

REASSESSING FATHERHOOD

NEW OBSERVATIONS ON FATHERS AND THE MODERN FAMILY

Edited by
Charlie Lewis and Margaret O'Brien

Reassessing Fatherhood New Observations On Fathers And The Modern Family

Charlie Lewis, Margaret O'Brien

Reassessing Fatherhood New Observations On Fathers And The Modern Family:

Reassessing Fatherhood Charlie Lewis, Margaret O'Brien, 1987 Much recent literature on fathers conveys the optimistic message that men are becoming increasingly involved in family life and that such participation is necessarily beneficial This book contends that evidence for the new father is in reality hard to find and that the paternal role persists in being limited by social institutional and personal forces The book's contributors psychologists and sociologists from Britain Australia Scandinavia and North America examine the problematic nature of fatherhood from three different perspectives Part One examines research evidence from studies of fathers in typical families Chapters look at the history of paternal roles the employment of both fathers and mothers and men's involvement with other members of the family all share the thesis that given contemporary ideologies fathering is necessarily limited Part Two critically reviews research on men who encouraged by enlightened social policy makers have attempted to become more involved in child care and domestic responsibilities The contributors point out the contradictions between the expectations of the policy makers and the realities of family life greater involvement in the home by men usually causes stress and difficulties for other members particularly mothers Part Three considers the position of men in therapeutic settings where the father is often seen as a passive opaque figure with whom it is difficult to work and offers sound advice on how family workers can incorporate men into counselling social work and therapy Two chapters also investigate the role that custody arrangements play in the divorced father's life

Reassessing Fatherhood provides a fresh and often provocative view of the modern father that will change the complacent and euphoric vision of the new family

Reshaping Fatherhood Anna Dienhart, 1998-05-27 Current research on fatherhood often focuses on minimal changes men have made in their participation in family life Anna Dienhart argues that men have indeed made significant changes to their family roles but those changes are often masked in existing discourses on fatherhood In *Reshaping Fatherhood* Dienhart's qualitative study of 18 shared parenting couples explores both men's and women's resourcefulness and shows how these couples have deliberately co-created alternatives to traditional parenting roles Using these narrative accounts Dienhart offers several options for creating a family structure that allows both mothers and fathers to participate actively in parenting Dienhart emphasizes that tag team parenting a common technique that couples use to juggle the responsibilities of a hectic family life relies on both the interchangeability of parental tasks as well as the specialization by preference Dienhart compares shared parenting to a dance that demands continuous revision of the perceptions and activities of fatherhood and motherhood She challenges family researchers to move beyond deficit and comparative model perspectives about the complexities of gendered family life as she offers alternative ideas about division of labor patterns men's relational capabilities in child care the preeminence of men's provider role and traditional notions about gender and politics in families This timely book is ideal for professionals and students in family studies sociology of the family family psychology and gender studies

Law and Families Helen Rhoades, 2017-11-30 This volume highlights

important classic and contemporary works by law and society scholars who analyze the complex and often highly political relationship between law and families Featuring authors from Australia Canada England and the United States the volume looks at how socio legal scholars think about families and the law how law shapes family practices the capacity of family law to deliver social justice and how family disputes are resolved Topics such as law s role in recognizing spousal and parental relationships or promoting responsible behaviour or equality norms are covered and the relationship between law s assumptions and the lived realities of families is problematized

Responsibility, Law and the Family Jo Bridgeman, Craig Lind, 2016-04-08 Focusing on moral social and legal responsibilities as opposed to rights or obligations this volume explores the concept of responsibility in family life law and practice Divided into four parts the study considers the nature of family responsibility constructions of children s responsibilities shifting conceptions of family responsibilities and family responsibility and the law The collection brings together leading experts from the disciplines of sociology socio legal studies and law to discuss responsibilities prior to birth responsibilities for children as well as responsibilities of children and of the state towards family members The volume informs and challenges the developing conceptualization of responsibilities which arise in interdependent intimate and caring relationships and their legal regulation It will be of great interest to researchers and practitioners working in this complex field

Masculinity, Law and Family Richard Collier, 2002-11-01 Masculinity Law and Family examines the construction of masculinity in a variety of areas of law pertaining to the family Throughout Richard Collier integrates recent theoretical developments in legal studies with a social theory of gender the family and the social construction of masculinity After an overview of theoretical positions and a critique of traditional legal theory Richard Collier focusses on the legal regulation of homosexuality and transsexualism to show how confined the view of masculine sexuality is in legal discours These arguments are further elaborated in a discussion of non consummation adultery and divorce as well as fatherhood and paternity Masculinity Law and Family is of central importance to our understanding of the social and political dimension of masculinity

Fragmenting Fatherhood Richard Collier, Sally Sheldon, 2008-09-05 Debates about the future of fatherhood have been central to a range of conversations about changing family forms parenting and society Law has served an important yet often neglected role in these discussions serving as an important focal point for broader political frustrations playing a central role in mediating disputes and operating as a significant symbolic state sanctioned account of the scope of paternal rights and responsibilities Fragmenting Fatherhood provides the first sustained engagement with the way that fatherhood has been understood constructed and regulated within English law Drawing on a range of disparate legal provisions and material from diverse disciplines it sketches the major contours of the figure of the father as drawn in law and social policy tracing shifts in legal and broader understandings of what it means to be a father and what rights and obligations should accrue to that status In thematically linked chapters cutting across substantive areas of law the book locates fatherhood as a key site of contestation within broader political debates regarding the family and gender

equality Multiple visions of fatherhood evolving unevenly over time across diverse areas of law emerge from this analysis Fatherhood is revealed as an essentially fragmented status and one which is intertwined in complex ways with the legal cultural and political contexts in which discourses of parenthood are produced Fragmenting Fatherhood provides an important and unique resource speaking to debates about fatherhood across a range of fields including law and legal theory sociology gender studies social policy marriage and the family women s studies and gender studies *Spaces of Masculinities* Kathrin Hörschelmann,Bettina van Hoven,2013-03-07 Changing circumstances in Western and global societies have introduced new constraints and opportunities for men and the formation of male identities Meanwhile the emerging diversity of atypical identities atypical when compared with traditional conceptions of middle class white heterosexual men poses new challenges for the production and use of spaces Spaces of Masculinities provides a comprehensive introduction to the innovative and diverse research on spaces of masculinity Drawing on a variety of geographical research projects the central concern of the book is to highlight the significance of research on masculinity in sociological and geographical work dealing with constructions of gender **Fatherhood** William Marsiglio,1995-04-03 Shifting marriage and divorce patterns transformation in the workplace the growth of the women s movement and the development of the men s movement all these social and cultural changes have changed fathers traditional family roles and forced a reexamination of how fathers and children interact Progress in this new understanding of fathers is highlighted in Fatherhood a volume of empirical and theoretical research on fathers in families The research pieces written by such well known scholars as Furstenberg Seltzer and Greif examine differences in culture class nationality and custodial status The chapters focus on legal economic and policy questions as well as on the interaction between fathers and children within the family Some of the topics explored are fathers involvement in child care fathering in the inner city and single fathers who have custody of their children Fatherhood is the most current assessment of our research base on fatherhood available for professional scholarly and classroom use and is important reading for those interested in men s studies family studies gender studies sociology psychology and social work

Communication Yearbook 28 Pamela J. Kalbfleisch,2004-06-18 Communities are composed of connected individuals The communication that exists within about and between these communities is at the heart of Communication Yearbook 28 This book draws from the broad range encompassed by the communication discipline to review literature that has something to say about community and what the communication discipline has to contribute to understanding this human connection Offering state of the art research Communication Yearbook 28 presents an influence model addressing the most basic level of community the personal relationship the literature on romantic and parent child relationships at a distance community in terms of those working at home and telecommuting running home based businesses and participating in online communities the communicative venue for community building and fragmentation social capital and tolerance the literature on collaboration examining this communicative performance in community groups community as a foundation for the study of

public relations theory and practice the visual images of community and what they suggest about these communities to those looking in from the outside the role new technology plays in maintaining community and community contexts This book is an important reference on current research for scholars and students in the social sciences Families in the U.S. Karen V. Hansen, Anita Iltis Garey, 1998 Attempts to do justice to the complexity of contemporary families and to situate them in their economic political and cultural contexts This book explores the ways in which family life is gendered and reflects on the work of maintaining family and kin relationships especially as social and family power structures change over time Violent Fathering and the Risks to Children Lynne Harne, 2011 This text focuses on violent fathering and discusses research in the context of domestic violence It examines fathers perceptions of their domestic violence and its impact on children their relationships with children and their parenting practices It also recommends ways that policy and practice can be improved

Gender And Work In Today's World Nancy Sacks, 2018-05-04 Promoting gender equality through balanced analysis of both sexes Gender and work in Today's World A Reader explores the experiences of both men and women in the work force focussing especially on gender non traditional jobs i.e. men as nurses and women in the police force and non traditional work structures i.e. Part time temporary and odd hour work work over the life course and sexual harassment **Raising Children** Jill Duerr Berrick, Neil Gilbert, 2008-02-11 Modern family life raises tough questions Who should be responsible for children's daily care How can their financial support be fairly allocated between parents Should extended family members be paid for their help Can women have full careers and also be good mothers In *Raising Children* leading scholars take on these questions and more in order to critically assess policy responses to the changing needs of the modern family As parents struggle to balance professional and personal demands choose schools for their children and sort through constantly updated medical and psychological information they need help from public officials who can make policies that realistically address childrearing's contemporary challenges The insightful contributions in this volume provide an excellent starting point for understanding these thorny multifaceted issues skillfully framing the influences on child development such as altered family dynamics major life changes like immigration and the role of schools and government in children's health Adoption by same sex couples difficulties for immigrant children the ADHD diagnosis controversy and public intervention for at risk children are only a few of the topics covered With society in a constant state of flux it is critically important that we assess our family and child policies to ensure that they provide families with the assistance they need Drawing on the rich interdisciplinary work of the Berkeley Center for Child and Youth Policy this is an eye opening look at some of the biggest issues facing the family today which are as complex as they are vital to address in a thoughtful way **Fathers' Rights Activism and Law Reform in Comparative Perspective** Richard Collier, Sally Sheldon, 2006-10-10 The legal status responsibilities and rights of men who are fathers married or unmarried cohabiting or separated biological or social in nature is a topic with a long and well documented history Yet recent developments in a number of countries suggest a growing politicisation of the

relationship between law and fatherhood In some countries an increasingly vocal visible and well organised fathers rights movement has been credited with influencing perceptions of the politics of family justice Fathers it is argued have become the new victims of family law justice systems that have swung too far in favour of mothers Armed with such claims fathers rights activists have set out to achieve a range of legal reforms most notably in the areas of child support law and contact and residence rights following separation This book presents an attempt to understand these developments Bringing together leading international commentators it provides a careful critical and comparative analysis of the work of fathers rights activists the role law has played in their campaigning their legal strategies their success or otherwise in achieving legal reform similarities and divergences with the women s movement and the relationship between fathers rights movements and the societies that frame them In addition to Collier and Sheldon contributors include Susan B Boyd University of British Columbia Canada Jocelyn Crowley Rutgers University USA Maria Eriksson Goteborg University Sweden Keith Pringle Aalborg University Denmark Helen Rhoades Melbourne University Australia and Carol Smart Manchester University UK

Revival: Helping Parents in Dispute (2001) Greg Mantle, 2017-07-28 This title was first published in 2001 When marriages break down most parents experience difficulty in agreeing on contact or residence arrangements for their children Family Courts Services provide mediation as a way of resolving differences and many parents accept this offer of assistance Featuring extensive empirical research this book examines the effectiveness of family mediation services and challenges the view that court based interventions are unlikely to be successful

Cohabitation and the Evolving Nature of Intimate and Family Relationships Sampson Lee Blair, Yongjun Zhang, 2023-12-08 Given the tremendous diversity in cohabiting couples as well as the increasing prominence of this form of intimate relationships this volume provides a more thorough comprehension of the structures effects and intimate practice of cohabitation around the world

Men, Law and Gender Richard Collier, 2010-04-05 This book presents the first published comprehensive overview and critical assessment of the relationship between law and masculinities It provides a general introduction to the subject whilst engaging with the difficult question of what it means to speak of the masculinity of law in the first place

Lesbian Lifestyles Gillian A. Dunne, 1996-11-27 This fascinating book illustrates the importance of analyzing sexuality by examining ways in which stepping outside heterosexuality necessitates and facilitates long term economic independence Based on a life history study the book charts key stages in the lives of non heterosexual women including their experiences of gendering in childhood and their responses to the culture of romantic heterosexuality In particular it documents the impact of coming out on their lives and the way sexuality has affected their approach both to intimate relationships and paid work

Children and Young People's Nursing Ruth Davies, Alyson Davies, 2011-04-29 Children and Young People s Nursing provides a comprehensive overview of the issues facing children s nurses today It focuses on developing best practice and implementing high quality care This book covers the wide range of general and specialist care settings in which children and young people s nurses

work including schools the community and mental health Written by a team of experts from across the UK it emphasizes throughout the fundamental principles of contemporary children s nursing such as family centred care safeguarding and the need for aculturally sensitive and rights based approach to care This isan essential text for all children s nursing students as well as a useful reference for qualified nurses looking to update their practice Key features All chapters are underpinned by current policies and the latest research Key points reflection points principles for practice boxes and cas studies to aid learning Concludes with a section on building your portfolio and advancing your practice and career *Multicultural Counseling with Teenage Fathers* Mark S. Kiselica, 1995-08-03 An unplanned pregnancy in adolescence can be a crisis not only for young unmarried mothers but also for unmarried fathers of the same age group This landmark volume is the first in depth practical guide to counselling teenage fathers Taking a multicultural perspective the volume addresses issues that may have a bearing on a young man s adjustment to fatherhood such as his relationships with his parents his child the mother of his child her parents and his peers

Reassessing Fatherhood New Observations On Fathers And The Modern Family Introduction

In today's digital age, the availability of Reassessing Fatherhood New Observations On Fathers And The Modern Family books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Reassessing Fatherhood New Observations On Fathers And The Modern Family books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Reassessing Fatherhood New Observations On Fathers And The Modern Family books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Reassessing Fatherhood New Observations On Fathers And The Modern Family versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Reassessing Fatherhood New Observations On Fathers And The Modern Family books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF

files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Reassessing Fatherhood New Observations On Fathers And The Modern Family books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Reassessing Fatherhood New Observations On Fathers And The Modern Family books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Reassessing Fatherhood New Observations On Fathers And The Modern Family books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Reassessing Fatherhood New Observations On Fathers And The Modern Family books and manuals for download and embark on your journey of knowledge?
