Katherine Kirkpatrick

Reb The Redcoats:

The Reb and the Redcoats Constance Savery,1999-04-18 In an interesting turnabout the Revolutionary War is seen through the eyes of a British family to whom an American prisoner of war has been entrusted Technically the young prisoner is in Uncle Lawrence s custody but the children soon forge a forbidden friendship with him after he nearly dies in an attempted escape He becomes the Reb and they his Redcoats But when they learn of some events leading to his coming to Europe even Uncle Lawrence embittered by the unjust death of a friend in America thaws toward him but this doesn t stop the Reb from scheming to escape Constance Savery deftly weaves themes of trust and forgiveness into an interesting plot with likeable characters *Time Enough for Drums* Ann Rinaldi,2011-03-16 Sixteen year old Jem struggles to maintain the

status quo at home in Trenton New Jersey when the family men join the war for independence There are signs of rebellion in the Emerson household several years before the actual American Revolution hits in 1776 Brought up in a relatively liberal household Jemima Emerson is quite a challenge for her tutor John Reid who is known as a Tory with strong ties to England How could Jem s parents be friends with a man who opposes American freedom Jem longs for freedom on every level in the home and her homeland and John represents the forces that restrict her Jem and her family soon find themselves fighting for freedom in whatever ways they can in the Revolutionary War Before long Jem discovers that there is much more to Mr Reid than she ever imagined Her feelings about him change when Jem realizes that John shares her love of freedom and will risk his life to defend it **Unrecognized Patriots** Samuel Reznick,1975 *Red Falcons of Tremoine* Hendry Peart,2007 Leo a

fifteen year old orphan discovers that he is the heir to two feuding families **Enemy Brothers** Constance Savery,2001 This is a private war formally declared between Tony and the inhabitants of the White Priory British airman Dym Ingleford is convinced that young Max Eckermann is his brother Anthony who was kidnapped years before Raised in the Nazi ideology Tony has by chance tumbled into British hands Dym has brought him back at least temporarily to the family he neither remembers nor will acknowledge as his own As Tony uses his nine attempts to escape his stubborn anger is wittled away by the patient kindness he finds at the White Priory Then just as he is resigning himself to the English family a new chance suddenly opens for him to return home to Germany *Redcoats and Petticoats* Katherine Kirkpatrick,2018-08-10 When the American Revolution arrives in Thomas Strong s sleepy Long Island village his life is turned upside down His church becomes a fort for the British and a company of Redcoats are quartered in his family s home But worst of all his father is arrested as a traitor and taken away It s no wonder that Thomas s mother seems to have been affected in the head She washes and rewashes handkerchiefs and petticoats so that her clothesline is continually full of laundry The errands on which she sends Thomas are not only peculiar but dangerous since they take him right past a Redcoat encampment At first Thomas doesn t know what to make of his mother s behavior but as he keeps his eyes and ears open he begins to suspect that things are not necessarily as they seem Katherine Kirkpatrick s captivating story is based on the Culper Spy Ring which operated on Long

Island and in Connecticut from 1778-1783. Its purpose was to send messages to General George Washington about the activities of the British Army in New York City. Ronald Himler's dramatic watercolor illustrations bring this pivotal period of U.S. history to life for contemporary readers. Katherine Kirkpatrick grew up near Setauket in Stony Brook, New York. She first learned of Anna Nancy Strong's role in the Culper Spy Ring from Strong's great-great-granddaughter, Kate Strong, whom she interviewed for a fourth-grade project. Kirkpatrick has published eight books for children and young adults, both fiction and nonfiction. She lives in Seattle, Washington. Visit her at <http://katherinekirkpatrick.com>. Ronald Himler has illustrated over a hundred books for children. His paintings also appear in art galleries throughout the Southwest, where he is highly acclaimed for his portraits of the Plains Indians. He lives in Tucson, Arizona. April Morning Howard Fast, 2011-12-13 Howard Fast's bestselling coming-of-age novel about one boy's introduction to the horrors of war amid the brutal first battle of the American Revolution. On April 19, 1775, musket shots ring out over Lexington, Massachusetts. As the sun rises over the battlefield, fifteen-year-old Adam Cooper stands among the outmatched patriots facing a line of British troops. Determined to defend his home and prove his worth to his disapproving father, Cooper is about to embark on the most significant day of his life. The Battle of Lexington and Concord will be the starting point of the American Revolution, and when Cooper becomes a man, sweeping in scope and masterful in execution, *April Morning* is a classic of American literature and an unforgettable story of one community's fateful struggle for freedom. This ebook features an illustrated biography of Howard Fast, including rare photos from the author's estate.

Johnny Reb Marie Conway Oemler, 1929 A story of the tragedy of the Civil War is seen through the eyes of a South Carolina boy fighting with Wade Hampton's troops. Respect for both sides is inherent in a stirring story of hardship and suffering relieved by the courage and high spirits of the soldiers.

The Wide Horizon Loula Grace Erdman, 2007 When fifteen-year-old Katie's mother leaves to take care of Katie's grandmother, Katie decides not to go away to school but rather to stay home and take care of the family.

American Book Publishing Record, 1968 *Straightening Out the Corners* Philippe Vermès, 1990 Records the biker culture in over 77 duotones. Publishers Weekly French art photographer Philippe Vermès gives the subject a most dignified presentation. A gravity, seriousness usually absent from photographs of bikers. Photo District News. Philippe Vermès saw a part of America behind the leather, black T-shirts, tattoos of the bikers. His interest led him to Sturgis, South Dakota, for the annual Black Hills Motor Classic to capture that culture in photographs. There he made black-and-white portraits of bikers from all walks of life who shared one common passion: the love of motorcycles. One of the portraits that Vermès made was of the late Malcolm S. Forbes, noted biker, balloonist, publisher. Mr. Forbes was so impressed with the work that he authored a one-page preface for the book. The body of work also impressed noted photo-art critic A.D. Coleman. Upon reviewing a preliminary selection of the photographs, Mr. Coleman volunteered to write the essay to accompany these photographs. This book is the result of that experience.
