**John Eric Vining**

## **Rebel In Yankee Blue:**

**Rebel in Yankee Blue** Ray Hogan,1993      Yankee Blue or Rebel Gray? Kate Connell,2003-07-01 As cousins take up arms against one another and America's bloodiest war unfolds young Sam Shaw grows to realize that choosing sides in the conflict is far more complicated than he had thought Connell details significant battles and profiles key historical figures as she conveys the heart wrenching turbulence of a family and nation divides      *Rebels in Blue* Peter F. Stevens,1999-05-01 This Civil War story follows the real life exploits of a married couple who fought side by side as soldiers for the North the South and finally for a band of marauding pro Union partisans      **Kentuckian in Blue** Dan Lee,2010-03-30 Lovell Harrison Rousseau was a distinguished Union general in the Civil War but he was more than a soldier A defense attorney Rousseau served as a state legislator in Indiana and Kentucky before the war After the war Rousseau served as a congressman before returning to the service in 1867 as a brigadier general This biography covers Rousseau's childhood challenges varied career and ambiguous attitude toward blacks      *Yankee Blue Or Rebel Gray? the Civil War Adventures of Sam Shaw* Kate Connell,2003-07-01 Illustrated text letters and diary excerpts follow the fictional Abbots in Ohio whose son fights for the Union and their relatives in Tennessee who support the Confederacy during the Civil War      Rebel Cornbread and Yankee Coffee Garry Fisher,2001 This unconventional culinary history explores the campfire experiences shared by soldiers on both sides of the Civil War and includes recipes commonly used on the battlefield      **Rebel Guerrillas** Paul Williams,2018-10-29 From the hills and valleys of the eastern Confederate states to the sun drenched plains of Missouri and Bleeding Kansas a vicious clandestine war was fought behind the big battle clashes of the American Civil War In the east John Singleton Mosby became renowned for the daring hit and run tactics of his rebel horsemen Here a relatively civilized war was fought women and children usually left with a roof over their heads But along the Kansas Missouri border it was a far more brutal clash no quarter given William Clarke Quantrill and William Bloody Bill Anderson became notorious for their savagery      Post-bellum Campaigns of the Blue and Gray, 1881-1882 ... Louis C. Gosson,1882      Baptism at Bull Run James P. Reger,2004 Provides a moving portrait of the commanders and men on both sides who fought and died in this inaugural clash of arms      The Blue Coats, and how They Lived, Fought and Died for the Union John Truesdale,1867 Among the many productions which the late war has drawn forth the editor has thought there is room for such a volume as this which shall present a full and complete picture of the various phases of the life of a soldier his battles marches sufferings and privations and such instances of personal during the four years of our civil strife He is well aware that full justice can not be done to those brave men who on land and sea carried the Stars and Stripes in triumph throughout the entire length and breadth of that portion of the Union so lately in arms against the General government but he hopes and believes that those who wore the glorious blue coat will recognize the fidelity and truthfulness of the present volume which aims solely to present to the country in a familiar and pleasant manner the claims of our heroes to the nation's gratitude The selections herein embodied have been made carefully

and faithfully from the current literature of the war a task to which the editor has devoted considerable time and research His aim has been to draw from the mass before him the most graphic and striking articles those which would most forcibly recall to the survivors of the army and navy the stirring scenes through which they passed so bravely which would depict most truthfully their fortitude and heroism in adversity Preface Boys Become Men Through the Eyes of War J. Terry Hall, 2016-03-03 Boys Become Men through the Eyes of War is a story of two young boys growing up in the mountains of Western North Carolina during the turbulent years surrounding the Civil War Having become blood brothers following a Cherokee Indian tradition they promised to always have each others back Although following the declaration of war each boy had to follow his own conscience and march to a different drummer one going north one going south *Jersey Blue* William Gillette, 1995 This political history of New Jersey during the Civil War and the years immediately before and after invites us to rethink New Jersey's role and in particular its relationship to the border states William Gillette argues that there is little evidence supporting the idea that New Jersey's residents were pro southern before the war or even antiwar during it although attitudes toward the abolition of slavery were more ambivalent The perspectives Gillette offers in Jersey Blue from the recruiting ground the battlefield and the home front cast new light on New Jersey's wartime activities state identity and our understanding of the interrelationships between New Jersey's national regional and state developments Gillette takes a broader view of the politics of the Civil War as he touches on the economy geography demography immigration nativism conscription and law The result is a pioneering history of New Jersey that deepens our understanding of the Civil War

**Lincoln's Unfinished Work** Orville Vernon Burton, Peter Eisenstadt, 2022-05-18 In his Gettysburg Address Abraham Lincoln promised that the nation's sacrifices during the Civil War would lead to a new birth of freedom Lincoln's Unfinished Work analyzes how the United States has attempted to realize or subvert that promise over the past century and a half The volume is not solely about Lincoln or the immediate unfinished work of Reconstruction or the broader unfinished work of America coming to terms with its tangled history of race it investigates all three topics The book opens with an essay by Richard Carwardine who explores Lincoln's distinctive sense of humor Later in the volume Stephen Kantrowitz examines the limitations of Lincoln's Native American policy while James W. Loewen discusses how textbooks regularly downplay the sixteenth president's antislavery convictions Lawrence T. McDonnell looks at the role of poor Blacks and whites in the disintegration of the Confederacy Eric Foner provides an overview of the Constitution shattering impact of the Civil War amendments Essays by J. William Harris and Jerald Podair examine the fate of Lincoln's ideas about land distribution to freedpeople Gregory P. Downs focuses on the structural limitations that Republicans faced in their efforts to control racist violence during Reconstruction Adrienne Petty and Mark Schultz argue that Black land ownership in the post Reconstruction South persisted at surprisingly high rates Rhondra Robinson Thomas examines the role of convict labor in the construction of Clemson University the site of the conference from which this book evolved Other essays look at events in the twentieth and

twenty first centuries Randall J Stephens analyzes the political conservatism of white evangelical Christianity Peter Eisenstadt uses the career of Jackie Robinson to explore the meanings of integration Joshua Casmir Catalano and Briana Pocratsky examine the debased state of public history on the airwaves particularly as purveyed by the History Channel Gavin Wright rounds out the volume with a striking political and economic analysis of the collapse of the Democratic Party in the South Taken together the essays in this volume offer a far reaching thought provoking exploration of the unfinished work of democracy particularly as it pertains to the legacy of slavery and white supremacy in America **Blue Blood, Or White**

**May and Black June** Leon Dande,1877 *Fortress of a Rebel* Barbara D. Michel,2002-07 Reminiscences of A Rebel

Wayland Fuller Dunaway,2020-07-17 Reproduction of the original Reminiscences of A Rebel by Wayland Fuller Dunaway

*The Blue and the Gray* Henry Steele Commager,Professor of History Henry Steele Commager,1995 Reproduces over 150 narratives that combine to present a history of the Civil War in the words of first hand participants and observers covering events from the nomination of Abraham Lincoln to the eve of Gettysburg **The Fiery Cross, a Tale of the Great**

**American War. By the Author of "The Black Angel" [i.e. William Stephens Hayward], Etc** CROSS.,1871 Peace in

the Valley John Eric Vining,2017-10-03 Mark Gamble is one of the greatest sharpshooters in the Civil War s Confederate Army of Tennessee He is well known on both sides of the battle line revered by his compatriots and feared by his enemies Mark s own fear is that his soul is lost forever as his lust for killing increasingly takes over his entire being After he is severely wounded at the Battle of Lookout Mountain on November 24 1863 Mark is captured by Union soldiers and placed in a federal military hospital in Chattanooga Tennessee There he is nursed back to health by the lovely Ruth Taylor a Quaker nurse volunteer at the hospital Falling in love with the gentle and caring Ruth he eventually wins her hand in marriage The war ends Mark converts to the Society of Friends and Mark and Ruth settle into what would seem to be a happily ever after life of farming in the lush valleys of the Appalachian Mountains near Allentown Pennsylvania But Ruth feels a call in her life to serve as a missionary to the Brule Lakota Sioux in Western Nebraska a tribe that is slowly being decimated by white encroachment With deep misgivings Mark agrees to accompany her and the couple moves to the West to answer Ruth s calling Can Ruth survive the tough brutal life of a Great Plains wife and missionary Can Mark serve as both a companion to his wife and a mentor to the distrusting Native American tribe while withstanding the pressures inherent to an Indian agent Most importantly can Mark with the grace of God and a spirit of self forgiveness find redemption for his many transgressions as a missionary to a dying race on the bleak windswept barrens of the western Great Plains *Hidden History of Kentucky in the Civil War* Berry Craig,2010-02-19 Kentucky s motto may be united we stand divided we fall but during the civil war brother fought brother to the bitter end The Civil War sharply split the Bluegrass State Kentuckians fought Kentuckians in some of the bloodiest battles of America s bloodiest war The names and faces of the winning and losing generals of those battles are in most history books But this book is not like most history books it is about hidden history Most of the stories are

not found in other books Some are proof that the Civil War was truly a brother s war in the home state of Lincoln and Davis From the Graves County gun grab to pirates in Paducah to dueling gunboats on the Mississippi this one of a kind collection of little known tales by Kentucky historian Berry Craig will captivate Civil War enthusiasts and casual readers alike
