Love for a Deaf Rebel Derrick King,2021-03-23 Love for a Deaf Rebel introduces readers to Pearl a vivacious Canadian born into a silent world With pathos and nostalgia the hearing author recounts his roller coaster ride with a deaf maverick who unknown to him had paranoid schizophrenia We follow their encounters through actual conversations written before the author learned sign language we go on their motorcycle ride to Guatemala we watch as the happy couple moves to Bowen Island a community with just three paved roads where Pearl and the author marry and build their dream home and hobby farm They encounter one obstacle after another while building their life together as Pearl s perception of reality and crucially their perception of each other begins to change There are other books about schizophrenia in the family such as Hidden Valley Road and deaf hearing relationships such as Children of a Lesser God but none that tells the true story of a woman who struggled with both disabilities and her final tumultuous romance The turn in events blind sided me and the tragedy of the situation made me realise what a privilege and a responsibility I had to convey your thoughts and words as well as possible I found the book deeply personal and raw a wonderful window into the world of the deaf I found my hands moving involuntarily whenever I was voicing deaf characters As things started to fall apart I was deeply moved by how personal your account of that time was By the end of the book I was choking back my tears and having to re record lines as I found my voice cracking on the recording Thank you for trusting me to bring your book and your journey to audio Joe Vaz Narrator

The Rebel Albert Camus,2012-09-19 By one of the most profoundly influential thinkers of our century The Rebel is a classic essay on revolution that resonates as an ardent eloquent and supremely rational voice of conscience for our tumultuous times For Albert Camus the urge to revolt is one of the essential dimensions of human nature manifested in man s timeless Promethean struggle against the conditions of his existence as well as the popular uprisings against established

orders throughout history And yet with an eye toward the French Revolution and its regicides and deicides he shows how inevitably the course of revolution leads to tyranny Translated from the French by Anthony Bower *The Rebel Nun* Marj Charlier,2021-03-02 Marj Charlier's *The Rebel Nun* is based on the true story of Clotild the daughter of a sixth century king and his concubine who leads a rebellion of nuns against the rising misogyny and patriarchy of the medieval church At that time women are afforded few choices in life prostitution motherhood or the cloister Only the latter offers them any kind of independence By the end of the sixth century even this is eroding as the church begins to eject women from the clergy and declares them too unclean to touch sacramental objects or even their priest husbands Craving the legitimacy thwarted by her bastard status Clotild seeks to become the next abbess of the female Monastery of the Holy Cross the most famous of the women's cloisters of the early Middle Ages When the bishop of Poitiers blocks her appointment and seeks to control the nunnery himself Clotild masterminds an escape leading a group of nuns on a dangerous pilgrimage to beg her royal relatives to intercede on their behalf But the bishop refuses to back down and a bloody battle ensues Will Clotild and her sisters succeed with their quest or will they face excommunication possibly even death In the only historical novel written about the incident *The Rebel Nun* is a richly imagined story about a truly remarkable heroine *Rebel Prince* Tom Bower,2018 The pampered petulant self pitying Prince A devastating book by Britain's top investigative author Daily Mail Explosive new book delves inside the bizarre ultra luxury world of Prince Charles The Sun Best selling author Tom Bower reveals the power passion and defiance of Prince Charles Few heirs to the throne have suffered as much humiliation as Prince Charles Despite his hard work and genuine concern for the disadvantaged he has struggled to overcome his unpopularity After Diana's death his approval rating crashed to 4% and has been only rescued by his marriage to Camilla Nevertheless just one third of Britons now support him to be the next king Many still fear that his accession to the throne will cause a constitutional crisis That mistrust climaxed in the aftermath of the trial of Paul Burrell Diana's butler acquitted after the Queen's sensational recollection In unearthing many secrets surrounding that and many other dramas Bower's book relying on the testimony from over 120 people employed or welcomed into the inner sanctum of Clarence House reveals a royal household rife with intrigue and misconduct The result is a book which uniquely will probe into the character and court of the Charles that no one until now has seen **Evil King** Rebel Hart,2020-10-19 I was told if I would be the King's Queen I could have everything I've ever wanted but he can't give me the one thing I want most Deon disappeared without a trace the summer before my 9th grade year I was told he didn't want to see me anymore so I moved on I moved up My high school's elite The Royal Court made me their queen and I didn't look back But then Deon showed up again It wasn't the tats bad attitude or even the rumors of prison that concerned me the most It was the fact that he still looked at me the way he did when we fell in love as kids I traded in my tomboy ways for a queen's regality but now my gritty soulmate is back I'm stuck between the life I moved on from and the one I moved on to Is there a way I can bring the two or will I push too hard and lose both sides
