relatively short interval between the completion of the manuscript and its publication archaeologists linguists and other scientists have offered a coastal theory in lieu of the frozen trekking one to account for man's arrival in the Americas in ships as this volume has concluded These experts have suddenly discovered 2 000 years of missing civilization in the words of a Yale University scholar confirming this book s conclusion and are now linking the beginnings of such civilizations to those of the Old World as Sumerian texts and biblical verses For the first time the entire Earth Chronicles series is now available in a hardcover collector s edition The City of Dusk Tara Sim, 2022-03-22 This dark epic fantasy follows the heirs of four noble houses each gifted with a divine power as they form a tenuous alliance to keep their kingdom from descending into a realm shattering war The Four Realms Life Death Light and Darkness all converge on the city of dusk For each realm there is a god and for each god there is an heir But the gods have withdrawn their favor from the once vibrant and thriving city And without it all the realms are dying Unwilling to stand by and watch the destruction the four heirs Risha a necromancer struggling to keep the peace Angelica an elementalist with her eyes set on the throne Taesia a shadow wielding roque with rebellion in her heart and Nik a soldier who struggles to see the light will sacrifice everything to save the city But their defiance will cost them dearly Father of the Gods Abhishek Roy, 2015-08-01 A traumatic day in the orphanage in London throws two 17 year old boys into a quest for the unknown and a fight for survival While being chased by dangerous people they travel to India and then to Japan and to the lap of the origin of civilization in Europe discovering age old mysteries like the secret of the Yeti of the Himalayas and the secret of the Daruma Dolls in Japan They encounter teleporters operated by humans from a parallel earth whose human citizens declare themselves to be ancient Norse Gods and are caught up in a web of four millennia of hidden history which could destroy Earth as we know it Will they be able to make their way to the other dimension Will they find their fathers and in the process discover the all consuming secret of the Father of the Gods which is an integral part of every myth and culture across the world THE DIMENSIONS BOOK ONE STARTS AN ADVENTURE WHICH THREATENS TO UNRAVEL THE ORIGIN OF HUMANS ITSELF Realms of the Gods Tamora Pierce, 2009-10-29 Daine and Numair are suddenly swept into the otherworldly home of the gods after facing certain death on earth But they cannot remain there for long because they are both needed to help fight the desparate battle raging in Tortall And so they undertake the dangerous journey back to earth a journey that will teach them a great deal about life and about each other a journey that will lead to the startling culmination of the conflicts both mortal and immortal that have long plagued Tortall
