Rebel Males:

Stories for Boys Who Dare to be Different Ben Brooks, 2018-04-03 WINNER OF THE CHILDREN'S BOOK OF THE YEAR AT THE NATIONAL BOOK AWARDS 2018 THE SUNDAY TIMES NUMBER 1 BESTSELLER April 2018 _____ This book can save lives This book can change lives This book can help to bring forth another generation of boys who dare to be different Benjamin Zephaniah _____ Daniel Radcliffe Galileo Galilei Nelson Mandela Louis Armstrong Grayson Perry Louis Braille Lionel Messi King George VI Jamie Oliver all dared to be different Prince charming dragon slayer mischievous prankster More often than not these are the role models boys encounter in the books they read at home and at school As a boy there is an assumption that you will conform to a stereotypical idea of masculinity But what if you're the introvert kind What if you prefer to pick up a book rather than a sword What if you want to cry when you're feeling sad or angry What if you like the idea of wearing a dress There is an ongoing crisis with regards to young men and mental health with unhelpful gender stereotypes contributing to this malaise *Stories for Boys Who Dare to Be Different* offers a welcome alternative narrative It is an extraordinary compilation of 100 stories of famous and not so famous men from the past to the present day every single one of them a rule breaker and innovator in his own way and all going on to achieve amazing things Entries include Frank Ocean Salvador Dal Rimbaud Beethoven Barack Obama Stormzy Ai Weiwei and Jesse Owens different sorts of heroes from all walks of life and from all over the world A beautiful and transporting book packed with stories of adventure and wonderment it will appeal to those who need the courage to reject peer pressure and go against the grain It is the must have book for all those boys who worry about stuff and all those parents who worry about their boys who worry about stuff It will educate and entertain while also encourage and inspire For tales of even more brilliant men who have dared to be different *STORIES FOR BOYS WHO DARE TO BE DIFFERENT 2* is out now *Rebels* Leerom Medovoi, 2005-11-23 Holden Caulfield the beat writers Elvis Presley Chuck Berry and James Dean these and other avatars of youthful rebellion were much more than entertainment As Leerom Medovoi shows they were often embraced and hotly debated at the dawn of the Cold War era because they stood for dissent and defiance at a time when the ideological production of the United States as leader of the free world required emancipatory figures who could represent America's geopolitical claims Medovoi argues that the bad boy became a guarantor of the country's anti-authoritarian democratic self image a kindred spirit to the freedom seeking nations of the rapidly decolonizing third world and a counterpoint to the repressive conformity attributed to both the Soviet Union abroad and America's burgeoning suburbs at home Alongside the young rebel the contemporary concept of identity emerged in the 1950s It was in that decade that identity was first used to define collective selves in the politicized manner that is recognizable today in terms such as national identity and racial identity Medovoi traces the rapid absorption of identity themes across many facets of postwar American culture including beat literature the young adult novel the Hollywood teen film early rock n roll black drama and bad girl narratives He demonstrates that youth culture especially

began to exhibit telltale motifs of teen racial sexual gender and generational revolt that would burst into political prominence during the ensuing decades bequeathing to the progressive wing of contemporary American political culture a potent but ambiguous legacy of identity politics

Male Supremacism in the United States Emily K. Carian, Alex DiBranco, Chelsea Ebin, 2022-04-21 Male Supremacism in the United States is a timely editorial collection providing analysis of current patriarchal misogynistic and antifeminist threats in the United States The book theorizes how male supremacism the system that disproportionately privileges cis men and subordinates women trans men and nonbinary people and its accompanying ideology of male superiority undergird many of the most crucial phenomena of our time The book examines how male supremacism manifests in three ways as patriarchal traditionalism as secular male supremacism and in its intersections with other systems of oppression From anti abortion activism to misogynist incels to the Proud Boys the collection illustrates how male supremacism plays a vital role in right wing recruitment and organizing The volume s contributions illuminate unique aspects of male supremacist ideology practice and culture Together they provide a sweeping overview of the development and deployment of male supremacism in the United States This book will be of value to anyone studying or researching male supremacism gender feminism women s studies hate studies and the far right

Typical Men Andrew Spicer, 2001-04-12 Typical Men is the first book length study of masculinity in British cinema and offers a broad and lively overview from the Second World War to the present day Spicer argues that masculinity in popular fiction can best be understood as a range of dynamic and competing cultural types which rise and fall in relation to shifting patterns of film production audience taste and social change Specific chapters are devoted to each of the major types debonair gentlemen civilian professionals action adventurers the Ever yma n Fools and Rogues criminals rebels and damaged men which trace their changing histories through innovative readings of key films together with a fresh look at the performances of particular stars including James Mason Kenneth More Michael Caine and Sean Connery A final chapter explores the complex and hybrid types that have evolved within a volatile and unstable contemporary British cinema now part of an array of interrelated media images of masculinity Typical Men will be of keen interest to those concerned with the cultural history of gender and its detailed and carefully contextualised interpretations of films afford a reappraisal of British cinema history especially the neglected and despised 1950s Andrew Spicer s Typical Men is a major intervention in debates about masculinity in the cinema It takes a lot of intellectual risks and locates cinematic stereotypes of masculinity in a cinematic and cultural context It is trenchant and original and redefines the field of gender representation Sue Harper Professor of Film History University of Portsmouth The strength of this elegantly and wittily written book is that in the precision of its detail about individual performances actors and films it never loses sight of its argumentative threads Brian McFarlane Screening the Past

Male Beauty Kenneth Krauss, 2014-05-01 Explores how a younger and more sensitive form of masculinity emerged in the United States after World War II In the decades that followed World War II Americans searched for and often found signs of a new masculinity that

was younger sensitive and sexually ambivalent Male Beauty examines the theater film and magazines of the time in order to illuminate how each one put forward a version of male gendering that deliberately contrasted and often clashed with previous constructs This new postwar masculinity was in large part a product of the war itself The need to include those males who fought the war as men many of whom were far younger than what traditional male gender definitions would accept as manly extended the range of what could and should be thought of as masculine Kenneth Krauss adds to this analysis one of the first in depth examinations of how males who were sexually attracted to other males discovered this emerging concept of manliness via physique magazines [The Male Body](#) Susan Bordo,2000-07-15 In this candid analysis Susan Bordo speaks to men and women alike scrutinising the images and experience of everyday life She takes a frank tender look at her own father s body and goes on to analyse the presentation of maleness in wider society [Men's Bodies](#) Judith Still,2019-08-07 This special issue of Paragraph Volume 26 Numbers 1 and 2 brings together differing approaches from a diverse range of disciplines to the question of the representation of men s bodies in twentieth century visual culture from art photography and cinema to popular culture advertising and pornography These are bodies of different colours nationalities sexualities ages which are available to be gazed upon by many different consumers even though the location of the different images may condition both who looks and how they look [The Rebel's Apothecary](#) Jenny Sansouci,2020-05-19 Learn how to improve your health and wellness with the healing magic of cannabis CBD and medicinal mushrooms When health coach and wellness blogger Jenny Sansouci learned that her father was diagnosed with stage 4 pancreatic cancer her extensive knowledge of the latest alternative therapies was put to the test Jenny dove into the world of cannabis and mushrooms and their medicinal properties and she and her dad are now outspoken champions of the healing power of these plants and fungi not only to tame the side effects of chemotherapy but to address everyday wellness concerns The Rebel s Apothecary is the result of her heartfelt and rigorous quest a science based and supportive guide that will enhance the lives of anyone living with pain anxiety depression a weakened immune system insomnia and more Complete with background information dosing instructions and everyday recipes this is the essential handbook for harnessing the ancient healing powers of cannabis and mushrooms safely without confusion fear or an unwanted high In addition to debunking myths and de stigmatizing these powerful healing plants and fungi The Rebel s Apothecary presents Specific protocols and dosage guides for wellness uses mood sleep immunity focus energy and managing common chemotherapy side effects Everyday wellness routines Recipes for delicious easy health enhancing cannabis and mushroom infused smoothies coffee drinks teas elixirs gummies and broths including recipes from chefs and wellness experts like Dr Andrew Weil Kris Carr Seamus Mullen Marco Canora and more The latest research on CBD THC medicinal mushrooms and psilocybin Tips for creating a cutting edge home apothecary of your own **Spectacular Passions** Brett Farmer,2000-10-30 The image of the movie obsessed gay man is a widely circulating and readily recognizable element of the contemporary cultural landscape Using psychoanalytic

theory as his guide while inflecting it with insights from both film theory and queer theory Brett Farmer moves beyond this cliché to develop an innovative exploration of gay spectatorship The result *Spectacular Passions* reveals how cinema has been engaged by gay men as a vital forum for fantasmatic performance in this case the production of specifically queer identities practices and pleasures Building on the psychoanalytic concept of the fantasmatic Farmer works to depathologize gay male subjectivity While discussing such films as *Kiss of the Spider Woman* *The Pirate* *Suddenly Last Summer* and *Sunset Boulevard* and stars ranging from Mae West to Montgomery Clift Farmer argues that the particularities of gay men's social and psychic positionings motivate unique receptions of and investments in film The Hollywood musical gay camp readings of the extravagant female star and the explicit homoeroticism of the cinematic male body in gay fanzines are further proof says Farmer of how the shifting libidinal profiles of homosexual desire interact with the fantasy scenarios of Hollywood film to produce a range of variable queer meanings This fascinating and provocative study makes a significant new contribution to discussions of cinema spectatorship and sexuality As such it will be welcomed by those in the fields of film theory queer theory and cultural studies

Rebel's Karma Rebecca Zanetti, 2021-06-08 There's no denying destiny For too long Benjamin Reese has masked his deadly skills and temper with loyalty and humor A vampire demon hybrid he fiercely protects his family guards his brothers and destroys the enemy without mercy But when he discovers one fragile beautiful blonde a woman once mated to a Kurjan no less every primal instinct he has buried for centuries roars to life With the mating mark she roused on his hand entwining their fates no one will prevent him from keeping her safe and making her his forever Or desire Karma wishes she could remember her last name Or if she even had one All she has in this confusing new world is a desperate duty to save the innocent That means destroying the dark dangerous and desirable Benjamin Reese and everything he loves an impossible task even before his touch arouses a passionate hunger she can't afford She's certain a deadly enemy watches her every move but it's not until Benny kisses her that she tastes true danger Spicy romantic interplay highly recommended Library Journal on Vampire's Faith Sizzling sex scenes and a memorable cast Publishers Weekly on Claimed A fast paced excitement filled explosion of action Zanetti keeps getting better RT Book Reviews on Marked 4.5 Stars Top Pick

Hutu Rebels Anna Hedlund, 2019-10-04 In 1994 almost one million ethnic Tutsis were killed in the genocide in Rwanda In the aftermath of the genocide some of the top echelon Hutu officers who had organized it fled Rwanda to the eastern Congo DRC and set up a new base for military operation with the goal of retaking power in Kigali Rwanda More than twenty years later these rebel forces comprise a diverse group of refugees rebel fighters and civilian dependents who operate from mountain areas in the Congo forests and have a long and complex history of war and violence While media and human rights reports typically portray this rebel group as one of the most brutal rebel factions operating in the eastern Congo region Hutu Rebels paints a more complex picture Having conducted ethnographic fieldwork in a rebel camp located deep in the Congo forest Anna Hedlund explores the micropolitics and practices of everyday life among a community of Hutu rebel fighters and

their families living under the harshest of conditions She describes the Hutu fighters not only as a military unit with a vision of return to Rwanda but also as a community engaged in the present Congo conflicts Hedlund focuses on how fighters and their families perceive their own life conditions how they remember and articulate the events of the genocide and why they continue to fight in what appears to be an endless conflict Hutu Rebels argues that we need to move beyond compiling catalogs of atrocities and start examining the ordinary life of combatants if we want to understand the ways in which violence is expressed in the context of a most brutal conflict

Modernist America Richard Pells,2011-03-29 America s global cultural impact is largely seen as one sided with critics claiming that it has undermined other countries languages and traditions But contrary to popular belief the cultural relationship between the United States and the world has been reciprocal says Richard Pells The United States not only plays a large role in shaping international entertainment and tastes it is also a consumer of foreign intellectual and artistic influences Pells reveals how the American artists novelists composers jazz musicians and filmmakers who were part of the Modernist movement were greatly influenced by outside ideas and techniques People across the globe found familiarities in American entertainment resulting in a universal culture that has dominated the twentieth and twenty first centuries and fulfilled the aim of the Modernist movement to make the modern world seem more intelligible Modernist America brilliantly explains why George Gershwin s music Cole Porter s lyrics Jackson Pollock s paintings Bob Fosse s choreography Marlon Brando s acting and Orson Welles s storytelling were so influential and why these and other artists and entertainers simultaneously represent both an American and a modern global culture

The Outcast Majority Marc Sommers,2015-12-01 The Outcast Majority invites policymakers practitioners academics students and others to think about three commanding contemporary issues war development and youth in new ways The starting point is the following irony while African youth are demographically dominant most see themselves as members of an outcast minority The irony directly informs young people s lives in war affected Africa where differences separating the priorities of youth and those of international agencies are especially prominent Drawing on interviews with development experts and young people Marc Sommers shines a light on this gap and offers guidance on how to close it He begins with a comprehensive consideration of forces that shape and propel the lives of African youth today particularly those experiencing or emerging from war They are contrasted with forces that influence and constrain the international development aid enterprise The book concludes with a framework for making development policies and practices significantly more relevant and effective for youth in areas affected by African wars and other places where vast and vibrant youth populations reside

Queering Teen Culture Jeffery P Dennis,2013-12-16 Why did Fonzie hang around with all those high school boys Is the overwhelming boy meets girl content of popular teen movies music books and TV just a cover for an undercurrent of same sex desire From the 1950s to the present popular culture has involved teenage boys falling for longing over dreaming about singing to and fighting over teenage girls But *Queering Teen Culture* analyzes more than 200 movies

and TV shows to uncover who Frankie Avalon's character was really in love with in those beach movies and why Leif Garrett became a teen idol in the 1970s. In Top 40 songs, teen magazines, movies, TV soap operas, and sitcoms, teenagers are defined by their pubescent discovery of the opposite sex, universally and without exception. *Queering Teen Culture* looks beyond the litany to find out when adults became so insistent about teenage sexual desire and why, and finds evidence of same-sex desire, romantic interactions, and identities that, according to the dominant ideology, do not and cannot exist. This provocative book examines the careers of male performers whose teenage roles made them famous, including Ricky Nelson, Pat Boone, Fabian, and James Darren, and discusses examples of lesbian desire, including *I Love Lucy* and Laverne and Shirley. *Queering Teen Culture* examines Ozzie and Harriet, *Father Knows Best*, and *Leave It to Beaver*. Were Ricky, Bud, and Wally sufficiently straight? The juvenile delinquent films of the 1950s: Why weren't the rebel without a cause, bad boys interested in girls, horror, sci-fi, and zombies from outer space? *Body of a Boy*, *Mind of a Monster*, *Soul of an Unearthly Thing*, teen idols, pretty androgynous and feminine. No wonder they were rumored to be funny. Beach movies: She wants to plan their wedding, but he wants to surf, skydive, and go drag racing with the guys. Biker hippies, boys of the late 1960s. I know your scene, don't think I don't. The 1950s nostalgia of the 1970s. Why does Fonzie spend all his time with high school boys? Teen gore. What makes the psycho killer angry, and much more, including *Gidget*, the Brat Pack, buddy dramas, nerds, and operators. *Saved by the Bell*, *The Real World*, and the incredible shrinking teenager. *Queering Teen Culture* is an essential read for academics working in cultural and gay studies, and for anyone else with an interest in popular culture.

The Rebels, Daniel R. Wolf, 2000-12-15. The image of the outlaw biker is widely recognized in North American society. The reality is only known to insiders. To study the phenomenon of outlaw biker clubs, anthropologist Daniel Wolf bridged the gap between image and reality by becoming an insider. Electronic Format Disclaimer. Preliminary images removed at the request of the rights holder.

Scoring the Hollywood Actor in the 1950s, Gregory Camp, 2020-12-31. *Scoring the Hollywood Actor in the 1950s* theorises the connections between film acting and film music, using the films of the 1950s as case studies. Closely examining performances of such actors as James Dean, Montgomery Clift, and Marilyn Monroe, and films of directors like Elia Kazan, Douglas Sirk, and Alfred Hitchcock, this volume provides a comprehensive view of how screen performance has been musicalised, including examination of the role of music in relation to the creation of cinematic performances and the perception of an actor's performance. The book also explores the idea of music as a temporal vector which mirrors the temporal vector of actors' voices and movements, ultimately demonstrating how acting and music go together to create a forward axis of time in the films of the 1950s. This is a valuable resource for scholars and researchers of musicology, film music, and film studies more generally.

Alien Rebel's Fake Bride, Miranda Martin, 2021-06-30. Crystal Truth be told, I've always been a little jumpy, but being kidnapped by aliens shoved my anxiety into high gear. They buy and sell us Earth girls like chattel. Stealing us from our dying planet and keeping us on lockdown until they're ready to trade us away. When my fellow humans and I are rescued by the savage Draconian Warriors,

things get better but we're not free. So the other women leverage me into mating one of the Draconians in a grand scheme to take over the ship. I'm nothing if not a team player, but why did it have to be the huge scarred one who's as socially awkward as I am? Deceiving these brutal warriors seems like a really bad idea, the kind that could cause a small human like me to wind up dead or worse, desperately in love with a massive winged and tailed alien. Drake, I live for nothing more than starting a revolution among my Draconian brethren. I will set us free at long last from the misery of our Draconian Queens, who have been driven insane by a parasite. I don't have time or desire to rescue the human Queens, but my brother insists. When one of them lays claim to me, I'm suspicious. She panicked at the mere sight of me during the rescue, and only hours later she selected me for her mate. I'm no fool. She's a wily one, talking and squirming her way past my defenses. She's soft, beautiful, and scents like a goddess, but I can't let her ruin my people's only chance at freedom. Somehow, I have to make her my Queen and set my people free.

The Bachelor Battles Trilogy Angela White, Everything Has Changed. Four hundred years in the future, almost every baby born is female, and males have been enslaved. The only way to have a family is to enter the bachelor battles, where the competition is fierce, and even the winners leave damaged. You are about to go on a dystopian quest where women rule the world, a revolution is brewing, and humanity is going extinct. In the Bachelor Battles, everything has changed. This file includes Book 1: The Change, Book 2: Changeling Winds, Book 3: Forever Changed.

Celtic Geographies David Harvey, 2002. Questions traditional conceptualisations of Celticity that rely on a homogeneous interpretation of what it means to be a Celt in contemporary society.

Class Acts Mary Rizzo, 2015-08-01. Class Acts explores the development of lifestyle marketing from the 1960s to the 1990s. During this time, young men began manipulating their identities by taking on the mannerisms, culture, and fashion of the working class and poor. These style choices had contradictory meanings. At once, they were acts of rebellion by middleclass young men against their social stratum and its rules of masculinity, and also examples of the privilege that allowed them to try on different identities for amusement or as a rite of passage. Starting in the 1960s, advertisers and marketers looking for new ways to appeal to young people seized on the idea of identity as a choice, creating the field of lifestyle marketing. Mary Rizzo traces the development of the concept of lifestyle marketing, showing how marketers disconnected class identity from material reality, focusing instead on a person's attitudes, opinions, and behaviors. The book includes discussions of the rebel of the 1950s, the hippie of the 1960s, the white suburban hip-hop fan of the 1980s, and the poverty chic of the 1990s. Class Acts illuminates how the concept of lifestyle, particularly as expressed through fashion, has disconnected social class from its material reality and diffused social critique into the opportunity to simply buy another identity. The book will appeal to scholars and other readers who are interested in American cultural history, youth culture, fashion, and style.
