Talented Dustin Peterson, 2021-06-08 Most people struggle to articulate their talents while many others don t believe they have any Yet God has blessed each of his children with innate talents and abilities Some talents like playing the piano or woodworking are more easily identifiable Others aren t quite as obvious like empathy peacemaking or critical thought and yet they hold the power to increase our energy and satisfaction in every facet of life The purpose of this book is to equip individuals to understand talents identify their own and develop strategies to use them to bless their lives and serve others Grounded in

LDS doctrine and scripture the reader will discover more about who they are what they have to offer and how to do more of what they love to do on a daily basis Talents can be used in service to others as a foundation for professional life and to bless our families In fact the more we integrate them into every aspect of our lives the stronger they become and the more opportunity we have to use them The Purpose for Talents, Gifts and Your Potential: Realizing Gods Gift in You Frankie L. Jackson,2010-07-19 One of the most astonishing qualities of our enemy is his ability to be so convincing in his deceptions He has talked more people out of strength into weakness and out of courage into timidity He has succeeded in causing people to surrender world changing plans and opportunities for bondage of inferiority and self doubt In this book Frankie does a fine job in pulling back the curtain on the Father s heart over his creation He has a wonderful ability to turn complex information into simple life changing truth This is a must read if you are ready to be propelled forward Let your potential become your source of pleasure and satisfaction as you discover God s purpose for your talents gifts and your potential Pierre du Plessis Senior pastor The Father s House 715 Paul Rd Rochester NY 14624 *Hidden Potential* Wendy Pope,2020-03-01 Fears Faults Failures Frailties Every woman at some point wonders Do I have to get past all my weaknesses before God can use me Wendy Pope is happy to tell readers No You don t have to overcome correct rise above or get strong before you are qualified to be part of God s plan He can use you right now You are a worthwhile possibility In *Hidden Potential* readers see that they can be faithful even in fear included in God s plans even in weaknesses worth something even in failure valuable even in pain Pope explores the life of a fearful murderer on the run with a speech problem and daddy issues also known as Moses to show readers God s power and grace As she writes God will never count anyone out as long as they count themselves as His children *Hidden Potential* includes discussion reflection and Bible study questions challenges to take readers further in their faith and real life stories from other women to remind readers they are not alone **Gospel Principles** The Church of Jesus Christ of Latter-Day Saints,1997 A Study Guide and a Teacher s Manual *Gospel Principles* was written both as a personal study guide and as a teacher s manual As you study it seeking the Spirit of the Lord you can grow in your understanding and testimony of God the Father Jesus Christ and His Atonement and the Restoration of the gospel You can find answers to life s questions gain an assurance of your purpose and self worth and face personal and family challenges with faith Discover Your Calling Soo-Inn Tan,2020-10-03 All of us have a yearning to understand where we belong in this world As Christians most of us understand from Scripture that God has a purpose for each of us and has gifted us differently But discovering our unique giftedness and where God calls us to use those gifts eludes so many In his new book *Discover Your Calling The ABC of Vocational Discernment* Soo Inn Tan provides biblical and down to earth support for those who seek to better understand how God is shaping their lives Whether you re a student entering the workforce a homemaker a mid career worker or a retiree discover how God may be preparing you for the continuing challenge and joy of a lifelong walk with Jesus Christ across all aspects of vocation **No More Faking Fine** Esther Fleece Allen,2017-01-10 Scripture reveals a God who meets

us where we are not where we pretend to be No More Faking Fine is your invitation to get honest with God through the life giving language of lament If you ve ever been given empty clichs during challenging times you know how painful it is to be misunderstood by well meaning people When life hurts we often feel pressure from others and ourselves to keep it together suck it up or pray it away But Scripture reveals a God who lovingly invites us to give honest voice to our emotions when life hits hard For most of her life Esther Fleece Allen believed she could bypass the painful emotions of her broken past by shutting them down altogether She was known as an achiever and an overcomer on the fast track to success But in silencing her pain she robbed herself of the opportunity to be healed Maybe you ve done the same Esther s journey into healing began when she discovered that God has given us a real world way to deal with raw emotions and an alternative to the coping mechanisms that end up causing more pain It s called lament the gut level honest prayer that God never ignores never silences and never wastes No More Faking Fine is your permission to lament taking you on a journey down the unexpected pathway to true intimacy with God Drawing from careful biblical study and hard won insight Esther reveals how to use God s own language to come closer to him as he leads us through our pain to the light on the other side teaching you that We are robbing ourselves of a divine mystery and a divine intimacy when we pretend to have it all together God does not expect us to be perfect instead he meets us where we are There is hope beyond your heartache disappointment and grief Like Esther you ll soon find that when one person stops faking fine it gives everyone else permission to do the same
