interfering in his quiet uncomfortable existence His one goal in life is to make his estranged parents miserable and he can't fulfill that destiny if Simplicity continues yanking him from his dark cave as she chases a world of make believe His scars are external Hers are internal She can look past his Can he do the same Book Three Wherever You Go The last thing Paisley Peterson needs is to fall in love She left her high stress job in Boston so she could heal in Healing Springs isn't that what the town is about She needs her sisters She does not need a man Asher has always been the one to take care of the people in his life so when sexy Paisley strolls in and takes the lead he finds himself turned on by her independence and confidence in a way he has never been turned on before But after suffering too many losses in life and with a plate already brimming with family members who need his care and protection can he handle the truth behind her sudden appearance in Healing Springs How is he supposed to allow himself to get close to her when he could lose her Asher and Paisley are from two different worlds with two different life plans Will their unplanned love affair turn into a dead end Or will it be just the detour they have both needed all along Book Four Imperfect Harmony A marriage of convenience isn't on Harmony Peterson's agenda when she's forced to sneak into Healing Springs to retrieve important papers but if marrying a stranger keeps her from reuniting with her estranged sisters how dumb would she be to turn down the offer She'll do whatever it takes to keep her vow to protect the infant she hadn't planned on raising Keegan O Malley knows he's not qualified to save anyone but if a sham marriage can help this beautiful intriguing stranger who forced her way into his life and maybe help him in return why should he talk himself into reason Though he's failed to live up to his moral code before he has to believe he's somehow been given a second chance to right the wrongs A fake marriage may be something they can live with But can they honor the unspoken promise to keep their hearts out of the bargain
