Frederick Douglass many women played on the fears of white supremacists for political gain rather than take an intersectional approach to liberation Here Davis not only contextualizes the legacy and pitfalls of civil and women s rights activists but also discusses Communist women the murder of Emmitt Till and Margaret Sanger s racism Davis shows readers how the inequalities between Black and white women influence the contemporary issues of rape reproductive freedom housework and child care in this bold and indispensable work *Our Word is Our Weapon* Subcomandante Marcos,2011-01-04 In this landmark book Seven Stories Press presents a powerful collection of literary philosophical and political writings of the masked Zapatista spokesperson Subcomandante Insurgente Marcos Introduced by Nobel Prize winner Jos Saramago and illustrated with beautiful black and white photographs *Our Word Is Our Weapon* crystallizes the passion of a rebel the poetry of a movement and the literary genius of indigenous Mexico Marcos first captured world attention on January 1 1994 when he and an indigenous guerrilla group calling themselves Zapatistas revolted against the Mexican government and seized key towns in Mexico s southernmost state of Chiapas In the six years that have passed since their uprising Marcos has altered the course of Mexican politics and emerged an international symbol of grassroots movement building rebellion and democracy The prolific stream of poetic political writings tales and traditional myths that Marcos has penned since January 1 1994 fill more than four volumes *Our Word Is Our Weapon* presents the best of these writings many of which have never been published before in English Throughout this remarkable book we hear the uncompromising voice of indigenous communities living in resistance expressing through manifestos and myths the universal human urge for dignity democracy and liberation It is the voice of a people refusing to be forgotten the voice of Mexico in transition the voice of a people struggling for democracy by using their word as their only weapon *The Great Divergence* Kenneth Pomeranz,2021-04-13 A landmark comparative history of Europe and China that examines why the Industrial Revolution emerged in the West *The Great Divergence* sheds light on one of the great questions of history Why did sustained industrial growth begin in Northwest Europe Historian Kenneth Pomeranz shows that as recently as 1750 life expectancy consumption and product and factor markets were comparable in Europe and East Asia Moreover key regions in China and Japan were no worse off ecologically than those in Western Europe with each region facing corresponding shortages of land intensive products Pomeranz s comparative lens reveals the two critical factors resulting in Europe s nineteenth century divergence the fortunate location of coal and access to trade with the New World As East Asia s economy stagnated Europe narrowly escaped the same fate largely due to favorable resource stocks from underground and overseas This Princeton Classics edition includes a preface from the author and makes a powerful historical work available to new readers **From Crow-scaring to Westminster** George Edwards,1922 **Twitter and Tear Gas** Zeynep Tufekci,2017-05-16 A firsthand account and incisive analysis of modern protest revealing internet fueled social movements greatest strengths and frequent challenges To understand a thwarted Turkish coup an anti Wall Street encampment and a packed Tahrir Square we must

First Timers and Old Timers Kenneth L. Untiedt, 2012 The Texas Folklore Society has been alive and kicking for over one hundred years now and I don t really think there s any mystery as to what keeps the organization going strong The secret to our longevity is simply the constant replenishment of our body of contributors We are especially fortunate in recent years to have had papers given at our annual meetings by new members young members many of whom are college or even high school students These presentations are oftentimes given during sessions right alongside some of our oldest members We ve also had long time members who ve been around for years but had never yet given papers thankfully they finally took the opportunity to present their research fulfilling the mission of the TFS to collect preserve and present the lore of Texas and the Southwest You ll find in this book some of the best articles from those presentations The first fruits of our youngest or newest members include Acayla Haile on the folklore of plants Familiar and well respected names like J Rhett Rushing and Kenneth W Davis discuss folklore about monsters and the classic widow s revenge tale These works and the people who produced them represent the secret behind the history of the Texas Folklore Society as well as its future

Red Virgin Louise Michel, 1981 Personal memoirs of influential French feminist socialist and radicalist Louise Michel a participant and observer in the Paris Commune Louise Michel was born illegitimate in 1830 and became a schoolmistress in Paris She was involved in radical activities during the twilight of France s Second Empire and during the Franco Prussian War of 1870 and the siege of Paris She was a leading member of the revolutionary groups controlling Montmartre Michel emerged as one of the leaders of the insurrection during the Paris Commune of March May 1871 and French anarchists saw her as martyr and saint the Red Virgin These are her memoirs When the Versailles government

crushed the Commune in May 1871 Michel was sentenced to exile in New Caledonia until the general amnesty of 1880 when she returned to France and great popular acclaim and support from the working people of the country Michel was arrested again during a demonstration in Paris in 1883 and sentenced to six years in prison Pardoned after three years she continued her speeches and writing although she spent the greater part of her time from 1890 until her death in 1905 in England in self imposed exile It was during her prison term from 1883 to 1886 that she compiled her Memoires now available in English These memoirs offer readers a view of the non Marxist left and give an in depth look into the development of the revolutionary spirit The early chapters treat her childhood the development of her revolutionary feelings and her training as a schoolteacher The next section describes her activities as a schoolteacher in the Haute Marne and Paris and therefore contains much of interest on education in 19th century Europe Her chapters on the siege of Paris the Commune and her first trial show those events from the point of view of a major participant Of particular interest is a chapter on women s rights which Michel saw as part of the search for the rights of all people male and female and not as a separate struggle The Red Virgin Memoirs of Louise Michel will be useful to both scholars and students of 19th century French history and women s studies
