Reason Revelation And The Foundations Of Political Philosophy

James V. Schall

Reason Revelation And The Foundations Of Political Philosophy:

Reason, Revelation, and the Foundations of Political Philosophy James V. Schall, 1987 **Reason, Revelation, and the Foundations of Political Philosophy** James V. Schall (s.j.), 1987 Reason and Character Lorraine Smith Pangle, 2024-06-05 A close and selective commentary on Aristotle's Nicomachean Ethics offering a novel interpretation of Aristotle's teachings on the relation between reason and moral virtue What does it mean to live a good life or a happy life and what part does reason play in the quest for fulfillment Lorraine Smith Pangle shows how Aristotle's arguments for virtue as the core of happiness and for reason as the guide to virtue emerge in response to Socrates's paradoxical claim that virtue is knowledge and vice is ignorance Against Socrates Aristotle does justice to the effectual truth of moral responsibility that our characters do indeed depend on our own voluntary actions But he also incorporates Socratic insights into the close interconnection of passion and judgment and the way passions and bad habits work not to overcome knowledge that remains intact but to corrupt the knowledge one thinks one has Reason and Character presents fresh interpretations of Aristotle's teaching on the character of moral judgment and moral choice on the way reason finds the mean especially in justice and on the relation between practical and theoretical wisdom **The Religious Beliefs of America's Founders** Gregg L. Frazer, 2014-08-15 Were America's Founders Christians or deists Conservatives and secularists have taken each position respectively mustering evidence to insist just how tall the wall separating church and state should be Now Gregg Frazer puts their arguments to rest in the first comprehensive analysis of the Founders' beliefs as they themselves expressed them showing that today's political right and left are both wrong Going beyond church attendance or public pronouncements made for political ends Frazer scrutinizes the Founders' candid declarations regarding religion found in their private writings Distilling decades of research he contends that these men were neither Christian nor deist but rather adherents of a system he labels theistic rationalism a hybrid belief system that combined elements of natural religion Protestantism and reason with reason the decisive element Frazer explains how this theological middle ground developed what its core beliefs were and how they were reflected in the thought of eight Founders John Adams Thomas Jefferson Benjamin Franklin James Wilson Gouverneur Morris James Madison Alexander Hamilton and George Washington He argues convincingly that Congregationalist Adams is the clearest example of theistic rationalism that presumed deists Jefferson and Franklin are less secular than supposed and that even the famously taciturn Washington adheres to this theology He also shows that the Founders held genuinely religious beliefs that aligned with morality republican government natural rights science and progress Frazer's careful explication helps readers better understand the case for revolutionary recruitment the religious references in the Declaration of Independence and the religious elements and lack thereof in the Constitution He also reveals how influential clergymen backing their theology of theistic rationalism with reinterpreted Scripture preached and published liberal democratic theory to justify rebellion Deftly blending history religion and political thought Frazer succeeds in showing

that the American experiment was neither a wholly secular venture nor an attempt to create a Christian nation founded on biblical principles By showcasing the actual approach taken by these key Founders he suggests a viable solution to the twenty first century standoff over the relationship between church and state and challenges partisans on both sides to articulate their visions for America on their own merits without holding the Founders hostage to positions they never held

Leo Strauss and the Theologico-Political Problem Heinrich Meier,2006-12-25 This book by one of the most prominent interpreters of Leo Strauss s thought was the first to address the problem that Leo Strauss himself said was the theme of his studies the theologico political problem or the confrontation with the theological and the political alternative to philosophy as a way of life In his theologico political treatise which comprises four parts and an appendix Heinrich Meier clarifies the distinction between political theology and political philosophy and reappraises the unifying center of Strauss s philosophical enterprise The book is the culmination of Meier s work on the theologico political problem It will interest anyone who seeks to understand both the problem caused by revelation for philosophy and the challenge posed by political religious radicalism The appendix makes available for the first time two lectures by Strauss that are immediately relevant to the subject of this book and that will open the way for future research and debate on the legacy of Strauss **Liberty, Wisdom, and Grace**

John Hittinger,2002-01-01 Liberty Wisdom and Grace is a comprehensive survey of the Thomists contributions to contemporary political thought as well as a detailed analysis of their approach to democracy **Leo Strauss** Kenneth L. Deutsch,Walter Nicgorski,1994 In this book 19 prominent representatives of each side in the basic division among Strauss s followers explore his contribution to political philosophy and Jewish thought The volume presents the most extensive analysis yet published of Strauss s religious heritage and how it related to his work and includes Strauss s previously unpublished Why We Remain Jews an extraordinary essay concerned with the challenge posed to Judaism by modern secular thought The extensive introduction interrelates the major themes of Strauss s thought *Leo Strauss and the Crisis of Rationalism*

Corine Pelluchon,2014-02-01 Examines the German and Jewish sources of Strauss s thought and the extent to which his philosophy can shed light on the crisis of liberal democracy How can Leo Strauss s critique of modernity and his return to tradition especially Maimonides help us to save democracy from its inner dangers In this book Corine Pelluchon examines Strauss s provocative claim that the conception of man and reason in the thought of the Enlightenment is self destructive and leads to a new tyranny Writing in a direct and lucid style Pelluchon avoids the polemics that have characterized recent debates concerning the links between Strauss and neoconservatives particularly concerns over Strauss s relation to the extreme right in Germany Instead she aims to demystify the origins of Strauss s thought and present his relationship to German and Jewish thought in the early twentieth century in a manner accessible not just to the small circles devoted to the study of Strauss but to a larger public Strauss s critique of modernity is she argues constructive he neither condemns modernity as a whole nor does he desire a retreat back to the Ancients where slaves existed and women were not considered

citizens The question is to know whether we can learn something from the Ancients and from Maimonides and not merely about them *The Mind That Is Catholic* James V. Schall, 2011-01-30 In this wide ranging collection of philosophical essays the acclaimed Catholic intellectual presents his vision of Catholic thought applied in the world In *The Mind That Is Catholic* political philosopher and Catholic intellectual James V Schall presents a retrospective collection of his academic and literary essays written in the past fifty years In these essays exploring topics from war to friendship philosophy politics and everyday living Schall exemplifies the Catholic mind at its best According to Schall the Catholic mind seeks to recognize a consistent and coherent relation between the solid things of reason and the definite facts of revelation It seeks to understand how they belong together each profiting from the other It respects what can be known by faith alone but does not exclude the intelligibility of what is revealed In these contemplative and insightful essays Schall shares a lifetime of study in political philosophy a wide ranging discipline and perhaps the most vital context in which reason and revelation meet Father James V Schall is one of the few renaissance men still among us His knowledge of various areas of reality and human endeavor is encyclopedic Kenneth Baker S J editor *Homiletic Pastoral Review* *The Nature of Political Philosophy* James V. Schall, 2022-10-02 In his final collection of essays Father Schall explores the life of faith across a dazzling array of subjects from Martin Luther to bioethics With his characteristic patience brilliance and careful tenacity Father Schall interrogates profoundly what it means to try to be a citizen of the Kingdom of God in the city of Man Never shying away from controversy across 14 articles and 4 book reviews Father Schall investigates the critical themes of his life and scholarship reason and revelation the nature of modernity literature and salvation metaphysics and politics and much more Whether the reader is new to Father Schall or a longtime student this posthumously published collection of essays offers a profound meditation on the nature of political philosophy and particularly what it would mean for Catholicism to offer a political philosophy From such fundamental considerations Schall explores ethical literary and legal themes displaying his typical breadth and depth of engagement with all that is real Ultimately Father Schall leads one on a Socratic enterprise an education whereby one comes to question for oneself basic assumptions and to dig deeper into the first principles as they are recalled in the orders of knowledge and being While Father Schall has passed on to his reward this collection of essays helps ensure that his lessons continue to guide challenge and enrich students for generations to come *Leo Strauss and His Catholic Readers* Geoffrey M. Vaughan, 2018-05-11 This book looks at the work and influence of Leo Strauss in a variety of ways that will be of interest to readers of political philosophy It will be of particular interest to Catholics and scholars of other religious traditions Strauss had a great deal of interaction with his contemporary Catholic scholars and many of his students or their students teach or have taught at Catholic colleges and universities in America *Leo Strauss and His Catholic Readers* brings together work by scholars from two continents some of whom knew Strauss one of whom was his student at the University of Chicago The first section of essays considers Catholic responses to Strauss s project of recovering Classical natural right as against modern

individual rights Some of the authors suggest that his approach can be a fruitful corrective to an uncritical reception of modern ideas Nevertheless most point out that the Catholic cannot accept all of Strauss s project The second section deals with areas of overlap between Strauss and Catholics Some of the chapters explore encounters with his contemporary scholars while others turn to more current concerns The final section approaches the theological political question itself a question central to both Strauss s work and that of the Catholic intellectual tradition This section of the book considers the relationship of Strauss s work to Christianity and Christian commitments at a broader level Because Christianity does not have an explicit political doctrine Christians have found themselves as rulers subjects and citizens in a variety of political regimes Leo Strauss s return to Platonic political philosophy can provide a useful lens through which his Catholic readers can assess what it means for there to be a best regime *Roman Catholic Political Philosophy* James V. Schall,2006-08-01 In *Roman Catholic Political Philosophy* author James V Schall tries to demonstrate that Roman Catholicism and political philosophy revelation and reason are not contradictory It is his contention that political philosophy the primary focus of the book asks certain questions about human purpose and destiny that it cannot by itself answer Revelation is the natural complement to these important questions about God human being and the world Schall manages to avoid polemicism or triumphalism as he shows that revelation and political thought contribute to a fuller understanding of each other Jacques Maritain James V. Schall,2000-01-01 The engaging and inquiring mind of French philosopher Jacques Maritain reflected on subjects as varied as art and ethics theology and psychology and history and metaphysics Maritain s work on the theoretical groundings of politics arose from his diverse studies In this book distinguished theologian and political scientist James V Schall explores Maritain s political philosophy demonstrating that Maritain understood society state and government in the tradition of Aristotle and Aquinas of natural law and human rights and duties Schall pays particular attention to the ways in which evil appears in political forms and how this evil can be morally dealt with Schall s study will be of great importance to students and scholars of political science philosophy and theology The Structure of Political Thought Charles N. R. McCoy,2017-07-05 Originally published in 1963 this classic book is a rethinking of the history of Western political philosophy Charles N R McCoy contrasts classical medieval principles against the hypotheses at the root of modern liberalism and modern conservatism In Part I *The Classical Christian Tradition* from Plato to Aquinas the author lays the foundation for a philosophical structure capable of producing constitutional liberty Part II *The Modern Theory of Politics* from Machiavelli to Marx attempts to show beginning with Machiavelli the reversal and destruction of the pre modern structure postulated in Part I McCoy stresses the great contributions of Aristotle to political thought found in his more familiar *Ethics* and *Politics* but also includes key insights drawn from *Metaphysics* and *Physics* These contributions are developed and perfected McCoy argues by Augustine and Aquinas Two other important features include McCoy s epistemological insights into Plato s work that will be new to many readers and the author s juxtaposition of traditional natural law with the modernized theory of

natural law The modern account of autonomous natural law in McCoy's view helps explain the totalitarian direction of key aspects of modern political thought This classic volume on the origins of modern philosophical thought remains a standard in the field

A Thomistic Tapestry, 2021-12-28 This book written by well known students of St Thomas Aquinas and especially dedicated to Armand A Maurer helps inaugurate a long overdue special series in philosophy honoring Gilson's legendary scholarship It presents wide ranging expositions of Thomist realism in the tradition of Gilsonian humanism covering themes related to philosophy in general historical method aesthetics metaphysics epistemology and politics

Reason, Revelation, and the Civic Order Paul R. DeHart, Carson Holloway, 2014 Intro Contents Acknowledgments Introduction Carson Holloway and Paul R DeHart PART I Believing in Order to Understand 1 Heinrich Meier's Straussian Refutation of Revelation Carson Holloway 2 Political Philosophy after the Collapse of Classical Epistemic Foundationalism Paul R DeHart 3 Eros and Agape Revisited Robert C Koons PART II Faith and the Foundations of Political Order 4 The Strange Second Life of Confessional States J Budziszewski 5 Defending the Personal Logos Today Peter Augustine Lawler 6 Pierre Manent Ralph C Hancock 7 Catholicism and the Constitution James R Stoner Jr PART III Faith and Contemporary Political Thought 8 Beholden to Revelation Micah Watson 9 Fides Ratio et Juris Francis J Beckwith 10 Richard Rorty's Secular Gods and Unphilosophic Philosophers Luigi Bradizza 11 Converting Secularism R J Snell Contributor Biographies Index

The Differentiation of Authority James Greenaway, 2012-04-04 In this study James Greenaway explores the philosophical continuity between contemporary Western society and the Middle Ages Allowing for genuinely modern innovations he makes the claim that the medieval search for order remains fundamentally unbroken in our search for order today

Thomas More Travis Curtright, 2015-09-10 The year 2015 marks the 15th anniversary of St Pope John Paul II's promulgation of Thomas More as Patron Saint of Statesmen and Politicians Yet during these years no serious answer has been given by a community of scholars as to why More was named such What were More's guiding principles of leadership and in what ways might they remain applicable This collection of essays addresses these questions by investigating More through his writings his political actions and in recent artistic depictions

Augustine's Political Thought Richard J. Dougherty, 2019 This important collection reveals that Augustine's political thought drew on and diverged from the classical tradition contributing to the study of questions at the center of all Western political thought

Francis Bacon's New Atlantis in the Foundation of Modern Political Thought Kimberly Hurd Hale, 2013-10-10 The relationship between technology philosophy and politics is both contentious and vital to our understanding of human nature and the ways human beings interact with one another in society Francis Bacon outlined the wild potential and great danger of this relationship This book explores Bacon's role as a founder of modern political science and the place of his New Atlantis in the founding of modern political thought

Reason Revelation And The Foundations Of Political Philosophy Introduction

In the digital age, access to information has become easier than ever before. The ability to download Reason Revelation And The Foundations Of Political Philosophy has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Reason Revelation And The Foundations Of Political Philosophy has opened up a world of possibilities. Downloading Reason Revelation And The Foundations Of Political Philosophy provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Reason Revelation And The Foundations Of Political Philosophy has democratized knowledge.

Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Reason Revelation And The Foundations Of Political Philosophy. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Reason Revelation And The Foundations Of Political Philosophy. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Reason Revelation And The Foundations Of Political Philosophy, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Reason Revelation And The Foundations Of Political Philosophy has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of

continuous learning and intellectual growth.

FAQs About Reason Revelation And The Foundations Of Political Philosophy Books

What is a Reason Revelation And The Foundations Of Political Philosophy PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it.

How do I create a Reason Revelation And The Foundations Of Political Philosophy PDF? There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF.

How do I edit a Reason Revelation And The Foundations Of Political Philosophy PDF? Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities.

How do I convert a Reason Revelation And The Foundations Of Political Philosophy PDF to another file format? There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats.

How do I password-protect a Reason Revelation And The Foundations Of Political Philosophy PDF? Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities.

Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities.

How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download.

Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information.

Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
