Real People Real Faith:

Real People, Real Faith Cindy Halvorson, 2022-02-15 The characters in Scripture are often portrayed as one dimensional as caricatures instead of human beings with real needs authentic pain and compelling fears When their problems are viewed as one dimensional so is their faith Approaching biblical characters in this way can inhibit listeners ability to hear the biblical witness as relevant to their own lives and can minimize the impact of Scripture on their faith journey Real People Real Faith provides practical tools to portray biblical characters as multidimensional human beings who encountered and journeyed with God Placing high value on historical cultural and scriptural contexts Cindy Halvorson demonstrates techniques for generating holistic characters particularly by exploring archetypical human reactions and spiritual longings She shows how the preacher can use this method to reimagine the biblical characters present figures with whom listeners relate and empathize and draw portraits of real people whose relationship with God is in many ways like listeners own people with whom they may sojourn and grow When listeners are touched by a biblical character s story and shown how their relationship with God was transformed they too may experience the Divine s love and care for them

Leonard,2013-10-01 Instead of an awkward experience sharing your faith can be a simple everyday part of life As you grow in your love for Jesus sharing him with others will overflow into every conversation Casual interactions will turn into significant moments that bring the gospel into all your relationships How God Becomes Real T.M. Luhrmann,2022-04-26 The hard work required to make God real how it changes the people who do it and why it helps explain the enduring power of faith How do gods and spirits come to feel vividly real to people as if they were standing right next to them Humans tend to see supernatural agents everywhere as the cognitive science of religion has shown But it isn t easy to maintain a sense that there are invisible spirits who care about you In How God Becomes Real acclaimed anthropologist and scholar of religion T M Luhrmann argues that people must work incredibly hard to make gods real and that this effort by changing the people who do it and giving them the benefits they seek from invisible others helps to explain the enduring power of faith Drawing on ethnographic studies of evangelical Christians pagans magicians Zoroastrians Black Catholics Santeria initiates and newly orthodox Jews Luhrmann notes that none of these people behave as if gods and spirits are simply there Rather these worshippers make strenuous efforts to create a world in which invisible others matter and can become intensely present and real The faithful accomplish this through detailed stories absorption the cultivation of inner senses belief in a porous mind strong sensory experiences prayer and other practices Along the way Luhrmann shows why faith is harder than belief why prayer is a metacognitive activity like therapy why becoming religious is like getting engrossed in a book and much more A fascinating account of why religious practices are more powerful than religious beliefs How God Becomes Real suggests that faith is resilient not because it provides intuitions about gods and spirits but because it changes the faithful in profound ways , If God Were Real John Avant,2009-07-07 In this provocative book pastor John avant encourages readers to uphold a consistent practice of what they believe not just a verbalization of what they believe If Christians truly believe in God they should live genuinely changed lives as the ultimate proof that He is real Many Christians live their lives as if they do not believe in God They go to church and praise His name on Sundays but in their daily lives they don t think about the Lord that often They don t show much concern or charity for others They don t feel gratitude to the Lord for His blessings They don t allow God s love to be reflected in their actions

giving Christianity a bad name in the process In their practical day to day lives many Christians are almost living as though they are atheists Pastor Avant witnesses many Christians not living up to their claims and he asserts that there is not much Christ left in that form of Christianity In *If God Were Real* he challenges Christians to consider whether or not they believe in God If they do Pastor Avant wants readers to consider what life would be like if they lived as if they believed in God He advocates for the pursuit of a new Jesus movement that resembles Christ's original followers followers who were so steadfastly devoted to Him that their every action reflected His glory With *If God Were Real* readers will embark on an adventure of discovery of the real God and a life lived in praise of Him

Authentic Faith Travis Michael Hovde, 2014 There are times and places where heaven and earth collide where the line between eternity and time grows dim and the reality of God becomes real There are experiences and circumstances that force our beliefs to cross over from a mundane theory and into a living reality This is my story It is our story It is His story It is not perfect but it is real It is a story of my experiences with God calling to ministry journey of planting a church and surviving disaster and devastation This book is for anyone who ever desperately wondered if God exists or if He cares It is for honest people who have questioned Christians been disappointed with church as usual or simply wondered if there was more I hope my story will inspire and challenge you to discover the wonderful treasure of authentic faith or galvanize the faith you already have

Real Faith in Action Curl Oral Hazell, 2009-09-01 In this day of increasing uncertainty and fear faith in God is needed more than ever before In addition to its incalculable other benefits faith in God brings peace comfort and overflowing joy to those who put their trust in God But

not any kind of faith can procure these benefits only biblical faith can When understood in its biblical authenticity and then put into action faith always leads to triumph in that it enables us to experience what God ordained for us to obtain perform and become In light of this it is extremely important that we the people of God possess a comprehensive biblically based practical tool to aid us in achieving this understanding Real Faith in Action is that tool It presents an unconventional multi dimensional view of faith revealing many aspects usually not discussed in other works through nine principles that are clearly laid out by the Holy Spirit in what is unquestionably the most comprehensive reporting of the working of faith in all of Scripture the roll call of faith in Hebrews 11 The principles are thus illustrated through the real life experiences of fellow humans who dared to believe God for the impossible Accordingly the book goes beyond explaining faith to demonstrating faith It is designed to captivate and draw the reader into the world of the faith heroes of the past thus inspiring him or her to do likewise Furthermore in that real life experiences are discussed any thought of being incapable of doing the same should be vanquished knowing that others succeeded in their accomplishments by utilizing the same faith to which we also have access
