Realm Of The Pobile:

The Unseen Realm Heiser, Michael S., 2015-09-01 In *The Unseen Realm* Dr Michael Heiser examines the ancient context of Scripture explaining how its supernatural worldview can help us grow in our understanding of God He illuminates intriguing and amazing passages of the Bible that have been hiding in plain sight You ll find yourself engaged in an enthusiastic pursuit of the truth resulting in a new appreciation for God s Word Why wasn t Eve surprised when the serpent spoke to her How did descendants of the Nephilim survive the flood Why did Jacob fuse Yahweh and his Angel together in his prayer Who are the assembly of divine beings that God presides over In what way do those beings participate in God s decisions Why do Peter and Jude promote belief in imprisoned spirits Why does Paul describe evil spirits in terms of geographical rulership Who are the glorious ones that even angels dare not rebuke After reading this book you may never read your Bible the same way again Endorsements There is a world referred to in the Scripture that is quite unseen but also quite present and active Michael Heiser s *The Unseen Realm* seeks to unmask this world Heiser shows how important it is to understand this world and appreciate how its contribution helps to make sense of Scripture The book is clear and well done treating many ideas and themes that often go unseen themselves With this book such themes will no longer be neglected so read it and discover a new realm for reflection about what Scripture teaches Darrell L Bock Executive Director for Cultural Engagement Senior Research Professor of New Testament Studies Howard G Hendricks Center for Christian Leadership and Cultural Engagement How was it possible that I had never seen that before Dr Heiser s survey of the complex reality of the supernatural world as the Scriptures portray it covers a subject that is strangely sidestepped No one is going to agree with everything in his book but the subject deserves careful study and so does this book John Goldingay David Allan Hubbard Professor of Old Testament School of Theology Fuller Theological Seminary This is a big book in the best sense of the term It is big in its scope and in its depth of analysis Michael Heiser is a scholar who knows Scripture intimately in its ancient cultural context All scholars clergy and laypeople who read this profound and accessible book will grow in their understanding of both the Old and New Testaments particularly as their eyes are opened to the Bible s unseen world Tremper Longman III Robert H Gundry Professor of Biblical Studies Westmont College Supernatural Heiser, Michael S., 2015-11-10 Dr Michael S Heiser presents fifteen years of research on what the Bible really says about the unseen world of the supernatural unfiltered by tradition or by theological presuppositions Who were the sons of God Who were the Nephilim Where do angels fit into the supernatural hierarchy What relation does Jesus bear to the rest of the supernatural world Heiser tackles these questions and many more as he shines a light on the ancient context of Scripture After reading this book you may never read your Bible the same way again In *Supernatural* Heiser takes the core message from his recent best seller *The Unseen Realm* and presents it for the person in the pew He offers the same approach to reading and understanding Scripture but without all the extra footnotes and supporting information needed for the scholarly treatment We can t believe

what we don't understand In Supernatural Michael Heiser helps us to do both It may open your eyes to the scripture in a new way John Ortberg author of If You Want to Walk on Water You've Got to Get Out of the Boat **The Bible, Dimensions, and the Spiritual Realm** Jeff Rhoades, 2021-08-16 *Heaven and the Afterlife* Erwin W. Lutzer, 2016-05-13 Get ready for life after death Combining three books that together have sold nearly 1 million copies Heaven and the Afterlife gives you Erwin Lutzer's best reflections on eternity and what it means for you today The trilogy includes One Minute After You Die A simple and moving explanation of what the Bible teaches about death this book makes you consider a sobering truth one minute after you die your life will not be over Rather it will be just beginning in a place of unimaginable bliss or indescribable gloom Are you ready for that moment How You Can Be Sure You Will Spend Eternity with God summarizes the Bible's teaching on salvation answering questions like What role do I play in my own salvation Can I lose my salvation if I commit a serious sin What if I doubt that I'm saved Your Eternal Reward This book explores the often overlooked Scriptures about reward and judgment for Christians answering questions like How will believers be judged Do rewards for faithfulness vary If heaven is perfect why do rewards even matter Together these books will help you live faithfully today readying you for that final hour when you meet your Maker *Demons* Michael S. Heiser, 2020-04-29 The truth about demons is far stranger and even more fascinating than what's commonly believed Are demons real Are they red creatures with goatees holding pitchforks and sitting on people's shoulders while whispering bad things Did a third of the angels really rebel with Satan Are demons and principalities and powers just terms for the same entities or are they different members of the kingdom of darkness Is the world a chaotic mess because of what happened in Eden or is there more to the story of evil What people believed about evil spiritual forces in ancient biblical times is often very different than what people have been led to believe about them today And this ancient worldview is missing from most attempts to treat the topic In Demons Michael Heiser debunks popular presuppositions about the very real powers of darkness Rather than traditions stories speculations or myths Demons is grounded in what ancient people of both the Old and New Testament eras believed about evil spiritual forces and in what the Bible actually says You'll come away with a sound biblical understanding of demons supernatural rebellion evil spirits and spiritual warfare **The Invisible War** Chip Ingram, 2015-08-25 Some Christians believe strongly in the existence of demons and spiritual warfare Others downplay or even ignore the idea With such divergent views how are Christians supposed to know the truth about demonic forces at work in this world The Invisible War examines what every believer needs to know about Satan demons and spiritual warfare offering a balanced look at this controversial subject This provocative book will help Christians understand what the Bible says about these threats and will show them how they can safeguard themselves and their families through prayer Now repackaged for a new generation The Invisible War offers a balanced look at what is going on in the spiritual realm and what believers can do to defend themselves Spirit, Soul, and Body Andrew Wommack, 2018-12-18 Have you ever asked yourself what changed when you were born again You look in the

mirror and see the same reflection your body hasn't changed. You find yourself acting the same and yielding to those same old temptations that didn't seem to change either. Reversing Hermon Michael S. Heiser, 2017-03-15 Reversing Hermon is a groundbreaking work It unveils what most in the modern Church have never heard regarding how the story of the sin of the Watchers in 1 Enoch 6:1-6 helped frame the mission of Jesus the messiah Jews of the first century expected the messiah to reverse the impact of the Watchers transgression For Jesus' day the Watchers were part of the explanation for why the world was so profoundly depraved The messiah would not just revoke the claim of Satan on human souls and estrangement from God solving the predicament of the Fall He would also not only bring the nations back into relationship with the true God by defeating the principalities and powers that governed them Jews also believed that the messiah would rescue humanity from self destruction the catalyst for which was the sin of the Watchers and the influence of what they had taught humankind The role of Enoch's retelling of Genesis 6:1-4 in how New Testament writers wrote of Jesus and the cross has been largely lost to a modern audience Reversing Hermon rectifies that situation Topics include How the ancient Mesopotamian story of the apkallu aligns with Gen 6:1-4 was preserved in 1 Enoch and sets the stage for the theme of reversing the evil of the Watchers How the theme of reversing the transgression of the Watchers colors the gospel accounts of the birth of Jesus his genealogy and his ministry How the writings of Peter and Paul allude to the sin of the Watchers and present Jesus as overturning the disastrous effects of their sins against humanity How the descriptions of the antichrist the end times Day of the Lord and the final judgment connect to Genesis 6 and the nephilim Though every topic addressed in Reversing Hermon can be found in scholarly academic literature Reversing Hermon is the first book to gather this information and make it accessible to Bible students everywhere
