Reasonable Ethics A Christian Approach To Social Economic And Political Concerns:

Reasonable Ethics Robert Benne, 2005 Demonstrates how adhering to Christian ethics impacts convictions in political cultural economic and churchly matters *Social Ethics in the Making* Gary Dorrien, 2011-04-06 In the early 1880s proponents of what came to be called the social gospel founded what is now known as social ethics This ambitious and magisterial book describes the tradition of social ethics one that began with the distinctly modern idea that Christianity has a social ethical mission to transform the structures of society in the direction of social justice Charts the story of social ethics the idea that Christianity has a social ethical mission to transform society from its roots in the nineteenth century through to the present day Discusses and analyzes how different traditions of social ethics evolved in the realms of the academy church and general public Looks at the wide variety of individuals who have been prominent exponents of social ethics from academics and self styled public intellectuals through to pastors and activists Set to become the definitive reference guide to the history and development of social ethics Recipient of a CHOICE Outstanding Academic Title for 2009 award Five Views on the Church and Politics J. Brian Benestad, Robert Benne, Bruce Fields, Thomas W. Heilke, James K.A. Smith, 2015-12-15 Learn to think deeply about the relationship between church and state in a way that goes beyond mere policy debates and current campaigns Few topics can grab headlines and stir passions quite like politics especially when the church is involved Considering the attention that many Christian parachurch groups churches and individual believers give to politics and of the varying and sometimes divergent political ideals and aims among them *Five Views on the Church and Politics* provides a helpful breakdown of the possible Christian approaches to political involvement General Editor Amy Black brings together five top notch political theologians in the book each representing one of the five key political traditions within Christianity Anabaptist Separationist the most limited possible Christian involvement in politics represented by Thomas Heilke Lutheran Paradoxical strong separation of church and state represented by Robert Benne Black Church Prophetic the church's mission is to be a voice for communal reform represented by Bruce Fields Reformed Transformationist emphasizes God's sovereignty over all things including churches and governments represented by James K A Smith Catholic Synthetic encouragement of political participation as a means to further the common good of all people represented by J Brian Benestad Each author addresses his tradition's theological distinctives the role of government the place of individual Christian participation in government and politics and how churches should or should not address political questions Responses by each contributor to opposing views will highlight key areas of difference and disagreement Thorough and even handed *Five Views on the Church and Politics* will enable readers to consider the strengths and weaknesses of the most significant Christian views on political engagement and to draw their own informed conclusions The Genius of Luther's Theology Robert Kolb, Charles P. Arand, 2008-02-01 This volume offers a unique approach to the study of the great German reformer Martin Luther Robert Kolb and Charles Arand offer an introduction to two significant themes that form the heart of

Luther's theology The first theme concerns what it means to be truly human For Luther passive righteousness described the believer's response to God's grace But there was also an active righteousness that defined the relationship of the believer to the world The second theme involves God's relation to his creation through his Word first creating and then redeeming the world Clergy and general readers will find here a helpful introduction to Luther's theology and its continuing importance for applying the good news of the gospel to the contemporary world Economics in Christian Perspective Victor V.

Claar, Robin J. Klay, 2015-04-21 Victor Claar and Robin Klay introduce students to the basic principles of economics and then evaluate the principles and issues as seen from a Christian perspective This textbook places the economic life in the context of Christian discipleship and stewardship This text is for use in any course needing a survey of the principles of economics

Journal of the Society of Christian Ethics, 2007 Historical Dictionary of Lutheranism Günther Gassmann, Mark W. Oldenburg, 2011-10-10 The second edition of the Historical Dictionary of Lutheranism presents information on major theological issues historical developments of Lutheranism worldwide Lutheran ecumenical and missionary involvement and activities worship and liturgy spirituality social ethics inter religious and Jewish relations Lutheranism and the arts theology and important representatives of Lutheranism This is done through a detailed chronology an introductory essay an appendix of Lutheran Churches a bibliography and hundreds of cross referenced dictionary entries This book is an excellent access point for students researchers and anyone wanting to know more about Lutheranism Lutheran Forum, 2007 **First Things**, 2008 The Religious Right Glenn H. Utter, John Woodrow Storey, 2007 Timely and unbiased this edition updates and expands its examination of the religious right and its influence on our government citizens society and politics From the fight to outlaw the teaching of Darwin's theory of evolution to the struggle to outlaw abortion the religious right is continually exerting an influence on public policy *Ethics and Economics* Giuseppe Gaburro, 2012-12-06 Ethics and Economics is divided in two parts In the first one Italian and French catholic thinkers are analysed by well known scholars with basic reference to the economic view of their work In the second part the economic environment is described and proposals based on the social catholic thought for the solution of the most diffused economic problems are given The book therefore furnishes an alternative approach to the orthodox economic analysis and for this reason it may be a useful tool for researchers who wish to compare their theoretical approach with a less conventional one and for scholars who want to examine closely alternative views to the traditional economic models and paradigm **A Primer in Christian Ethics** Luke

Bretherton, 2023-11-09 How does Christian belief and practice relate to living well amid the difficulties of everyday life and the catastrophes and injustices that afflict so many today In his introduction to Christian ethics Bretherton provides a new constructive framework for addressing this question Connecting the theory and practice of Christian moral thought to contemporary existential concerns this book integrates classic approaches to the pursuit of wisdom with contemporary liberationist and critical voices The relationship between human and nonhuman life provides a central focus to the work

foregrounding environmental justice As well as addressing a broad range of ethical questions Bretherton situates moral formation and the pursuit of human and nonhuman flourishing alongside a concern for spirituality pastoral care and political struggles to survive and thrive in the contemporary context Written for those seeking a place to start as well as those seasoned in the field Bretherton's book provides an innovative ethical framework that moves beyond many of the impasses that shape current moral and political debates

Christian Economic Ethics Daniel K. Finn, 2013-08-01 What does the history of Christian views of economic life mean for economic life in the twenty first century Here Daniel Finn reviews the insights provided by a large number of texts from the Bible and the early church to the Middle Ages and the Protestant Reformation to treatments of the subject in the last century Relying on both social science and theology Finn then turns to the implications of this history for economic life today Throughout the book invites the reader to engage the sources and to develop an answer to the volume's basic question

Solidarity Ethics Rebecca Todd Peters, 2014 Rebecca Todd Peters argues for an ethic of solidarity as a new model for how people of faith in the first world can live with integrity in the midst of global injustice and shape a more just future Addressing the economic and social structures of our globalized context Peters shows how a concrete ethics rooted in the Christian tradition of justice and transformation is deeply informed by solidarity and relationality Utilizing these theologically rich resources an ethics of relational reflection action and construction is provided as an avenue for building viable strategies for social transformation

"Are Economists Basically Immoral?" Paul T. Heyne, 2008 A well trained theologian a gifted and dedicated teacher of economics for over forty years and the author of a highly regarded and widely used textbook The Economic Way of Thinking Paul Heyne influenced generations of students of economics Many of the essays in this volume are published here for the first time The editors Geoffrey Brennan and A M C Waterman have divided Heyne's essays thematically to cover three general areas the ethical foundations of free markets the connection between those ethical foundations and Christian thought and the teaching of economics both method and substance Heyne's writings are unique in that he takes the critics of the free market order seriously and addresses their arguments directly showing how they are defective in their understanding of economics and in their ethical and theological underpinnings The engaging style of Heyne's essays makes them accessible to students as well as to scholars Even in discussions of topics well beyond the fundamental level Heyne still succeeds in providing students with an appreciation of basic economic principles

Christians and the Common Good Charles Gutenson, 2011-03-01 Christians across the spectrum have soured on religious involvement in politics tempted either to withdraw or to secularize their public engagement Yet the kingdom of God is clearly concerned with justice and communal well being How can Christians be active in public life without getting mired down in political polarization and controversy For too long the question of faith in public life has centered on what the Bible says about government Charles Gutenson a theologian respected by both evangelical and mainline Christians argues that we should first ask how God intends for us to live together before considering the public

policies and institutions that would best empower living together in that way By concentrating on the nature of God we can move past presuppositions regarding the role of government and engage in healthy discussions about how best to serve the common good This lucidly written book includes a foreword by bestselling author Jim Wallis *Christian Political Ethics* John A. Coleman, 2009-01-10 *Christian Political Ethics* brings together leading Christian scholars of diverse theological and ethical perspectives Catholic Lutheran Calvinist and Anabaptist to address fundamental questions of state and civil society international law and relations the role of the nation and issues of violence and its containment Representing a unique fusion of faith centered ethics and social science the contributors bring into dialogue their own varying Christian understandings with a range of both secular ethical thought and other religious viewpoints from Judaism Islam and Confucianism They explore divergent Christian views of state and society and the limits of each They grapple with the tensions that can arise within Christianity over questions of patriotism civic duty and loyalty to one's nation and they examine Christian responses to pluralism and relativism globalization and war and peace Revealing the striking pluralism inherent to Christianity itself this pioneering volume recasts the meanings of Christian citizenship and civic responsibility and raises compelling new questions about civil disobedience global justice and Christian justifications for waging war as well as spreading world peace It brings Christian political ethics out of the churches and seminaries to engage with today's most vexing and complex social issues The contributors are Michael Banner Nigel Biggar Joseph Boyle Michael G Cartwright John A Coleman S J John Finnis Theodore J Koontz David Little Richard B Miller James W Skillen and Max L Stackhouse *The Impact of Political Economy* Piet Naude, Michael Welker, 2023-05-31 In our late modern pluralistic societies there are tensions and complementarities between a plurality of individual and social claims and activities to shape societal life and a constructive pluralism of what is known as social systems The latter provide normative codes and powers emanating from the areas of law religion the family the market the media education academic research health care defense and politics A better understanding and steering of this complex division of powers is crucial for the common good and for freedom and peace In this volume a multi disciplinary team of experts from Germany Italy Australia the UK the USA and South Africa bring their conceptual empirical and historical insights to bear in three broad sections The moral dimension of social systems The interaction of religion law and education with political systems and The moral mal formation evident in case studies on the global financial crisis and social media **Theology for Changing Times** Christopher R. Baker, Elaine Graham, 2018-09-30 From wealth creation to wealth distribution and social ethics from urban mission to religious studies and psychology the work of John Atherton was breathtaking in scope and variety Unifying all of his work however was a concern with engaging the work of theology with wider society With contributions from some of the leading lights in public theology today this book offers not only an appreciation of John Atherton's work within a prodigiously large array of disciplines but also an attempt to ask what next taking his work forward and considering where the future of public theology might lie John Atherton's last published article

is also reproduced **Moral Issues and Christian Responses** Patricia Beattie Jung,L. Shannon Jung,2012-09-01
Previously published by Cengage Wadsworth this popular anthology for the study of Christian ethics has been a mainstay of undergraduate courses for nearly thirty years Shannon and Patricia Jung provide an introduction to contemporary moral issues from decidedly yet diverse Christian moral perspectives The anthology intentionally seeks a range of voices to produce a kind of point counterpoint discussion of the ethical issue Among the classic issues considered are sexuality and reproductive rights prejudice biomedical ethics the environment immigration terrorism war and globalization New issues include development ethics personal finance and consumerism workplace ethics health care and citizenship
