Rebel Heart:

Rebel Heart Penelope Ward, 2018 Rush and Gia's story continues in the gripping conclusion to the New York Times bestseller *Rebel Heart*. How to screw up a great summer in the Hamptons. Sleep with your boss. Check. Blow all your money on a rental you can't afford. Check. How to walk away from a man you fall in love with at the end of a summer. I'll let you know when I figure it out. *Rebel Heart* is the second book in the Rush Series. *Duet Book One Rebel Heart* is available for sale now.

Rebel Hearts Kevin Toolis, 2015-07-07 For ten years Kevin Toolis investigated the lives of the IRA soldiers who wage a secret battle against the British State. His journeys took him from the back kitchens of Belfast where men joked while making two thousand pound bombs to prisons for interviews with men serving life sentences and to the graveyards where mourners weep. Each chapter explores a world where history, faith, and human savagery determine life and death. At once moving and harrowing, *Rebel Hearts* is the most authoritative and insightful book ever written on the IRA. **Rebel Heart** Bebe

Buell, Victor Bockris, 2001-08-13 **Rebel Heart** Moira Young, 2013-10 Science fiction After rescuing her twin brother from the Tontons Saba, experiences disturbing telepathic visions while being hunted by a cunning enemy. **This Rebel Heart** Katherine Locke, 2023-11-14 A tumultuous tale of the student-led 1956 Hungarian revolution set in a colorless post-WWII Budapest where the magical Danube river has plans of its own. From Sydney Taylor Honor winner Katherine Locke, a haunting beautiful read that centers queer Jewish characters. BuzzFeed In the middle of Budapest, there is a river. Csilla knows the river is magic. During WWII, the river kept her family safe when they needed it most, safe from the Holocaust. But that was before the Communists seized power. Before her parents were murdered by the Soviet police. Before Csilla knew things about her father's legacy that she wishes she could forget. Now Csilla keeps her head down, planning her escape from this country that has never loved her the way she loves it. But her carefully laid plans fall to pieces when her parents are unexpectedly publicly exonerated. As the protests in other countries spur talk of a larger revolution in Hungary, Csilla must decide if she believes in the promise and magic of her deeply flawed country enough to risk her life to help save it, or if she should let it burn to the ground. With queer representation, fabulist elements, and a pivotal but little-known historical moment, *This Rebel Heart* is Katherine Locke's tour de force. **A Rebel Heart (Daughtry House Book #1)** Beth White, 2018-06-05 Five years

after the final shot was fired in the War Between the States, Selah Daughtry can barely manage to keep herself, her two younger sisters, and their spinster cousin fed and clothed. With their family's Mississippi plantation swamped by debt and the Big House falling down around them, the only option seems to be giving up their ancestral land. Pinkerton agent and former Union cavalryman Levi Riggins is investigating a series of robberies and sabotage linked to the impoverished Daughtry plantation. Posing as a hotel management agent for the railroad, he tells Selah he'll help her save her home, but only if it is converted into a hotel. With Selah otherwise engaged with renovations, Levi moves onto the property to supervise while he actually attends to his real assignment right under her nose. Selah isn't sure she entirely trusts the handsome Yankee, but she

d do almost anything to save her home What she never expected to encounter was his assault on her heart Her Rebel Heart Jamie Farrell,2017-03-05 A poignant unapologetically southern laugh out loud look at what it means to truly be seen and loved Kait Nolan A sexy military pilot is about to meet his match in an unpredictable physics professor Kaci Boudreaux is every Southern mama s nightmare including her own This former Miss Grits would rather tromp around in boots shooting off potato guns and her mouth than dress pretty and play nice with the boys Especially her chauvinistic fellow professors her ex husband and those military cargo pilots she accidentally started a war with Lance Wheeler is every Southern belle s dream except his ex fianc s After being left at the altar he d love to take his C 130 and fly far far away But since his bird technically belongs to Uncle Sam as does he a distraction in the form of a feisty fireball of a physics professor will do while he s waiting for his next deployment with the Air Force He s into her for the fun She s into him for the challenge But when their secrets start slipping out their hearts will be on the line She needs roots He wants to see the world What will they do about needing each other

Rebel Heart Terence O'Reilly,2023-07-16 At the age of 20 George Lennon became the youngest commander of a flying column during the Irish War of Independence leading the West Waterford column in ambushes and actions in the face of heavy odds against British forces across the county When Civil War followed the War of Independence Lennon chose to oppose the pro Treaty government and fought in the battle for Waterford city However he laid down his arms when it became clear that the anti Treaty cause was lost and that continuing the fight would lead to further suffering amongst the civilian population In 1927 Lennon emigrated to America returning to Ireland ten years later where he made earnest attempts to develop the national economy of the new state through the Irish Tourist Board and the National Planning Conference However he became disillusioned with these efforts and returned to the United States in 1946 later becoming a dedicated pacifist and even a practitioner of Zen Buddhism Lennon is a figure who deserves to be remembered In this new and revealing biography Terence O'Reilly brings to life the story of an intriguing and talented man using previously unpublished memoirs Lennons own letters and statements and the recollections and statements of his family and comrades
