**Real-Life Discipleship** Jim Putman, 2025-02-11 Is your church making disciples who make disciples who make disciples? Real Life Discipleship explains what should happen in the life of every Christian and in every small group so that the church becomes an army of believers dedicated to seeing the world saved. With the overriding goal to train disciples who know how to make more disciples, this book offers proven tools and strategies from Real Life Ministries, one of America's fastest growing churches. In this book you will learn: How to create churches that succeed and grow; How to intentionally disciple believers in every stage of their spiritual development; How to find and develop leaders in your church. This book also contains these helpful features: A summary and profile of each stage of spiritual growth; Recommended resources for disciple makers; Spiritual facts; A presentation of the gospel; Discover what the Bible says about true and effective discipleship with these strategies and practices in this great church resource.      [The Case for Christ](#) Lee Strobel, 2010-11 The book consists primarily of interviews between Strobel, a former legal editor at the Chicago Tribune and biblical scholars such as Bruce Metzger. Each interview is based on a simple question concerning historical evidence, for example: Can the Biographies of Jesus Be Trusted? scientific evidence? Does Archaeology Confirm or Contradict Jesus' Biographies? and psychiatric evidence? Was Jesus Crazy When He Claimed to Be the Son of God? Together these interviews compose a case brief defending Jesus' divinity and urging readers to reach a verdict of their own.      [Real Life Christianity](#) Alan Kelly, 2009-10 So many in Christianity are confused about their beliefs; it's no wonder that those new to the faith have trouble knowing where to start. In *Real Life Christianity: 7 Basic Principles for Successful Christian Living*, author Alan Kelly helps both kinds of readers see that with the right guide, it is not hard to bring our faith into our daily lives. Beginning with a solid foundation of who God is and who we are, *Real Life Christianity* then demonstrates what went wrong in our relationship with God and what God has done to redeem

us With these principles in place Alan moves on to show in simple terms how God has planned for us to live a successful life by changing the way we think This daily process of applying what we learn in the Bible to the routines and events of our real lives helps us to go from just surviving to flourishing from living a hectic and harried life to living the abundant and prosperous life God promised in his word

**Real Christian** Todd A. Wilson,2014 The evangelical church houses many who call themselves Christians but do not know what they believe or follow the teachings of Jesus Todd Wilson s *Real Christian* biblically defines what it means to be a true Christian calling readers to reflect on how the gospel brings change and transformation to our character deeply affecting the way we live

**Christianity's Surprise** C. Kevin Rowe,2020-10-20 At its beginning Christianity was surprising powerful creative world shaking Today in the West it is many times familiar common and expected losing its power to surprise and transform We have developed societal amnesia and ignorance of what Christianity originally was and what it still can be We need to recover the surprise of Christianity We need to ask the same fundamental questions as the early Christians which will help us rediscover the surprising power of Christianity in our midst Focusing on the surprise of the gospel message takes us into the heart of what it is to understand Christianity at all and thus what it is to remember and relearn the life giving power and witness that went with being Christian at the beginning This remembering and relearning can in turn surprise us all over again and chart a course for our witness today

From Atheism to Christianity Joel Heck,2017 C S Lewis was one of the most famous atheists of the twentieth century Before he returned to the Christian faith and wrote the Chronicles of Narnia series and Mere Christianity Lewis struggled with anger toward God This is the story of his pilgrimage to Christianity Providing greater insight into the atheistic phase of Lewiss life than ever before this book also helps Christians learn more about what leads someone to atheism and how to witness the Christian faith to them The Historical Reliability of the New Testament Craig L. Blomberg,2016-11-01 Questions about the reliability of the New Testament are commonly raised today both by biblical scholars and popular media Drawing on decades of research Craig Blomberg addresses all of the major objections to the historicity of the New Testament in one comprehensive volume Topics addressed include the formation of the Gospels the transmission of the text the formation of the canon alleged contradictions the relationship between Jesus and Paul supposed Pauline forgeries other gospels miracles and many more Historical corroborations of details from all parts of the New Testament are also presented throughout The Historical Reliability of the New Testament marshals the latest scholarship in responding to New Testament objections while remaining accessible to non specialists *Authentic Christianity* Ray C. Stedman,Billy Graham,2011-07-01 Ray Stedman s passion encourages you to be an authentic Christian to move you beyond religion doctrines rules and rituals and into the life changing experience of being genuinely and intimately connected with Christ Authentic Christianity takes a look at 2 Corinthians to show you how to live a life of faith with integrity and regain the purpose simplicity and inspiration of genuine faith the kind of life that compels others to seek its Source **The Most Reluctant Convert** David C. Downing,2021-05-07 In his teens a young man wrote I believe in no religion There is absolutely no proof for any of them After serving in the trenches of WW1 the same young man said I never sank so low as to pray To a religious friend he wrote impatiently You can t start with God I don t accept God This young man was C S Lewis the foul mouthed atheist who would become one of the most eloquent Christian writers of the twentieth century David C Downing offers a unique look at Lewis s personal journey to faith and the profound influence it had on his life as a writer and eventual follower of Christ This is the first book to focus on the period from Lewis s childhood to his early thirties a tumultuous journey of spiritual and intellectual exploration It was not despite this journey but precisely because of it that Lewis understood the search for life s meaning so well **Body Life** Ray C. Stedman,1972 **Real Christianity** Cary Schmidt,2014-06-02 Are you enjoying your Christian life Or are you exhausted with trying Do you understand how your Christian life works Or are you frustrated with failure Are you interested in real Christianity Or are you held hostage by religious tradition The Christian life is primarily a relationship But modern religion and our own unfounded assumptions have clouded and skewed that relationship into a system of

performance based acceptance that overlooks the dynamic freely offered grace of God Many Christians are hounded by fear guilt and discouragement They open the Bible and see only condemnation They struggle with trying to be good enough knowing they fail regularly Many just give up in despair and walk away never to enjoy the real grace based relationship that Jesus offers In this compelling book Cary Schmidt candidly and simply unpacks what real Christianity is all about Through these pages learn how you can embrace the grace endure the struggle and enjoy the relationship of truly knowing Jesus

**Cold-case Christianity** J. Warner Wallace, 2013 Do you believe about the claims of Christianity but aren't sure you believe in them J Warner Wallace knows what that's like For the first thirty five years of his life he was a devout atheist But when he decided to apply his skills as a detective to the claims of the New Testament he came to a startling realization the case for Christianity was as convincing as any case he'd ever worked as a detective A unique apologetic Cold Case Christianity will give you new confidence in Christ and a renewed passion for articulating the case for Christianity **Real Christianity** William Wilberforce, 1999 As a young politician William Wilberforce 1759-1833 set out to do two things rouse professing Christians to understand the nature of true faith and bring about the end of slavery in England's colonies Real Christianity challenged the ruling classes of early nineteenth century England more than any other work Even today Real Christianity is a tool to soundly teach the tenets of evangelical faith and stir the conscience of all Christians *Real Christianity* Dale Partridge, 2019-11-12 As Christians we know we're supposed to be holy set apart and different than the world But the reality is the lives of many Christians look a lot more like the culture than like Christ The question the devout are seeking today is what does it really look like to follow Christ in a culture of darkness In this short book Dale Partridge assaults the watered down lukewarm Christianity that is harbored in many modern churches and replaces it with the raw biblical Gospel found in the New Testament The Christ-Centered Life David Broderick, 2013-05 This book is about my journey into Christ centeredness a personal journey that still goes on daily for me and will continue to do so throughout my life It presents a beginning and a foundation for the journey into Christ centeredness that each of us can undertake as we grow in Jesus for ourselves As such the book gives you some starters and pointers for your own journey into Christ centeredness It is my deepest desire that nothing should prevent my readers from seeing Jesus for themselves and having a real and lasting encounter with him that leads to a life of Christ centeredness
