi and Saigon to the Nixon White House and from the peace negotiations in Paris to high level meetings in Beijing and Moscow all to reveal that peace never had a chance in Vietnam Hanoi s War renders transparent the internal workings of America s most elusive enemy during the Cold War and shows that the war fought during the peace negotiations was bloodier and much more wide ranging than it had been previously Using never before seen archival materials from the Vietnam Ministry of Foreign Affairs as well as materials from other archives around the world Nguyen explores the politics of war making and peace making not only from the North Vietnamese perspective but also from that of South Vietnam the Soviet Union China and the United States presenting a uniquely international portrait

Real Peace/No More Vietnams Richard M. Nixon,2012-12

The Republic of Vietnam, 1955-1975 Tuong Vu,Sean Fear,2020-01-15 Through the voices of senior officials teachers soldiers journalists and artists The Republic of Vietnam 1955 1975 presents us with an interpretation of South Vietnam as a passionately imagined nation in the minds of ordinary Vietnamese rather than merely as an expeditious political construct of the United States government The moving and honest memoirs collected translated and edited here by Tuong Vu and Sean Fear describe the experiences of war politics and everyday life for people from many walks of life during the fraught years of Vietnam s Second Republic leading up to and encompassing what Americans generally call the Vietnam War The voices gift the reader a sense of the authors experiences in the Republic and their ideas about the nation during that time The light and careful editing hand of Vu and Fear reveals that far from a Cold War proxy struggle the conflict in Vietnam featured a true ideological divide between the communist North and the non communist South

Nixon's Vietnam War Jeffrey P. Dazed and Confused Blaine T. Browne, 2023-11 A concise overview of a neglected decade in American history as the nation reflects on its 50th anniversary *The Columbia Companion to American History on Film* Peter C. Rollins, 2004-03-24 American history has always been an irresistible source of inspiration for filmmakers and today for good or ill most Americans sense of the past likely comes more from Hollywood than from the works of historians In important films such as The Birth of a Nation 1915 Roots 1977 Apocalypse Now 1979 and Saving Private Ryan 1998 how much is entertainment and how much is rooted in historical fact In The Columbia Companion to American History on Film more than seventy scholars consider the gap between history and Hollywood They examine how filmmakers have presented and interpreted the most important events topics eras and figures in the American past often comparing the film versions of events with the interpretations of the best historians who have explored the topic Divided into eight broad categories Eras Wars and Other

Major Events Notable People Groups Institutions and Movements Places Themes and Topics and Myths and Heroes the volume features extensive cross references a filmography of discussed and relevant films notes and a bibliography of selected historical works on each subject The Columbia Companion to American History on Film is also an important resource for teachers with extensive information for research or for course development appropriate for both high school and college students Though each essay reflects the unique body of film and print works covering the subject at hand every essay addresses several fundamental questions What are the key films on this topic What sources did the filmmaker use and how did the film deviate or remain true to its sources How have film interpretations of a particular historical topic changed and what sorts of factors technological social political historiographical have affected their evolution Have filmmakers altered the historical record with a view to enhancing drama or to enhance the truth of their putative message
