**The Rules of Half** Jenna Patrick, 2017-06-06 If Will Fletcher's severe bipolar disorder isn't proof he shouldn't be a parent his infant daughter's grave is. Once a happily married successful veterinarian he now lives with his sister and thrives as the small town crazy of Half Moon Hollow. But when a fifteen year old orphan claims she's his daughter Will is forced back into the role he fears most fatherhood. Her biological dad isn't the hero Regan Whitmer hoped for but he's better than her abusive stepfather back in Chicago. Still haunted by her mother's suicide and the rebellious past she fears led to it Regan is desperate for a stable home and a normal family things Will can't offer. Can she ride the highs and lows of his illness to find a new definition of family? The Rules of Half explores what it is to be an atypical family in a small town and to be mentally ill in the wake of a tragedy and who has the right to determine both.

**Her Secret Affair** Arlene James, 2012-04-16 THE MILLIONAIRE'S SEDUCTION Chey Simmons had entered Brodie Todd's world as part of a business contract. So why did she find her powerful handsome client so unnerving and intriguing? Chey didn't know. She only knew that getting involved with the elusive millionaire single father could be dangerous to her heart. When Brodie took Chey into his arms he knew this woman had a hold on him like no other. But Brodie's life was filled with commitments that kept him from claiming Chey as his own and a scandal that threatened to tear them apart forever. And yet once they yielded to soulstirring desire Brodie knew there was no turning back. That somehow some way this woman was bound to be his.

**Bombarded** Cyrus Krohn, Tom Farmer, 2020-10-10 Imagine an imminent America where citizens are bombarded with personalized political messages from every smart device yet information is so suspect nobody can tell what the truth is. It means oceans of disinformation engineered to sow false beliefs or simply disorient. The coronavirus pandemic provided a foretaste of an infuriating dystopian future. From the start Americans fought over the most basic facts of the crisis from death tolls to quack cures to the wisdom of stay at home orders. The splintered digital infosphere bred confusion and delusion some of it fatal. Now think of our campaigns and elections. The digital information age means more than hyper targeted just for you messages from insurance companies and presidential candidates alike. Big Data is on the way to fueling information environments so fine tuned no two of us hold the same view of reality and no two voters hear the same pitch. Already citizens don't know who to trust or what to believe about COVID 19 or anything else. If we ask nothing more of tech providers or digital citizens the fog will continue to thicken. Irritation will merge into despair and then numbness and democracy teeters. Digital pioneer Cyrus Krohn knows the territory and in Bombarded How to Fight Back Against the Online Assault on Democracy Krohn locates the roots of our blooming political chaos in the earliest days of the World Wide Web. But he goes beyond recounting 25 years of destabilizing Internet shock waves and his own role in building digital culture. Krohn rolls out a provocative action plan for rescuing the American system of campaigns and elections while there is still time. Trying to shield yourself from disinformation and deep fakes Cyrus Krohn offers a five step program to fight back. This book rings true. Jill Dougherty Former CNN Moscow Bureau
