Rebeccas Children:

Rebecca's Children Alan F. Segal, 1989-03-15 Segal offers new insights into the origins of rabbinic Judaism and Christianity These twin descendants of Hebrew heritage shared the same social cultural and ideological context and the same minority status in the first century CE The separation between them fractured what remained of the shared symbolic life of Judea *Israel's God and Rebecca's Children* Larry W. Hurtado, Alan F. Segal, 2007 An important new look at community and identity in early Christianity [We Believe the Children](#) Richard Beck, 2015-08-04 A brilliant disturbing portrait of the dawn of the culture wars when America started to tear itself apart with doubts wild allegations and an unfounded fear for the safety of children During the 1980s in California New Jersey New York Michigan Massachusetts Florida Tennessee Texas Ohio and elsewhere day care workers were arrested charged tried and convicted of committing horrible sexual crimes against the children they cared for These crimes social workers and prosecutors said had gone undetected for years and they consisted of a brutality and sadism that defied all imagining The dangers of babysitting services and day care centers became a national news media fixation Of the many hundreds of people who were investigated in connection with day care and ritual abuse cases around the country some 190 were formally charged with crimes leading to more than 80 convictions It would take years for people to realize what the defendants had said all along that these prosecutions were the product of a decade long outbreak of collective hysteria on par with the Salem witch trials Social workers and detectives employed coercive interviewing techniques that led children to tell them what they wanted to hear Local and national journalists fanned the flames by promoting the stories salacious aspects while aggressive prosecutors sought to make their careers by unearthing an unspeakable evil where parents feared it most Using extensive archival research and drawing on dozens of interviews conducted with the hysteria s major figures n 1 editor Richard Beck shows how a group of legislators doctors lawyers and parents most working with the best of intentions set the stage for a cultural disaster The climate of fear that surrounded these cases influenced a whole series of arguments about women children and sex It also drove a right wing cultural resurgence that in many respects continues to this day **The Other Half of Happy** Rebecca Balcarcel, 2021-09-14 This immersive and beautifully written novel follows the story of Quijana a girl in pieces One half Guatemalan one half American When Quijana s Guatemalan cousins move to town her dad seems ashamed that she doesn t know more about her family s heritage One half crush one half buddy When Quijana meets Zuri and Jayden she knows she s found true friends But she can t help the growing feelings she has for Jayden One half kid one half grown up Quijana spends her nights Skyping with her ailing grandma and trying to figure out what s going on with her increasingly hard to reach brother Quijana must figure out which parts of herself are most important and which pieces come together to make her whole This is a heartfelt poetic portrayal of a girl growing up fitting in and learning what it means to belong *Rebecca's World* Terry Nation, 1994-06-27 It was the eleventh day of the school holidays and Rebecca was bored But events take a dramatic turn for the better or worse

when she finds herself transported to a distant planet whose people are terrorized by jelly like monsters called Ghosts
