In Constant Prayer Robert Benson, 2010-12-27 What does it mean to pray without ceasing Is it really that important to pray as the early Church did In this installment of The Ancient Practices series Robert Benson presents a structure for our lives where we can live in continued awareness of God's presence and reality A pattern for worship and prayer that is offered to God at specific times throughout the day the daily office is meant to be prayed by all the faithful so the Church may be continuous and God's work in this world may be sustained Yet it is highly personal too an anchor between the daily and the divine the mundane and the marvelous Says author Robert Benson At some point high minded discussion about our life of prayer has to work its way into the dailyness of our lives At some point we have to move from talking about prayer to saying our prayers so that the marvelous that is possible has a chance to appear In Constant Prayer is your gateway to deeper communion with God Expect something new to unfold before you and within you while heeding this ancient call The Ancient Practices There is a hunger in every human heart for connection primitive and raw to God To satisfy it many are beginning to explore traditional spiritual disciplines used for centuries everything from fixed hour prayer to fasting to sincere observance of the Sabbath Compelling and readable the Ancient Practices series is for every spiritual sojourner for every Christian seeker who wants more

Reality and Prayer John Magee, 1981

The Prayer Coin Elisa Morgan, 2018 Take a coin Toss it in the air Now call it Heads Tails What if you could choose both sides Elisa Morgan birthed the prayer coin idea as she was struggling in her own prayer life Should she be blatantly honest about her desires or just leave everything to God and let Him lead An epiphany came when Elisa noticed how Jesus prayed in the Garden of Gethsemane Take this cup from me yet not my will but yours be done Luke 22:42 Jesus Christ begged for relief from the trial He faced while utterly complying with what He knew the Father's will to be Honesty and abandon in the same breath Elisa discovered that Jesus invites us to both And the emotional back and forth between full out honesty and giving it up in abandon actually drew her closer to God If Jesus our Savior Mentor and Friend could pray both sides of the prayer coin could we as well

Fasting Scot McKnight, 2010-12-27 Fasting is the body talking what the spirit yearns what the soul longs for and what the mind knows to be true Scot McKnight Christianity has traditionally been at odds with the human body At times in the history of the church Christians have viewed the body and physical desires as the enemy Now Scot McKnight best selling author of The Jesus Creed reconnects the spiritual and the physical in the ancient discipline of fasting Inside You II Find In depth biblical precedents for the practice of fasting How to fast effectively and safely Different methods of fasting as practiced in the Bible Straight talk on pitfalls such as cheating and motivation Join McKnight as he explores the idea of whole body spirituality in which fasting plays a central role This ancient practice he says doesn't make sense to most of us until we have grasped the importance of the body for our spirituality until we can view it as a spiritual response to a sacred moment Fasting simple primitive and ancient still demonstrates a whole person's earnest need and hunger for the presence of God

just as it has in the lives of God's people throughout history. The Ancient Practices series is for every spiritual sojourner for every Christian seeker who wants more. The Universal Christ Richard Rohr, 2019-03-05 NEW YORK TIMES BESTSELLER From one of the world's most influential spiritual thinkers a long awaited book exploring what it means that Jesus was called Christ and how this forgotten truth can restore hope and meaning to our lives. Anyone who strives to put their faith into action will find encouragement and inspiration in the pages of this book. Melinda Gates In his decades as a globally recognized teacher Richard Rohr has helped millions realize what is at stake in matters of faith and spirituality. Yet Rohr has never written on the most perennially talked about topic in Christianity. Jesus. Most know who Jesus was but who was Christ. Is the word simply Jesus's last name. Too often Rohr writes our understandings have been limited by culture, religious debate and the human tendency to put ourselves at the center. Drawing on scripture, history and spiritual practice Rohr articulates a transformative view of Jesus Christ as a portrait of God's constant unfolding work in the world. God loves things by becoming them, he writes, and Jesus's life was meant to declare that humanity has never been separate from God except by its own negative choice. When we recover this fundamental truth, faith becomes less about proving Jesus was God and more about learning to recognize the Creator's presence all around us and in everyone we meet. Thought provoking, practical and full of deep hope and vision, The Universal Christ is a landmark book from one of our most beloved spiritual writers and an invitation to contemplate how God liberates and loves all that is. A Praying Life Paul E. Miller, 2017-04-05 More than 300,000 copies sold. This book will be like having the breath of God at your back. Let it lift you to new hope. Dan B. Allender, PhD, author of Bold Love. This new edition includes an expanded chapter on using the practical prayer cards, a hallmark of the teaching found in A Praying Life, and a chapter on the need and use of prayers of lament. Prayer is so hard that unless circumstances demand it, an illness or saying grace at a meal, most of us simply do not pray. We prize accomplishments and productivity over time in prayer. Even Christians experience this prayerlessness, a kind of practical unbelief that leaves us marked by fear, anxiety, joylessness and spiritual lethargy. Prayer is all about relationship. Based on the popular seminar by the same name, A Praying Life has disciplined thousands of Christians to a vibrant prayer life full of joy and power. When Jesus describes the intimacy He seeks with us, He talks about joining us for dinner. Revelation 3:20. A Praying Life feels like having dinner with good friends. It is the way we experience and connect to God. In A Praying Life, author Paul Miller lays out a pattern for living in relationship with God and includes helpful habits and approaches to prayer that enable us to return to a childlike faith. **The Essential Guide to Jewish Prayer and Practices** Andrea Lieber, Ph.D., 2012-03-06 An insightful and illuminating guide to Judaism's basic tenets and practices.
