she can re open the once grand now dilapidated cottage motel in town Struggling to raise his five kids on his own after the accidental death of his wife Rogan didn't realize the job would cost him so much Like his sanity And his heart Reed and Rogan are venturing down different paths in life but can they resist the powerful attraction that threatens the way they see themselves Their futures And is it possible for two people with such different personalities and values to find a way to call each other's heart their home Book Two Loving a Wildflower Simplicity Peterson has never cared about fitting in but she's ready to put her couch surfing days behind her First step toward planting roots find a way to make a difference in her new community Volunteering to help the reclusive and notoriously difficult Ethan Witherford will help people see the good side of her If she tries hard enough she should be able to keep everyone in town from thinking of her as the crazy hippie She expects to feel good about performing this important community service but she's far from prepared when Ethan turns out to be the most dangerous rollercoaster she's ever had the pleasure of riding Ethan had been tortured enough as a POW He doesn't need this free spirited nymph interfering in his quiet uncomfortable existence His one goal in life is to make his estranged parents miserable and he can't fulfill that destiny if Simplicity continues yanking him from his dark cave as she chases a world of make believe His scars are external Hers are internal She can look past his Can he do the same Book Three Wherever You Go The last thing Paisley Peterson needs is to fall in love She left her high stress job in Boston so she could heal in Healing Springs isn't that what the town is about She needs her sisters She does not need a man Asher has always been the one to take care of the people in his life so when sexy Paisley strolls in and takes the lead he finds himself turned on by her independence and confidence in a way he has never been turned on before But after suffering too many losses in life and with a plate already brimming with family members who need his care and protection can he handle the truth behind her sudden appearance in Healing Springs How is he supposed to allow himself to get close to her when he could lose her Asher and Paisley are from two different worlds with two different life plans Will their unplanned love affair turn into a dead end Or will it be just the detour they have both needed all along Book Four Imperfect Harmony A marriage of convenience isn't on Harmony Peterson's agenda when she's forced to sneak into Healing Springs to retrieve important papers but if marrying a stranger keeps her from reuniting with her estranged sisters how dumb would she be to turn down the offer She'll do whatever it takes to keep her vow to protect the infant she hadn't planned on raising Keegan O Malley knows he's not qualified to save anyone but if a sham marriage can help this beautiful intriguing stranger who forced her way into his life and maybe help him in return why should he talk himself into reason Though he's failed to live up to his moral code before he has to believe he's somehow been given a second chance to right the wrongs A fake marriage may be something they can live with But can they honor the unspoken promise to keep their hearts out of the bargain
