This Rebel Heart Katherine Locke, 2023-11-14 A tumultuous tale of the student-led 1956 Hungarian revolution set in a colorless post WWII Budapest where the magical Danube river has plans of its own from Sydney Taylor Honor winner Katherine Locke A haunting beautiful read that centers queer Jewish characters BuzzFeed In the middle of Budapest there is a river Csilla knows the river is magic During WWII the river kept her family safe when they needed it most safe from the Holocaust But that was before the Communists seized power Before her parents were murdered by the Soviet police Before Csilla knew things about her father's legacy that she wishes she could forget Now Csilla keeps her head down planning her escape from this country that has never loved her the way she loves it But her carefully laid plans fall to pieces when her parents are unexpectedly publicly exonerated As the protests in other countries spur talk of a larger revolution in Hungary Csilla must decide if she believes in the promise and magic of her deeply flawed country enough to risk her life to help save it or if she should let it burn to the ground With queer representation fabulist elements and a pivotal but little-known historical moment *This Rebel Heart* is Katherine Locke's tour de force

The Heart: The Key to Everything in the Christian Life

Tim Rowe,2016-03-10 We need to recover a truth that has been all but lost in modern day Christianity It has been buried for too long and it is too valuable to be forgotten This life changing truth is that the heart is the key to everything in the Christian life The heart is the wellspring of all our actions emotions motives and character Everything we are everything we say and everything we do flows directly from the heart In *The Heart The Key to Everything in the Christian Life* believers will discover how the heart is central to spiritual growth and how it will help us better reflect the image of Christ in a fallen world The heart is the key to our service and obedience to the Father The heart is the key to the purity and depth of our worship praise and love of God It is time the Christian church once again teaches a proper understanding of the heart so that we can fully embrace and manifest the life of Christ within us *A Heart for God's Glory* Lee Botzet,2007 A Heart for God's Glory The Revival of a God centered Faith in a Self centered World is a personal journey and a biblical theological historical study regarding the urgent need to recover our divinely created purpose to glorify God by passionately loving Him and finding our greatest satisfaction in Him *God Reforms Hearts* Thaddeus Williams,2021-08-11 Must we be free to truly love Evil is a problem for all Christians When responding to objections that both evil and God can exist many resort to a free will defense where God is not the creator of evil but of human freedom by which evil is possible This response is so pervasive that it is just as often assumed as it is defended But is this answer biblically and philosophically defensible In *God Reforms Hearts* Thaddeus J Williams offers a friendly challenge to the central claim of the free will defense that love is possible only with true or libertarian free will Williams argues that much thinking on free will fails to carve out the necessary distinction between an autonomous will and an unforced will Scripture presents a God who desires relationship and places moral requirements on his often rebellious creatures but does absolute free will follow Moreover God's work of transforming the human heart is more thorough than libertarian freedom allows With clarity precision and charity Williams judges the merits and shortcomings of the relational free will defense while offering a philosophically and biblically robust alternative that draws from theologians of the past to point a way forward *The Heart of David* Jeffrey Hazim,2006-04 *A Parallel Time & Place* N. E. Kurz,2025-01-17 What if it were possible to visit an ancient Biblical land and to experience what life was like In *A Parallel Time Place A Story of a Modern Nation Running in Sync with a Biblical Land in an Alternate Reality* an American

lady Saphah travels back in time to Judah during the reign of reforming King Josiah. There she discovers that spiritual events in that ancient time and place are eerily similar to current happenings in her own modern land. In fact, the moral descent of Judah runs in sync with the moral deterioration of the United States, and the corruption of Judah's capitol Jerusalem runs parallel with that of the US capitol. Although Judah is under pending judgment from God, King Josiah has arrived to bring temporary reform and reprieve to his nation as foretold in scripture. But then the Lord reveals to Saphah that the United States likewise faces upcoming judgment and discipline unless reform and reprieve occur in America too. Can Saphah warn her people of coming danger before it's too late? Will they listen and heed the spiritual lessons she learned during her journey into that alternate reality? Will they prepare themselves both personally and collectively to deal with what God has in store for them? And will they listen to God's message for Judah and America as Prophet Zephaniah proclaimed: Seek the Lord, all you humble of the land. Seek righteousness, seek humility; perhaps you will be sheltered on the day of the Lord's anger. Zephaniah
