A Deadly Education Naomi Novik, 2020-09-29 NEW YORK TIMES BESTSELLER From the author of *Uprooted* and *Spinning Silver* comes the first book of the Scholomance trilogy the story of an unwilling dark sorceress who is destined to rewrite the rules of magic FINALIST FOR THE LODESTAR AWARD The dark school of magic I ve been waiting for Katherine Arden author of the *Winternight Trilogy* I decided that Orion Lake needed to die after the second time he saved my life Everyone loves Orion Lake Everyone else that is Far as I m concerned he can keep his flashy combat magic to himself I m not joining his pack of adoring fans I don t need help surviving the Scholomance even if they do Forget the hordes of monsters and cursed artifacts I m probably the most dangerous thing in the place Just give me a chance and I ll level mountains and kill untold millions make myself the dark queen of the world At least that s what the world expects Most of the other students in here would be delighted if Orion killed me like one more evil thing that s crawled out of the drains

Sometimes I think they want me to turn into the evil witch they assume I am The school certainly does But the Scholomance isn't getting what it wants from me And neither is Orion Lake I may not be anyone's idea of the shining hero but I'm going to make it out of this place alive and I'm not going to slaughter thousands to do it either Although I'm giving serious consideration to just one With flawless mastery Naomi Novik creates a school bursting with magic like you've never seen before and a heroine for the ages a character so sharply realized and so richly nuanced that she will live on in hearts and minds for generations to come The magic of the Scholomance trilogy continues in *The Last Graduate* and *The Golden Enclaves* The can't miss fantasy of fall 2020 a brutal coming of power story steeped in the aesthetics of dark academia *A Deadly Education* will cement Naomi Novik's place as one of the greatest and most versatile fantasy writers of our time BookPage starred review A must read Novik puts a refreshingly dark adult spin on the magical boarding school Readers will delight in the push and pull of El and Orion's relationship the fantastically detailed world the clever magic system and the matter of fact diversity of the student body Publishers Weekly starred review

Literary Communication as Dialogue Roger D. Sell, 2020-11-15 As traced by Roger D Sell literary communication is a process of community making As long as literary authors and those responding to them respect each other's human autonomy literature flourishes as an enjoyable though often challenging mode of interaction that is truly dialogical in spirit This gives rise to author respondent communities whose members represent existential commonalities blended together with historical differences These heterogeneous literary communities have a larger social significance in that they have long served as counterweights to the hegemonic tendencies of modernity and more recently to postmodernity's well intentioned but restrictive politics of identity In post postmodern times their ethos is increasingly one of pleasurable egalitarianism The despondent anti hedonism of the twentieth century intelligentsia can now seem rather dated Some of the papers selected for this volume develop Sell's ideas in mainly theoretical terms But most of them offer detailed criticism of particular anglophone writers ranging from Shakespeare Ben Jonson and other poets and dramatists of the early modern period through Wordsworth and Coleridge to Dickens Pinter and

Rushdie **Readers and Society in Nineteenth-Century France** M. Lyons, 2001-07-24 In the nineteenth century the reading public expanded to embrace new categories of consumers especially of cheap fiction These new lower class and female readers frightened liberals Catholics and republicans alike The study focuses on workers women and peasants and the ways in which their reading was constructed as a social and political problem to analyse the fear of reading in nineteenth century France The author presents a series of case studies of actual readers to examine their choices and their practices and to evaluate how far they responded to or subverted attempts at cultural domination **Foreign Accent** Alene

Moyer, 2013-03-14 To what extent do our accents determine the way we are perceived by others Is a foreign accent inevitably associated with social stigma Accent is a matter of great public interest given the impact of migration on national and global affairs but until now applied linguistics research has treated accent largely as a theoretical puzzle In this fascinating account Alene Moyer examines the social psychological educational and legal ramifications of sounding foreign She explores how accent operates contextually through analysis of issues such as the neuro cognitive constraints on phonological acquisition individual factors that contribute to the intractability of accent foreign accent as a criterion for workplace discrimination and the efficacy of instruction for improving pronunciation This holistic treatment of second language accent is an essential resource for graduate students and researchers interested in applied linguistics bilingualism and foreign language education
