Real World Christians Being Yourself Belonging To God By:

You Are Not Your Own Alan Noble, 2021-10-12 Modern life tells us that it's up to us to forge our own identities and to make our lives significant. But the Christian gospel offers a strikingly different vision, one that reframes the way we understand ourselves, our families, our society, and God. Contrasting these two visions of life, Alan Noble invites us into a better understanding of who we are and to whom we belong.

Cold-case Christianity J. Warner Wallace, 2013 Do you believe about the claims of Christianity but aren't sure you believe in them? J. Warner Wallace knows what that's like. For the first thirty-five years of his life, he was a devout atheist. But when he decided to apply his skills as a detective to the claims of the New Testament, he came to a startling realization: the case for Christianity was as convincing as any case he'd ever worked as a detective. A unique apologetic, *Cold Case Christianity* will give you new confidence in Christ and a renewed passion for articulating the case for Christianity.

Divine Disruption Dr. Tony Evans, Chrystal Evans Hurst, Priscilla Shirer, Anthony Evans, Jonathan Evans, 2021-11-09 USA Today Bestseller Learn how to work your way through life's unexpected challenges with grace and find a deeper faith while on your journey. In this biblical and conversational book by Dr. Tony Evans and his four adult children, Chrystal Evans Hurst, Priscilla Shirer, Anthony Evans, and Jonathan Evans, you will hear five insightful perspectives on what it means to hold on to faith when life breaks your heart. We have all been through difficult seasons and times in life when it seems like the hits keep coming and you can barely catch your breath. The Evans family knows what this is like, as they've experienced the deep grief of losing eight loved ones in less than two years' time, including the devastating passing of Lois Evans, the matriarch of the family. In *Divine Disruption*, Dr. Tony Evans and his children pull back the curtain on their faith-shaking experiences in order to provide biblical wisdom and practical encouragement for how to deal with the hard, unexpected things we all inevitably face. You'll walk away with insights on why bad things happen despite a good and powerful God, persevering in difficult times and experiencing God's peace, what causes distress in your life and how to move past it, how to keep your faith from being damaged during tough times. Join the Evans Family in this unique Kingdom Legacy partnership as they candidly share honest questions they've asked, raw emotions they've felt, and solutions they've learned. Your life may have been interrupted, but you can use that to grow closer to God and find peace.

Why Being Yourself Is a Bad Idea Graham Tomlin, 2020-09-17 Most people just want to be happy and to make a difference in the world. We're often told we'll achieve this by being ourselves, but when we begin to reflect, that's not quite as simple as it sounds. All sorts of questions and countercultural notions arise. Maybe trying to be yourself is not such a good idea after all. In this book, Graham Tomlin dares us to let go of some of the assumptions we make about life. Drawing on current research, contemporary events, and ancient wisdom, he offers an invitation to journey to places we may never have imagined before. In doing so, he vividly reveals how the revolution that Christianity began can still make remarkable sense of our experience of wonder, love, evil, justice, identity, and freedom. Exploring these universal

experiences in a down to earth easy to read manner Why Being Yourself is a Bad Idea is a book for anyone struggling with the search for identity and self discovery and will leave you uplifted and reassured that seeking God can and will help you to make sense of life Intriguing and provocative speaking to our deepest concerns and heaviest questions James Mumford author of Vexed Ethics beyond political tribes I kept saying YES as I turned the pages of this book Pete Greig author of How to Pray

"Fundamentalism" and the Word of God J. I. Packer, 1958-12-01 This modern classic by the author of Knowing God provides a comprehensive statement of the doctrine of Scripture from an evangelical perspective J I Packer explores the meaning of the word fundamentalism and offers a clear and well reasoned argument for the authority of the Bible and its proper role in the Christian life

How God Becomes Real T.M. Luhrmann, 2022-04-26 The hard work required to make God real how it changes the people who do it and why it helps explain the enduring power of faith How do gods and spirits come to feel vividly real to people as if they were standing right next to them Humans tend to see supernatural agents everywhere as the cognitive science of religion has shown But it isn't easy to maintain a sense that there are invisible spirits who care about you In How God Becomes Real acclaimed anthropologist and scholar of religion T M Luhrmann argues that people must work incredibly hard to make gods real and that this effort by changing the people who do it and giving them the benefits they seek from invisible others helps to explain the enduring power of faith Drawing on ethnographic studies of evangelical Christians pagans magicians Zoroastrians Black Catholics Santeria initiates and newly orthodox Jews Luhrmann notes that none of these people behave as if gods and spirits are simply there Rather these worshippers make strenuous efforts to create a world in which invisible others matter and can become intensely present and real The faithful accomplish this through detailed stories absorption the cultivation of inner senses belief in a porous mind strong sensory experiences prayer and other practices Along the way Luhrmann shows why faith is harder than belief why prayer is a metacognitive activity like therapy why becoming religious is like getting engrossed in a book and much more A fascinating account of why religious practices are more powerful than religious beliefs How God Becomes Real suggests that faith is resilient not because it provides intuitions about gods and spirits but because it changes the faithful in profound ways *Holiness* John Charles Ryle, 2002

recognizing how God keeps in touch with his beloved people **Claim Your Crown** Tarah-Lynn Saint-Elie, 2020-02-04 Young women are deeply dissatisfied with society's standards and double standards. They want more for themselves but sometimes they don't quite know what that more should be. That's where Miss Black New Jersey 2018 and Teen Vogue It Girl turned fashion writer Tarah Lynn Saint Elie comes in. Through her insightful comments on media, pop culture, and pervading cultural myths about beauty, fashion, and womanhood, Tarah Lynn dismantles the messages that feed into the insecurities, fears, doubts, and guilt that young women experience today. She introduces them to an understanding of God as a loving Father and the King of all kings who bestows upon his daughters a crown of love, worth, and power. And she shows them how to not only claim the promises of God but also walk purposefully in them as independent women, no prince necessary, who respond to adversity with righteousness and authority.

A Peculiar Glory John Piper, 2016-03-01 Through the centuries Christians have declared the Bible to be the Word of God. But why? What foundation do Christians have for believing that the Bible contains the very words of the living God? In his first major book since *Bloodlines*, best-selling author and popular preacher John Piper makes the case for why it is not just reasonable but crucial that we view the Bible as absolutely perfect and totally reliable. Exploring what Scripture teaches about itself from Genesis to Revelation, its unique self-authenticating nature, and its unparalleled ability to showcase God's peculiar glory, Piper lays a solid foundation for Christians' unshakable confidence in the Bible.
