The Rebel Songster Manly Wade Wellman,1959 Dictionary Catalog of the Music Collection New York Public Library. Reference Department,1964 **Southern War Songs** William Long Fagan,1892 **Paperbound Books in Print** ,1966 *Vertical File Index* ,1960 *The Rebel Songster* Manly Wade Wellman,1959 *Hold the Fort* Philip Paul Bliss,1877 Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971 New York Public Library. Research Libraries,1979 **Gospel Hymns and Sacred Songs** ,1875 *Poems of Paul Hamilton Hayne* Paul Hamilton Hayne,1882 Our Appalachia Laurel Shackelford,Bill Weinberg,2014-10-17 Many books have been written about Appalachia but few have voiced its concerns with the warmth and directness of this one From hundreds of interviews gathered by the Appalachian Oral History Project editors Laurel Shackelford and Bill Weinberg have woven a rich verbal tapestry that portrays the people and the region in all their variety The words on the page have the ring of truth for these are the people of Appalachia speaking for themselves Here they recollect an earlier time of isolation but of independence and neighborliness For a nearer time they tell of the great changes that took place in Appalachia with the growth of coal mining and railroads and the disruption of old ways Persisting through the years and sounding clearly in the interviews are the dignity of the Appalachian people and their close ties with the land despite the exploitation and change they have endured When first published *Our Appalachia* was widely praised This new edition again makes available an authentic source of social history for all those with an interest in the region **Finding Birds in South Carolina** Robin M. Carter,1993 Identifies 200 prime bird sites in South Carolina **Confederate Imprints** T. Michael Parrish,Robert Marion Willingham,1984 *A History of Rome and Floyd County, State of Georgia, United States of America; Including Numerous Incidents of More Than Local Interest, 1540-1922* George Magruder Battey,2018-10-12 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *The Maroon* Mayne Reid,1892 **Negro Musicians and their Music** Maud Cuney-Hare,2020-09-28 In offering this study of Negro music I do so with the admission that there is no consistent development as found in national schools of music The Negro a musical force through his own distinct racial characteristics has made an artistic contribution which is racial but not yet national Rather has the influence of musical stylistic traits termed Negro spread over many nations wherever the colonies of the New World have become homes

of Negro people These expressions in melody and rhythm have been a compelling force in American music tragic and joyful in emotion pathetic and ludicrous in melody primitive and barbaric in rhythm The welding of these expressions has brought about a harmonic effect which is now influencing thoughtful musicians throughout the world At present there is evidenced a new movement far from academic which plays an important technical part in the music of this and other lands The question as to whether there exists a pure Negro art in America is warmly debated Many Negroes as well as Anglo Americans admit that the so called American Negro is no longer an African Negro Apart from the fusion of blood he has for centuries been moved by the same stimuli which have affected all citizens of the United States They argue rightly that he is a product of a vital American civilization with all its daring its progress its ruthlessness and unlovely speed As an integral part of the nation the Negro is influenced by like social environment and governed by the same political institutions thus page vi we may expect the ultimate result of his musical endeavors to be an art music which embodies national characteristics exercised upon by his soul s expression In the field of composition the early sporadic efforts by people of African descent while not without historic importance have been succeeded by contributions from a rising group of talented composers of color who are beginning to find a listening public The tendency of this music is toward the development of an American symphonic operatic and ballet school led for the moment by a few lone Negro musicians of vision and high ideals The story of those working toward this end is herein treated Facts for this volume have been obtained from educated African scholars with whom the author sought acquaintanceship and from printed sources found in the Boston Public Library the New York Public Library and the Music Division of the Library of Congress The author has also had access to rare collections and private libraries which include her own Folk material has been gathered in personal travel

A History of Rome and Floyd County, State of Georgia ...
 George Magruder Battey,1922 An English dictionary Elisha Coles,1717 **Asmodeus; or, The devil on two sticks [tr. by J. Thomas].** Alain René Le Sage,1879 **Civil War Extra: A newspaper history of the Civil War from 1863 to 1865**
 Eric Caren,1999 This two volume collection of newspapers is one of the most important Civil War publications ever produced and it brings the events of the war vividly in focus A unique of the moment perspective it begins with the Nat Turner slave insurrection and covers every battle many by the local papers for a truly firsthand up close view Lincoln s election inauguration and assassination are given full coverage Caren s extensive collection includes many extremely rare Southern editions which would never be seen except in this remarkable publication Loaded with engravings depicting battles military leaders and maps this is an absolutely essential addition to any enthusiast s collection
