Really Big Barn On Noahs Farm:

The Really Big Barn on Noah's Farm Darrell D. Wiskur,2001 What happened to Noah s Ark when the flood was over
Knowing Noah Douglas Floen,2012-07-24 Knowing Noah is the story of the adventures of a young farm mouse who through extraordinary circumstances found that he could read and understand humans when they spoke Because of this wonderful capability Noah not only finds himself in the midst of some very terrifying adventures but also finds that his fellow mice at school or at play cannot seem to accept him as he is Even though he is bullied and pushed about Noah has a spirit and a capacity for seeing and doing the right thing He befriends the dreaded barn cat Snoad and together they make a great team much to the dismay of everyone else Noah meets many characters in his travels about the farm Mrs Yahoody the lady hedgehog who helps save Noah from the jaws of a hungry fox Madame Topal she of the beady eye and the rigid stern schoolroom for young mice who cannot understand Noah and his imaginative ways These and many other characters make up a supporting cast for Noah as he grows and learns the ways of his world A book about being different and using the gifts that nature gives to triumph over all obstacles

Not Far From Town Brian A. Connolly,2006 Each of the stories in Not Far From Town is set along the upper Allegheny River in northern Pennsylvania The rural landscape with its creeks forests hills and sky is woven into the fabric of the characters lives Sebastian Baxter laments the loss of Cornplanter s people as he drives his old station wagon in the middle of the night along the Allegheny River near Kinzua before the new dam drowned the land She who has no name endures sorrow with the help of Portage Creek and the trout who inhabit that stream While fishing Skinner Creek Old Man Corbin talks quietly of his long dead wife who was as much a part of nature as the wildflowers and the trees Clara Hill lives up Bear Creek The young widow has chosen to live alone on the edge of the wilderness She feels that life in the wild is more real than the alternative and she believes that nature can heal those who take refuge there The orphan teenager Lily takes refuge there She wonders if her deceased mother was ever happy Does sorrow drown joy or is joy a rock over which sorrow flows And so it goes as the stories unfold The reader immersed in the natural world and a witness to very human struggles will discover in these stories a joyful melancholy like a sky filled with storm clouds through which the sun might break
