## Rebels Seed:

**How Insurgency Begins** Janet I. Lewis, 2020-09-03 How and why do rebel groups initially form Prevailing scholarship has attributed the emergence of armed rebellion to the explosion of pre mobilized political or ethnic hostilities However this book finds both uncertainty and secrecy shrouding the start of insurgency in weak states Examining why only some incipient armed rebellions succeed in becoming viable challengers to governments How Insurgency Begins shows that rumors circulating in places where rebel groups form can influence civilians perceptions of both rebels and the state By revealing the connections between villagers trusted network structures and local ethnic demography Janet I Lewis shows how ethnic networks facilitate the spread of pro rebel rumors This in depth analysis of conflicts in Uganda and neighbouring states speaks to scholars and policymakers seeking to understand the motives and actions of those initiating armed rebellion those witnessing the process in their community and those trying to stop it *King of Kings, Rebel of Rebels* Jacob R.

Klein, 2020-12-03 If you re a Christian you know that Jesus took the sin of all mankind upon Himself to offer redemption and everlasting life to those who believe in Him But did you know that in His own time the Jews expected the Messiah to be a military leader who would liberate them from Rome Our current understanding of Jesus and His role was very different from that of His contemporaries and the first disciples This accessible compulsively readable book tells the story of Jesus life with different twists You ll be enthralled by Jesus teachings appreciate the significance of His power to perform miracles and dig deeper into the meaning of some of His best known parables You ll see the connections between Jesus and the prophecies of the Old Testament You ll walk alongside His first disciples and become entangled in the plot that led to His arrest trial and death But most of all you ll see that although Jesus was obedient to His father in heaven he bucked convention in his life on Earth from the Romans and the Sanhedrin to everyday Jews and sometimes even His close friends Jesus was perceived as a rebel who broke new ground in faith and action Whether you are new to your faith journey or revisiting a well loved road this compelling guide to Jesus life and times is the extra insight you need to spark your soul **Black Rebels** Werner Zips, 1999

Zips University of Vienna details the history of African Caribbeans who escaped from slavery and developed autonomous societies beyond the colonial system He blends standard ethnography with conventional history often vividly capturing the musical voices of the Jamaica Maroons He brings study of Maroon society up through the 20th century and questions many assertions by past reporters and current scholars on the culture economy and politics of Maroon society Includes color photos of celebrations in a Maroon village and bandw historical illustrations Lacks a subject index Note the publisher has corrected an ISBN confusion this and another title Haiti Anthology were both inadvertently designated as 1 55876 167 5

Landis,2010-06-15 Beginning in the fall of 1920 Aleksandr Antonov led an insurgency that became the largest armed peasant revolt against the Soviets during the civil war Yet by the summer of 1921 the revolt had been crushed and popular support for the movement had all but disappeared Until now details of this conflict have remained hidden Erik Landis mines recently opened provincial and central Soviet archives and international collections to provide a depth of detail and historical analysis never before possible in this definitive account of the uprising Landis examines both sides of the conflict probing the testimonies of the insurgents their opponents and those caught in between We witness firsthand the frustrations failures and internal conflicts of the Bolsheviks and the spirit of rebellion that drove the insurgents and helped drive a localized dispute into a well organized mass rebellion that struck fear in the hearts of Communist leaders This political and military threat was influential in bringing about Lenin's conciliatory New Economic Policy which allowed farmers and villages to sustain themselves in a quasi market economy Bandits and Partisans presents a gripping tale of brutality domination and revolt placing readers at the frontlines of the complex and rich history of the Russian civil war and the consolidation of the new Soviet state **The Everlasting Empire** Yuri Pines,2012-05-27 Established in 221 BCE the Chinese empire lasted for 2 132 years before being replaced by the Republic of China in 1912 During its two millennia the empire endured internal wars foreign incursions alien occupations and devastating rebellions yet fundamental institutional sociopolitical and cultural features of the empire remained intact The Everlasting Empire traces the roots of the Chinese empire's exceptional longevity and unparalleled political durability and shows how lessons from the imperial past are relevant for China today Yuri Pines demonstrates that the empire survived and adjusted to a variety of domestic and external challenges through a peculiar combination of rigid ideological premises and their flexible implementation The empire's major political actors and neighbors shared its fundamental ideological principles such as unity under a single monarch hence even the empire's strongest domestic and foreign foes adopted the system of imperial rule Yet details of this rule were constantly negotiated and adjusted Pines shows how deep tensions between political actors including the emperor the literati local elites and rebellious commoners actually enabled the empire's basic institutional framework to remain critically vital and adaptable to ever changing sociopolitical circumstances As contemporary China moves toward a new period of prosperity and power in the

twenty first century Pines argues that the legacy of the empire may become an increasingly important force in shaping the nation's future trajectory *United States Reports* United States. Wilson, 2010-09-23 The Book of Revelation chapter 12 narrates a phenomenon that most readers will find incredible Given a view of a period of time in Heaven Apostle John saw and reported Then war broke out in Heaven Michael and his angels went forth to battle with the dragon and the dragon and his angels fought He actually saw Archangel Michael and His army of Angels in all out war against a dragon and the Dragon and his Angels fought back However the Dragon and his Angels did not prevail they were defeated and violently cast out of and down from Heaven And the huge dragon was cast down and out that ancient serpent who is called the Devil and Satan he who is the seducer deceiver of all Humanity the World over he was forced out and down to the Earth and his angels were flung out along with him Further the Warriors who vanquished this huge dragon called the Devil and Satan And they have overcome conquered him by means of the blood of the Lamb and by the utterance of their testimony for they did not love and cling to life even when faced with death holding their lives cheap till they had to die for their witnessing This was a War in which the armaments were the blood of the Lamb and by the utterance of their testimony This was a War of Words This War would continue on Earth After the Fall of Man the War on Earth between the Two Seeds would be a War of the Spirit Beings fought through Human Beings and other living things to the detriment of those who make the wrong choices during the battles to Save the World of Man How did it begin and how will it end This is one question every Believer is literally dying to know So did Prophet Daniel 12v8 And I heard but I did not understand Then I said O my lord what shall be the issue and final end of these things The issue and final end of these things become evident as
