Omega Files Branton,2000-03-31 If as the late J Allen Hynek claimed over 1 in 40 people have been abducted and processed by the alien secret government agenda or 1 in 10 according to more recent sources then you are bound to know SOMEONE who is an abductee and KNOWS it This information is for THEM For those who are not UFO Abductees the information in this file is nevertheless vital and applicable and may one day save your life If you believe that information about Aliens is only for those who have lost all touch with reality then PLEASE accept that information in this document that you CAN accept and pass over the rest at least for now Your future may depend on it As I have said this information may save your life This file contains the most intricate and intimate details of a global conspiracy which seems to be rooted in an alien military industrial collaboration which is intent on bringing all freedom loving peoples of this world under its control through the implementation of a global government which has commonly been referred to as the New World Order We have pulled no punches and are laying everything out on the table in regards to the New World Order agenda as I and those who have contributed to this document perceive it If you are one who is easily offended then be warned Most of you who read this will realize that you may have personally supported in one form or another albeit unknowingly certain religious economic or political organizations which are on various levels being controlled by those forces that are working towards the implementation of the New World Order Those who have contributed to this file have not compromised nor held back on what they perceive to be the truth in regards to this conspiracy We make no apologies since we feel that this agenda has already been responsible for damaging this American Republic in ways that most cannot even begin to comprehend and will continue to be a threat to its very existence and prosperity until this enemy is forever purged from our nation and those traitors responsible for violating our national security and selling out this Constitutional Republic of the United States of America are brought to justice Consider this a declaration of WAR against those eco political forces and their draconian backers who would destroy our prosperity and freedom for their own fleeting material gain So with no further introduction we repeat the words of Louisiana District Attorney and JFK assassination investigator James Garrison who boldly stated before leaving this world LET THE TRUTH BE TOLD THOUGH THE HEAVENS FALL

BONUS This large size 8x11 book weighing nearly two pounds describes how German engineers actually flew flying saucers shortly before the end of World War Two and how some of the dreaded Nazi s actually escaped due to help from U S s own version of the Secret Government and how they actually do their work today from underground bases around the world

Origins of the Gods Andrew Collins,Gregory L. Little,2022-05-03 A detailed examination of the role played by shamanism and communication with higher intelligences in the development of ancient civilizations Explores how our ancestors used shamanic rituals at sacred sites to create portals for communication with nonhuman intelligences Shares supporting evidence from the spiritual and shamanic beliefs of more than 100 Native American tribes Shows how the earliest forms of shamanism began at sites like Qesem Cave in Israel more than 400 000 years ago From G bekli Tepe in Turkey to the Egyptian pyramids from the stone circles of Europe to the mound complexes of the Americas Andrew Collins and Gregory L Little show how again and again our ancestors built permanent sites of ceremonial activity where geomagnetic and gravitational anomalies have been recorded They investigate how the earliest forms of animism and shamanism began at sites like the Denisova Cave in the Altai Mountains of Siberia and Qesem Cave in Israel more than 400 000 years ago They explain how shamanic rituals and altered states of consciousness combine with the natural forces of the earth to create portals for contact with otherworldly realms in other words the gods of our ancestors were the result of an interaction between human consciousness and transdimensional intelligence The authors show how the spiritual and shamanic beliefs of more than 100 Native American tribes align with their theory and they reveal how some of these shamanic transdimensional portals are still active sharing vivid examples from Skinwalker Ranch in Utah and Bampton in Northern England Ultimately Collins and Little show how our modern disconnection from nature and lack of a fully visible night sky makes the manifestations from these ultraterrestrial intelligences seem random If we can restore our spiritual

connections perhaps we can once again communicate with the higher dimensional beings who triggered the advancements of our earliest ancestors
