Realities The Miracle Of God:

When You Need a Miracle Linda Evans Shepherd,2012-07 In this powerful book Linda Evans Shepherd shows readers how to reach out to God and ask for a miracle She shows how God s miracles may not come packaged in the ways we would expect but they do come in ways that will transform our lives

The Case Against Miracles John W. Loftus,2019-11-22 For as long as the idea of miracles has been in the public sphere the conversation about them has been shaped exclusively by religious apologists and Christian leaders The definitions for what a miracles are have been forged by the same men who fought hard to promote their own beliefs as fitting under that umbrella It s time for a change Enter John W Loftus an atheist author who has earned three master s degrees from Lincoln Christian Seminary and Trinity Evangelical Divinity School Loftus a former student of noted Christian apologist William Lane Craig got some of the biggest names in the field to contribute to this book which represents a critical analysis of the very idea of miracles Incorporating his own thoughts along with those of noted academics philosophers and theologians Loftus is able to properly define miracle and then show why there s no reason to believe such a thing even exists Addressing every single issue that touches on miracles in a thorough and academic manner this compilation represents the most extensive look at the phenomenon ever displayed through the lens of an ardent nonbeliever If you ve ever wondered exactly what a miracle is or doubted whether they exist then this book is for you

Miracles : 2 Volumes Craig S. Keener,2011-11-01 Christianity Today 2013 Book Award Winner Winner of The Foundation for Pentecostal Scholarship s 2012 Award of Excellence 2011 Book of the Year Christianbook com s Academic Blog Most modern prejudice against biblical miracle reports depends on David Hume s argument that uniform human experience precluded miracles Yet current research shows that human experience is far from uniform In fact hundreds of millions of people today claim to have experienced miracles New Testament scholar Craig Keener argues that it is time to rethink Hume s argument in light of the contemporary evidence available to us This wide ranging and meticulously researched two volume study presents the most thorough current defense of the credibility of the miracle reports in the Gospels and Acts Drawing on claims from a range of global cultures and taking a multidisciplinary approach to the topic Keener suggests that many miracle accounts throughout history and from contemporary times are best explained as genuine divine acts lending credence to the biblical miracle reports

Can a Scientist Believe in Miracles? Ian Hutchinson,2018-09-11 Plasma physicist Ian Hutchinson has been asked hundreds of questions about faith and science Is God s existence a scientific question Is the Bible consistent with the modern scientific understanding of the universe Are there scientific reasons to believe in God In this comprehensive volume Hutchinson answers a full range of inquiries with sound scientific insights and measured Christian perspective

Gay Girl, Good God Jackie Hill Perry,2018-09-03 I used to be a lesbian In Gay Girl Good God author Jackie Hill Perry shares her own story offering practical tools that helped her in the process of finding wholeness Jackie grew up fatherless and experienced gender confusion She embraced masculinity and

homosexuality with every fiber of her being She knew that Christians had a lot to say about all of the above But was she supposed to change herself How was she supposed to stop loving women when homosexuality felt more natural to her than heterosexuality ever could At age nineteen Jackie came face to face with what it meant to be made new And not in a church or through contact with Christians God broke in and turned her heart toward Him right in her own bedroom in light of His gospel Read in order to understand Read in order to hope Or read in order like Jackie to be made new

The Case for Miracles Lee Strobel, 2018-03-27 New York Times bestselling author Lee Strobel trains his investigative sights on the hot button question is it really credible to believe God intervenes supernaturally in people's lives today This provocative book starts with an unlikely interview in which America's foremost skeptic builds a seemingly persuasive case against the miraculous But then Strobel travels the country to quiz scholars to see whether they can offer solid answers to atheist objections Along the way he encounters astounding accounts of healings and other phenomena that simply cannot be explained away by naturalistic causes The book features the results of exclusive new scientific polling that shows miracle accounts are much more common than people think What's more Strobel delves into the most controversial question of all what about miracles that don't happen If God can intervene in the world why doesn't he do it more often to relieve suffering Many American Christians are embarrassed by the supernatural not wanting to look odd or extreme to their neighbors Yet The Case for Miracles shows not only that the miraculous is possible but that God still does intervene in our world in awe inspiring ways Here's a unique book that examines all sides of this issue and comes away with a passionate defense for God's divine action in lives today Also available The Case for Miracles Spanish edition kids edition and student edition

Living in God's Best Andrew Wommack, 2018-05-15 Divine health and prosperity are better than divine healing and provision If you live in divine health and prosperity you won't need a miracle to get healed or to pay your bills If you can't see the difference between the two that may be one reason you only visit God's best instead of truly living in it Most Christians live in a place where

Lord, Make My Life a Miracle! Raymond C. Ortlund, 1974 Gives practical guidance for establishing and developing three major life priorities commitment to Christ commitment to the body of believers and commitment to your work in the world as well as your witness to it

A Simple Guide to Experience Miracles J. P. Moreland, 2021-11-16 Does God Still Do Miracles Today A Simple Guide to Experience Miracles will give you confidence in and awareness of the supernatural realm as you learn how to flourish spiritually by experiencing more miraculous interventions in your life and ministry Internationally renowned philosopher J P Moreland looks at the nature of miracles and explains why bearing and receiving credible testimony to God's miraculous acts is a crucial feature of a mature Jesus follower He also shows how to distinguish a real miracle from a mere coincidence Miracles bring comfort to believers strengthening faith in God and creating boldness in our lives While miraculous healings have occurred frequently throughout church history Moreland provides data showing how the last fifty years have seen a massive outbreak of miracles and supernatural activity Today he argues the church

should humbly expect to see more of these miraculous works of God than we do Moreland looks at topics like The relationship between sickness and suffering along with two different ways to pray for healing How to discern clearly the difference between a genuine miracle and a mere coincidence How to increase your faith that petitionary prayer really works and what to make of unanswered prayer Six ways God speaks to us and advice for hearing God wisely and biblically The role angels play in our lives how they appear to us and how to combat demonic influence The biblical basis for most Near Death Experiences and what we can learn from them A Simple Guide to Experience Miracles increases your expectation and hope that God can and often does miraculously intervene to bring help and comfort Moreland shows that it makes rational sense to step out and engage in employing Kingdom power and to strengthen courage to witness and act on behalf of the gospel of Jesus Filled with inspiring credible motivating accounts of miracles he covers five different kinds of supernatural activities and provides practical wisdom about how to begin practices such as healing prayer and learning to deal with the demonic

Miracles C. S. Lewis, 2022-11-09 The Incarnation is the central miracle claimed by Christians God it is said took in human form Every other miracle precedes or follows this This is the central thesis of C S Lewis book Miracles in which he argues that a Christian must not only accept but also revel in miracles as evidence of God s unique personal involvement in his creation Lewis addresses rationalists agnostics and deists on their own terms providing a beautiful and happy affirmation that miracles do happen in our daily lives A Book of Miracles Dr. Bernie S. Siegel, 2014-10-15 Heartwarming and Heart

Opening Stories Gathered from Decades of Medical Practice Bernie Siegel first wrote about miracles when he was a practicing surgeon and founded Exceptional Cancer Patients a groundbreaking synthesis of group individual dream and art therapy that provided patients with a carefrontation Compiled during his more than thirty years of practice speaking and teaching the stories in these pages are riveting warm and belief expanding Their subjects include a girl whose baby brother helped her overcome anorexia a woman whose cancer helped her heal by teaching her to stand up for herself and a family that was saved from a burning house by bats Without diminishing the reality of pain and hardship the stories show real people turning crisis into blessing by responding to adversity in ways that empower and heal They demonstrate what we are capable of and show us that we can achieve miracles as we confront life s difficulties **Desperate for a Miracle** Ora

Holloway, 2019-02-28 This real life inspirational testimony of defeat and victory will touch your heart as it reveals the author s pursuit of a miracle It reveals her struggles pain suffering disappointments and times of joy During her eleven year journey with God it was through faith and persistent prayer that Holloway learned to trust the guiding hands of God and His manifest power in answering her prayers Her story of defeat and victory will touch and stir your heart to never give up because miracles have many ways of manifesting Desperate for a Miracle offers encouragement and loving guidance along with practical examples and prayer principles to rebuild faith and hope when life shatters your dreams **The Divine Reality**

Hamza Andreas Tzortzis, 2016-12-10 The Divine Reality provides a compelling case for the rational and spiritual foundations

of Islam intelligently and compassionately deconstructing atheism An existential spiritual and rational journey that articulates the powerful arguments for the existence of God Qur an the Prophethood of Muhammad and why we must know love and worship God

Life Is a Miracle Wendell Berry,2003-06-19 A scathing assessment Berry shows that Wilson s much celebrated controversial pleas in Consilience to unify all branches of knowledge is nothing more than a fatuous subordination of religion art and everything else that is good to science Berry is one of the most perceptive critics of American society writing today The Washington Post I am tempted to say he understands Consilience better than Wilson himself A new emancipation proclamation in which he speaks again and again about how to defy the tyranny of scientific materialism The Christian Science Monitor In Life Is a Miracle the devotion of science to the quantitative and reductionist world is measured against the mysterious qualitative suggestions of religion and art Berry sees life as the collision of these separate forces but without all three in the mix we are left at sea in the world

The Grand Miracle C. S. Lewis,1986-01-12 Captivating reading that builds the faith while it fills the mind with greatness Sherwood Wirt former editor DECISION Magazine One of this century s greatest writers of fact fiction and fantasy explores in utterly beautiful terms questions of faith in the modern world On the experience of miracles On silence and religious belief On the assumed conflict between work and prayer On the error of trying to lead a good life without Christ On the necessity of dogma to religion On the dangers of national repentance On the commercialization of Christmas and more The searching mind and the poetic spirit of C S Lewis are readily evident in this collection of essays edited by his one time secretary Walter Hopper Here the reader finds the tough mind polemicist relishing the debate here too the kindly teacher explaining a complex abstraction by means of clarifying analogies here the public speaker addressing his varied audience with all the humility and grace of a man who knows how much more remains to be unknown The New York Times Book Review

The Knowledge of the Holy A. W. Tozer,2022-05-17 True religion confronts earth with heaven and brings eternity to bear upon time The

messenger of Christ though he speaks from God must also as the Quakers used to say speak to the condition of his hearers otherwise he will speak a language known only to himself His message must be not only timeless but timely He must speak to his own generation The message of this book does not grow out of these times but it is appropriate to them It is called forth by a condition which has existed in the Church for some years and is steadily growing worse I refer to the loss of the concept of majesty from the popular religious mind The Church has surrendered her once lofty concept of God and has substituted for it one so low so ignoble as to be utterly unworthy of thinking worshipping men This she has done not deliberately but little by little and without her knowledge and her very unawareness only makes her situation all the more tragic **Making**

Miracles Lynn Woodland,2011-11 Grounded in science and metaphysics Making Miracles Create New Realities for Your Life and Our World is a growing snowball of group consciousness It invites all readers to bypass the presumed boundaries of space and time boundaries that science is showing to be permeable beyond our wildest imaginings to reach out in loving compassion to every other reader wherever they happen to be in space time The experiment involves focusing and directing this collective energy of love to see what miracles we can create for ourselves each other and the world beyond This is a book about consciousness time quantum science and God all woven into a series of practical personal experiments in miracle making It goes far beyond current teachings o the law of attraction and will sweep readers up in a collaborative experiment that pushes all the boundaries of human potential **A Peculiar Glory** John Piper,2016-03-01 Through the centuries

Christians have declared the Bible to be the Word of God But why What foundation do Christians have for believing that the Bible contains the very words of the living God In his first major book since Bloodlines best selling author and popular preacher John Piper makes the case for why it is not just reasonable but crucial that we view the Bible as absolutely perfect and totally reliable Exploring what Scripture teaches about itself from Genesis to Revelation its unique self authenticating nature and its unparalleled ability to showcase God s peculiar glory Piper lays a solid foundation for Christians unshakable confidence in the Bible **Who is Your Covering?** Frank A Viola,2002-08-01
