Bible Stories and Poems Wilbur Fisk Crafts, 1915      A Better Life Rebecca Smith, 2020-05-19 The founder of Better Life Bags Rebecca Smith teaches us how to take little steps say yes when God calls and follow the passion He has given us Let love stretch you As the founder of one of the most popular custom handbag companies in the country Rebecca Smith knows a thing or two about business A highly successful entrepreneur in a world where the focus is on scalability brand strategy and global marketing Rebecca Smith also knows the truth that every success she s experienced at Better Life Bags has been the result of very small very ordinary very obedient steps of faith Moving from Savannah Georgia to Hamtramck Michigan was culture shock enough for Rebecca But trying to feel at home in a city where twenty six different languages were spoken and most of the inhabitants were immigrants seemed downright impossible It was only when Rebecca recognized that God had called her to this specific neighborhood at this particular moment in time that his plans began to unfold for her Stepping forward into the place God had called her a place that seemed messy and uncomfortable and unfamiliar Rebecca discovered the true secret to success when we slow down pay attention and trust that still small voice of God to guide us we just might change the world Though Rebecca never set out to build a brand or create an empire God saw Rebecca s heart for others and began to multiply her efforts in ways she could have never imagined creating a company where women from different cultures faiths and backgrounds work together for the good of others for a better life As you read this inspiring story you will discover how to hear and follow God s voice for yourself as you slow down take one small step at a time and make a difference in the world right where you are      Dominion Tom Holland, 2019-10-29 A marvelous Economist account of how the Christian Revolution forged the Western imagination Crucifixion the Romans believed was the worst fate imaginable a punishment reserved for slaves How astonishing it was then that people should have come to believe that one particular victim of crucifixion an obscure provincial by the name of Jesus was to be worshipped as a god Dominion explores the implications of this shocking conviction as they have reverberated throughout history Today the West remains utterly saturated by Christian assumptions As Tom Holland demonstrates our morals and ethics are not universal but are instead the fruits of a very distinctive civilization Concepts such as secularism liberalism science and homosexuality are deeply rooted in a Christian seedbed From Babylon to the Beatles Saint Michael to MeToo Dominion tells the story of how Christianity transformed the modern world      **Irma's Story** ,      *My Dream of Heaven* Rebecca Ruter Springer, 2009-12-15 *My Dream of Heaven* captures Biblical truths with emotional impressions Rev Billy Graham Facing Death and the Life After This nineteenth century classic inspires the reader with new confidence and excitement about an eternal home and reunion with loved ones gone on before It contains two missing chapters that have not appeared in print in over 100 years The words of the author Rebecca Ruter Springer set the stage for this classic treasure from the original 1898 version Within the pages of this little volume lies the hope that it may comfort and uplift some who read even as it then did and as its memory ever will
