## **Reason For The Hope Within:**

Gift and Award Bible-KJV Hendrickson Bibles,Hendrickson Publishers,2011-02 The beloved and timeless King James Version is made available in an affordable quality edition for Sunday schools Bible clubs church presentations and giveaways This handsome award Bible will withstand heavy use thanks to better quality paper and supple but sturdy cover material Includes full color maps A great way to honor special achievements at a budget conscious price      **Reason for the Hope Within** Michael J. Murray,1999 During the last two decades there has been a renaissance in the field of Christian philosophy Unfortunately most of this excellent work has not reached general readers Reason for the Hope Within was produced specifically to make available the best of contemporary Christian philosophy in a clear accessible and highly relevant manner Fourteen of America s rising Christian philosophers here cover many of the traditional themes of Christian apologetics arguments for the existence of God the problem of evil the possibility of miracles as well as topics of special relevance to today s world Eastern religions Christianity and science Christianity and ethics the existence of heaven and hell      **The Reason for My Hope** Billy Graham,2013-10-22 The saving message of the Gospel is the heartbeat of this preacher and evangelist Millions around the world heard Billy Graham proclaim this unchanging truth He never forgot the transformation of his own life when he first said yes to God s gift of salvation and he witnessed multitudes turn their hearts to the God of Hope What is the most hopeful word in History For Billy Graham that word is SALVATION Billy Graham proclaimed God s Gospel with resolve and deep compassion It is a message he preached for more than seventy years And in this book you will sense its urgency filled with hope for the future Salvation is what we all long for when we are lost or in danger or have made a mess of our lives And salvation belongs to us when we reach out for the only One who can rescue us Jesus The Reason for My Hope Salvation presents the essence of that transformative message It is biblical and timeless and though simple and direct it is far from easy There are hard words prophetic words directed toward a culture that denies the reality of sin and distracts us from the veracity of Hell But through its ominous warnings shines a light that cannot be extinguished a beacon of hope that Jesus came to seek and to save that which was lost Luke 19 10      **The New Testament of Our Lord and Saviour Jesus Christ** ,1867      *How to Give Away Your Faith* Paul E. Little,2014-06-18 Now including a study guide for individuals or groups this thoroughly revised version of How to Give Away Your Faith communicates Paul Little s natural brand of evangelism as winsomely as ever      **Filling Up the Afflictions of Christ** John Piper,2009 Volume five in Piper s acclaimed The Swans Are Not Silent series powerfully illustrates through the lives of Tyndale Judson and Paton that the gospel advances through the sacrifices of Christ s ambassadors      **Seeing and savouring Jesus Christ** JOHN PIPER,2020-05-21 Who is Jesus Christ You ve never met Him in person and you don t know anyone who has But there is a way to know who he is How Jesus Christ the divine Person revealed in the Bible has a unique excellence and a spiritual beauty that speaks directly to our souls and says Yes this is truth It s like seeing the sun and knowing that it is light or tasting

honey and knowing that it is sweet The depth and complexity of Jesus shatter our simple mental frameworks He baffled proud scribes with his wisdom but was understood and loved by children He calmed a raging storm with a word but would not get himself down from the cross Look at the Jesus of the Bible Keep your eyes open and fill them with the portrait of Jesus in God's Word Jesus said If anyone's will is to do God's will He will know whether the teaching is from God or whether I am speaking on my own authority Ask God for the grace to do His will and you will see the truth of His Son John Piper has written this book in the hope that all will see Jesus for who he really is and will come to enjoy him above all else *Let Creation Rejoice* Jonathan A. Moo, Robert S. White, 2014-05-02 The Bible is full of images of God caring for his creation in all its complexity Yet experts warn us that a so called perfect storm of factors threatens the future of life on earth The authors assess the evidence for climate change and other threats that our planet faces in the coming decades while pointing to the hope God offers the world and the people he made

**Reasonable Faith** William Lane Craig, 2008 Perfect as a textbook yet excellent for lay readers this updated edition builds a positive case for Christianity by applying the latest thought to core theological themes J Gresham Machen once said False ideas are the greatest obstacles to the reception of the gospel which makes apologetics that much more important Wanting to engage not just academics and pastors but Christian laypeople and seekers William Lane Craig has revised and updated key sections in this third edition of his classic text to reflect the latest work in astrophysics philosophy probability calculus the arguments for the existence of God and Reformed epistemology His approach that of positive apologetics gives careful attention to crucial questions and concerns including the relationship of faith and reason the existence of God the problems of historical knowledge and miracles the personal claims of Christ and the historicity of the resurrection of Jesus He shows that there is good reason to think Christianity is true As Craig says If you have a sound and persuasive case for Christianity you don't have to become an expert in comparative religions and Christian cults A positive justification of the Christian faith automatically overwhelms all competing world views lacking an equally strong case

**Hope in Times of Fear** Timothy Keller, 2021-03-09 The Resurrection accounts of Jesus in the Gospels are the most dramatic and impactful stories ever told One similarity unites each testimony that none of his most loyal and steadfast followers could see it was him back from the dead The reason for this is at the very foundation of the Christian faith She turned around and saw Jesus standing there but she did not realize that it was Jesus John 20 14 Hope in the Time of Fear is a book that unlocks the meaning of Jesus's resurrection for readers Easter is considered the most solemn and important holiday for Christians It is a time of spiritual rebirth and a time of celebrating the physical rebirth of Jesus after three days in the tomb For his devoted followers nothing could prepare them for the moment they met the resurrected Jesus Each failed to recognize him All of them physically saw him and yet did not spiritually truly see him It was only when Jesus reached out and invited them to see who he truly was that their eyes were open Here the central message of the Christian faith is revealed in a way only Timothy Keller could do it filled with unshakable belief piercing insight and a profound new way to look at a story you think you know After reading this book the true meaning of Easter will no longer be unseen *Radical* David Platt, 2010-05-04 New York Times bestseller What is Jesus worth to you It's easy for American Christians to forget how Jesus said his followers would actually live what their new lifestyle would actually look like They would leave behind security money convenience even family for him They would abandon everything for the gospel They would take up their crosses daily But who do you know who lives like that Do you In *Radical* David Platt challenges you to consider with an open heart how we have manipulated the gospel to fit our cultural preferences He shows what Jesus actually said about being his disciple then invites you to believe and obey what you have heard And he tells the dramatic story of what is happening as a successful suburban church decides to get serious about the gospel according to Jesus Finally he urges you to join in The Radical Experiment a one year journey in authentic discipleship that will transform how you live in a world that desperately needs the Good News Jesus came to bring **The Hope Within** Tracie Peterson, 2005-03 Tragedy may tear the Selby family apart in this riveting conclusion to Tracie Peterson's wonderful and bestselling Montana saga **When I Don't Desire God** John Piper, 2004 Explaining how to become a Christian hedonist a bestselling author offers guidance on how to find spiritual joy to readers who are unsure of where to seek it **Reasons for Faith (Foreword by Lee Strobel)** Norman L. Geisler, Chad V. Meister, 2007-10-26 Many Christians want to witness for their faith but they are afraid they will not be able to answer questions that others may ask of them First Peter 3 15 reminds believers to always be prepared to make a defense to anyone who asks you for a reason for the hope that is in you Norman Geisler and Chad Meister realize the fear of facing questions about the Christian faith Their book *Reasons for Faith* gives believers grounded biblical apologetics to help them defend their faith By covering the importance of apologetics and then applying apologetics to popular culture and theological issues these authors give all Christians the tools they need to stand firm in their faith and to be able to share that faith in today's society Reason of the Hope Ronie F. Magcamit, 2020-04-08 For many years the secular world has treated the

word faith as a jargon that cannot be proven by anything tangible People who still believe in God are considered unreasonable and lack understanding of the real world Sadly some Christians who join churches rely on blind faith with no or very minimal ability to defend their beliefs when they get cross examined by a non believer In Reason of the Hope author Ronie F Magcamit focuses on ten major faith related topics or issues asked by young Christians and secular people He discusses the reliability of scriptures creation versus evolution end time events reformation ten commandments apologetics life and miracles of Jesus teachings in parables the resurrection of Christ and the second coming of Jesus Ronie presents some of the usual objections to Christianity and provides practical responses for a new generation of Christians Reason of the Hope encourages you to build your faith in Christ and enables you to help others build their faith as well **Truth Plus**

**Love** Matt Brown,2019-04-23 Imagine what our world might look like if Christians became known for remarkable love as well as life giving truth The stakes are high and the need is great for Christians to represent Jesus to a watching world And today we have more influence than ever before for better and for worse We are among the first generations to have access to a global megaphone through social media But it s not enough to speak truth louder to a noisy culture To counter the reputation Christians have earned our love must be just as loud Ask evangelist Matt Brown and he will tell you Christians today are facing a crisis of influence In our rush to speak truth to today s tensions cultural issues and trending controversies it becomes all too easy to focus on proving our points rather than extending God s grace Conversely when we seek only to love yet never proclaim a better way we short circuit God s plan Truth Plus Love invites you to rediscover the biblical framework for engaging culture as ambassadors of Christ Through biblical insight cultural analysis and practical principles Matt Brown outlines how to champion truth without compromise how to love unconditionally and ultimately how to step into this great adventure of representing God to the world It s hard it s messy and it s the unfinished project of a lifetime yet here we find our great adventure representing God to a watching world **A Book of Saints for Catholic Moms** Lisa M.
