Real Stuck Way Up:

Real Stuck, Way Up Benette W. Tiffault, 1995 A cumulative tale in which many objects are used unsuccessfully to try to knock an apple down from a tree

Stuck Anneli Rufus, 2008-12-26 The brilliant mind behind Party of One examines the striking social trend people are stuck and they want to change but San Francisco Chronicle In this book Anneli Rufus identifies an intriguing aspect of our culture Many of us are stuck Be it in the wrong relationship career or town or just with bad habits we can't seem to quit we even say we want to make a change but Merging interviews personal anecdotes and cultural criticism Stuck is a wise and passionate exploration of the dreams we hold dearest for ourselves and the road to actually achieving them When faced with the possibility of change our minds can play tricks on us We tell ourselves I can't make it Or It's not worth the effort How is it that in a time of unprecedented freedom and opportunity so many of us feel utterly powerless and unsure In this book Rufus exposes a complex network of causes for our immobilization from fear and denial to powerful messages in popular culture or mass media that conspire to convince us that we're helpless in the face of our cravings But there can be a light at the end of the tunnel Rufus also tells the stories of people who have managed to become unstuck and of others who after much reflection have decided that where they are is best After all she writes what looks to you like a rut others might say is true absorption in a topic a relationship a career a pursuit a place What looks to you like boredom others call commitment And even contentment A brilliant glimpse into what truly motivates or doesn't motivate us Stuck will inspire you to take a look at yourself in an entirely new light

The Stuck Book Chris McAlister, 2017-11-07 We've all felt unsure of what to do next Experts articles offering advice and well-meaning loved ones amplify the anxiety What they are saying you need to do feels like worn-out hand-me-down clothes that don't fit Conventional wisdom won't help you Their answers aren't your answers You're in a different season You need customized wisdom There is a skill that will help you achieve clarity about your next step You have to figure out where you are The stuck book is a short book you can pick up when you have a question and get an answer for what needs to be done Seize the day Wait and ponder Whether it's your job or a relationship there are 4 simple answers for your 1 000 000 questions
