Howard Zinn Speaks Howard Zinn,2012 Howard Zinn there was no one like him And to hear him speak was like listening to music that you loved lyrical uplifting honest Michael Moore Zinn s speeches are a joy and an inspiration Marisa Tomei Collected here for the first time Howard s speeches come to us at the moment when we need them most just as a global network of popular uprisings searches for what comes next Naomi Klein Howard Zinn was one of the great orators of the twentieth century and illuminated our history like no other historian He rarely spoke from notes and yet could weave rich historical narratives that inspired and captivated audiences He could grab the attention of even the most jaded students and charm listeners with his sharp humor and personal engaging style Many of his speeches have never been published in book form This first ever collection of his speeches will be an invaluable resource for new generations to continue to discover his work as well as the millions he moved and informed in his lifetime Howard Zinn wrote the classic A People s History of the United States The book which has sold more than two million copies has been featured in the film Good Will Hunting and has appeared multiple times on The New York Times best seller list Anthony Arnove wrote directed and produced The People Speak with Howard Zinn Chris Moore Josh Brolin and Matt Damon and co edited with Howard Zinn Voices of a People s History of the United States *The Evolution of Socialist Feminism from Eleanor Marx to AOC* Karen Bojar,2024-11-21 The Evolution of Socialist Feminism from Eleanor Marx to AOC traces the intersection of feminism and socialism as it has played out in the socialist movements arising in Europe and North America in the nineteenth through early twenty first centuries From well known figures in the history of socialism such as Rosa Luxemburg Sylvia Pankhurst and Angela Davis to lesser known individuals including Claudia Jones Sheila Rowbotham and Zillah Eisenstein this book examines the socialist feminists who have been among the most powerful voices insisting on freedom of expression and participatory democracy within the socialist movement as well as within the larger society It considers how these figures contributed to what has become a twenty first century multiracial grassroots socialist feminist movement led by young women of color playing a major role in radical movements across the globe The Evolution of Socialist Feminism from Eleanor Marx to AOC is an important text for undergraduate students of politics sociology and gender studies as well as for the general reader *American Autobiography* Paul John Eakin,1991 The first four essays review the major historical periods of American autobiography placing the classic texts of American autobiographical literature from Captain John Smith to Malcolm X in the illuminating context of lesser known contemporary narratives Daniel B Shea writes on colonial America Lawrence Buell on the American Renaissance Susanna Egan on the years after the Civil War and Albert E Stone on the twentieth century The second part of

American Autobiography shows the diversity of voices forms audiences and modes of identity in the literature of American autobiography Provocative essays by William Boelhower and Sau Ling Cynthia Wong on immigrant autobiography discuss the changes in the sense of self that occur when strangers come to a strange land Arnold Krupat writes about how American Indians conceptualize the self and about the relationship between oral and written discourse William L Andrews evaluates the strong body of critical theory that has grown up around African American autobiography showing how both the genre and its criticism have responded to contemporary historical pressures Carol Holly explores the model of personal identity that underlies nineteenth century women s autobiographies and Blanche Gelfant examines the narrative and political strategies of Emma Goldman s autobiography especially her use of popular romance and melodrama The last essay offers a more personal perspective on contemporary autobiography a dialogue between Robert and Jane Coles about how they developed their method of eliciting first person oral narratives for their famous Children of Crisis and Women of Crisis series These essays raise theoretical issues that are examined in Paul John Eakin s incisive introduction How do we define a literary genre of protean shape and perplexing cultural multiplicity How do we approach the special problems created by documents that are both historical and literary texts ones that pose difficult questions about truth and representation Most important how is the canon of American autobiography to be constructed and how is its history to be written Tracing that critical history Eakin explains how changing ideas about the mainstream and the marginal have revitalized our retrospective view of American autobiography and opened up new and exciting prospects for today s reader The Claims of Experience Nolan

Bennett,2019 Autobiography from Frederick Douglass s Narrative of the Life to J D Vance s Hillbilly Elegy has long been a popular genre that both authors and readers have utilized to understand particular political moments As this book argues such narratives have also contributed to the development of American political thought despite the fact that the field has not taken autobiography seriously as political theory in its own right This book considers the political contexts in which Benjamin Franklin Frederick Douglass Henry Adams Emma Goldman and Whittaker Chambers wrote their autobiographies to better understand not only the political problems to which autobiographical works can be a solution but the broader appeal of such claims of experience to the everyday life of democratic politics Life of an Anarchist Alexander Berkman,2011-01-04

Alexander Berkman was a twentieth century American revolutionary Like the abolitionist John Brown before him Berkman was hugely idealistic ready to go to the furthest extreme of self sacrifice and violence on behalf of justice and civil rights He decided to assassinate industrialist Henry Clay Frick after reading in the newspaper that Pinkertons hired by Frick had opened fire on the Homestead strikers killing men women and children Berkman s bungled attempt cost him fifteen years in a federal penitentiary Upon his release he became an effective agitator against conscription and was again imprisoned and eventually deported to Russia where he saw at first hand the early days of Bolshevism Berkman s writings remain a lasting and impassioned record of intense political transformation Featuring a new introduction by Howard Zinn Life of an Anarchist

contains Prison Memoirs of an Anarchist Berkman's account of his years in prison The Bolshevik Myth his eyewitness account of the early days of the Russian Revolution and The ABC of Anarchism the classic text on the nature of anarchism in the twentieth century Also included are a selection of letters between Berkman and his lifelong companion Emma Goldman and a generous sampling from Berkman's other publications Anarchist Seeds beneath the Snow David Goodway, 2011-12-12

From William Morris to Oscar Wilde to George Orwell left libertarian thought has long been an important but neglected part of British cultural and political history In Anarchist Seeds beneath the Snow David Goodway seeks to recover and revitalize that indigenous anarchist tradition This book succeeds as simultaneously a cultural history of left libertarian thought in Britain and a demonstration of the applicability of that history to current politics Goodway argues that a recovered anarchist tradition could and should be a touchstone for contemporary political radicals Moving seamlessly from Aldous Huxley and Colin Ward to the war in Iraq this challenging volume will energize leftist movements throughout the world **Women,**

Gays, and the Constitution David A. J. Richards, 1998-07-20 In this remarkable study David A J Richards combines an interpretive history of culture and law political philosophy and constitutional analysis to explain the background development and growing impact of two of the most important and challenging human rights movements of our time feminism and gay rights Richards argues that both movements are extensions of rights based dissent rooted in antebellum abolitionist feminism that condemned both American racism and sexism He sees the progressive role of such radical dissent as an emancipated moral voice in the American constitutional tradition He examines the role of dissident African Americans Jews women and homosexuals in forging alternative visions of rights based democracy He also draws special attention to Walt Whitman's visionary poetry showing how it made space for the silenced and subjugated voices of homosexuals in public and private culture According to Richards contemporary feminism rediscovers and elaborates this earlier tradition And similarly the movement for gay rights builds upon an interpretation of abolitionist feminism developed by Whitman in his defense both in poetry and prose of love between men Richards explores Whitman's impact on pro gay advocates including John Addington Symonds Havelock Ellis Edward Carpenter Oscar Wilde and Andr Gide He also discusses other diverse writers and reformers such as Margaret Sanger Franz Boas Elizabeth Stanton W E B DuBois and Adrienne Rich Richards addresses current controversies such as the exclusion of homosexuals from the military and from the right to marriage and concludes with a powerful defense of the struggle for such constitutional rights in terms of the principles of rights based feminism

Anarchism and Authority Paul McLaughlin, 2007-01-01 Examining the political theory of anarchism from a philosophical and historical perspective Paul McLaughlin relates anarchism to the fundamental ethical and political problem of authority The book pays particular attention to the authority of the state and the anarchist rejection of all traditional claims made for the legitimacy of state authority the author both explaining and defending the central tenets of the anarchist critique of the state *Lives of Their Own* Martha Watson, 1999 Explores how five turn of the century women Frances Willard Anna

Howard Shaw Elizabeth Cady Stanton Emma Goldman and Mary Church Terrell crafted autobiographies that became persuasive models for the women of their generation and lead to movements for social change Contemporary Political Ideologies Roger Eatwell,2019-03-11 In everyday usage ideology tends to be a pejorative term synonymous with the dogmatic or fanatical This is not the sense in which the term is used in this book Nor does this book adopt the instrumental approach to ideology common among social scientists and Marxists which sees ideology as socially determined rather than as a body of relatively coherent and comprehensive beliefs of interest in their own right It is this last feature of ideologies which this book focuses on namely ideologies key assumptions and themes their intrinsic content This is not to deny that there are interesting questions to be asked about the social origins and role of ideologies However these questions would require a separate book to do them justice Moreover we live in an age of hyper change Suddenly in the last decade or so the ideologies which were in the ascendant in the early twentieth century seem to have entered terminal decline whilst other ideologies have been rejuvenated and newer ones have grown in force In general these changes have undermined the left more than the right though the rise of new ideologies throughout the twentieth century has helped show the weaknesses classifying ideologies by the traditional left right spectrum History's Memory Ellen Fitzpatrick,2004-10-25 This reinterpretation of a century of American historical writing challenges the notion that the politics of the recent past alone explains the politics of history Fitzpatrick offers a wise historical perspective on today s heated debates and reclaims the long line of historians who tilled the rich and diverse soil of our past **Christianity and the Making of the Modern Family** Rosemary R. Ruether,2001-07-13 How did a religion whose founding proponents advocated a shocking disregard of earthly ties come to extol the virtues of the traditional family In this richly textured history of the relationship between Christianity and the family Rosemary Radford Ruether traces the development of these centerpieces of modern life to reveal the misconceptions at the heart of the family values debate Cross-Cultural Reckonings Blanche H. Gelfant,1995-01-27 Blanche H Gelfant s book Cross Cultural Reckonings both demonstrates and questions the applicability of postmodern cultural and literary theories to realistic texts to fiction and autobiographies valued for their truth Drawing together an unusual combination of Russian American and Canadian writers the various essays of this book provide new and original perspectives upon the puzzling issues of national identity of historical change and continuity of gender and the integrity of literary genres the boundaries between text and context and the underlying if overlooked conflicts between the postmodern critic s skepticism and a writer s belief in the transcendence of art and truth To avoid the contingencies inherent in binary comparisons the essays in this book seek a triadic form analogous to the triptych or polyptych of the visual arts Multi faceted non linear and open ended such a form might allow the academic essay to recover a waywardness that traces back to Montaigne cited in prefatory notes and to the etymological meaning of the essay as an exagium or weighing as an act of reckoning A study at once elegant erudite and personal Cross Cultural Reckonings reckons with writers of different backgrounds and reputation in whom

Gelfant discovers surprising affinities among them the Russian writers Lydia Chukovskaya Natalya Baranskaya and Alexander Solzhenitsyn Ethel Wilson a highly reputed Canadian writer the famous cross cultural figure Emma Goldman and established as well as new or rediscovered American writers such as Willa Cather Saul Bellow Arlene Heyman and Meridel Le Sueur These writers are discussed singly and in comparative essays each of which is discrete and self contained while all interconnect and reflect upon each other as exemplary demonstrations of cross cultural literary criticism and the deferred final judgment that results from a weighing and reweighing of books

American Countercultures: An Encyclopedia of Nonconformists, Alternative Lifestyles, and Radical Ideas in U.S. History Gina Misiroglu, 2015-03-26 Counterculture while commonly used to describe youth oriented movements during the 1960s refers to any attempt to challenge or change conventional values and practices or the dominant lifestyles of the day This fascinating three volume set explores these movements in America from colonial times to the present in colorful detail American Countercultures is the first reference work to examine the impact of countercultural movements on American social history It highlights the writings recordings and visual works produced by these movements to educate inspire and incite action in all eras of the nation's history A-Z entries provide a wealth of information on personalities places events concepts beliefs groups and practices The set includes numerous illustrations a topic finder primary source documents a bibliography and a filmography and an index

Birth Control in America David M. Kennedy, 1970-01-01 Combines a biography of M Sanger with a social history of the birth control movement

Disloyal Mothers and Scurrilous Citizens Kathleen Kennedy, 1999-09-22 A concise and highly readable study of women's influence on a crucial era in American political and cultural history Kathleen Kennedy's unique study explores the arrests trials and defenses of women charged under the Wartime Emergency Laws passed soon after the US entered World War I These women often members of the political left whose anti war or pro labor activity brought them to the attention of federal officials made up ten percent of the approximately two thousand Federal Espionage cases Their trials became important arenas in which women's relationships and obligations to national security were contested and defined Anti radical politics raised questions about the state's role in defining motherhood and social reproduction Kennedy shows that state authorities often defined women's subversion as a violation of their maternal roles Yet with the exception of Kate Richards O'Hare the women charged with sedition did not define their political behavior within the terms set by maternalism Instead they used liberal arguments of equality justice and democratic citizenship to argue for their right to speak frankly about American policy Such claims while often in opposition to strategies outlined by their defense teams helped form the framework for modern arguments made in defense of civil liberties
