**Rebels from West Point** Gerard A. Patterson, 2002 Tells the story of the 306 officers who after receiving a West Point education and swearing to uphold the values of the Union defected to serve the Confederacy The author examines this group of officers describing the choice they made and how even after they went South they remained connected to their former West Point cadets

**Repurposed Rebels** Mariam Bjarnesen, 2020-09-15 Despite peace agreements demobilization and reintegration processes the end of war does not automatically or necessarily make combatants abandon their wartime rebel networks In Liberia such structures have lingered long after the civil war came to an end in 2003 Weak formal security institutions with a history of predatory behavior have contributed to the creation of an environment where informal initiatives for security and protection are called upon In fragile postwar settings former soldiers can be used as intimidators but have paradoxically reemerged as security providers challenging our understanding of both the setting and the actors beyond the sphere of war Based on original interview material and findings from fieldwork Repurposed Rebels follows former rebel soldiers from the time of civil war to 2013 These actors have reemerged as recycled warriors in times of regional wars and crisis and as vigilantes and informal security providers for economic and political purposes Through these actors Mariam Bjarnesen examines the relevance of postwar rebel networks and ex combatant identity in contemporary Liberia with an eye to understanding the underlying aims of demobilization when reintegration is challenged Bjarnesen argues that these ex combatants have succeeded in reintegrating themselves due to not despite the fact that they have not been truly demobilized

**Rebels in Arms** Justin Iverson, 2022-11 Enslaved Black people took up arms and fought in nearly every colonial conflict in early British North America They sometimes served as loyal soldiers to protect and promote their owners interests in the hope that they might be freed or be rewarded for their service But for many Black combatants war and armed conflict offered an opportunity to attack the chattel slave system itself and promote Black emancipation and freedom In six cases starting in 1676 with Nathaniel Bacon s Rebellion in Virginia and ending in 1865 with the First South Carolina Volunteer Infantry Regiment near Charleston Rebels in Arms tells the long story of how enslaved soldiers and Maroons learned how to use military service and armed conflict to fight for their own interests Justin Iverson details a different conflict in each chapter illuminating the participation of Black soldiers Using a comparative Atlantic analysis that uncovers new perspectives on major military conflicts in British North American history he reveals how enslaved people used these conflicts to lay the groundwork for abolition in 1865 Over the nearly two hundred year history of these struggles enslaved resistance in the British Atlantic world became increasingly militarized and enslaved soldiers Maroons and plantation rebels together increasingly relied on military institutions and operations to achieve their goals *The West Point History of the Civil War* United States Military Academy, 2014-10-21 Comprises six chapters of the West Point history of warfare that have been revised and expanded for the general reader Page vii Those Damned Rebels Michael Pearson, 1972 A re creation of the

American Revolution from the British point of view and a dramatically different picture of the birth of our nation The Class of 1861, Ralph Kirshner has provided a richly illustrated forum to enable the West Point class of 1861 to write its own autobiography Through letters journals and published accounts George Armstrong Custer Adelbert Ames and their classmates tell in their own words of their Civil War battles and of their varied careers after the war Two classes graduated from West Point in 1861 because of Lincoln s need of lieutenants forty five cadets in Ames s class in May and thirty four in Custer s class in June The cadets range from Henry Algernon du Pont first in the class of May whose ancestral home is now Winterthur Garden to Custer last in the class of June Only thirty four graduated remarked Custer and of these thirty three graduated above me West Point s mathematics professor and librarian Oliver Otis Howard after whom Howard University is named is also portrayed Other famous names from the class of 1861 are John Pelham Emory Upton Thomas L Rosser John Herbert Kelly the youngest general in the Confederacy when appointed Patrick O Rorke head of the class of June Alonzo Cushing Peter Hains Edmund Kirby John Adair the only deserter in the class and Judson Kilpatrick great grandfather of Gloria Vanderbilt They describe West Point before the Civil War the war years including the Vicksburg campaign and the battle of Gettysburg the courage and character of classmates and the ending of the war Kirshner also highlights postwar lives including Custer at Little Bighorn Custer s rebel friend Rosser John Whitney Barlow who explored Yellowstone du Pont senator and author Kilpatrick playwright and diplomat Orville E Babcock Grant s secretary until his indictment in the Whiskey Ring Pierce M B Young a Confederate general who became a diplomat Hains the only member of the class to serve on active duty in World War I and Upton the class genius The Class of 1861 which features eighty three photographs includes a foreword by George Plimpton editor of the Paris Review and great grandson of General Adelbert Ames **The Southern Rebellion** William August Crafts,1870 *Rebel Salvation* Kathleen Zebley Liulevicius,2021-06-09 Winner of the Tennessee History Book Award In *Rebel Salvation* Kathleen Zebley Liulevicius examines pardon petitions from former Confederate soldiers and sympathizers in Tennessee to craft a unique and comprehensive analysis of the process of Reconstruction in the Volunteer State after the Civil War These underutilized petitions contain a wealth of information about Tennesseans from an array of social and economic backgrounds and include details about many residents who would otherwise not appear in the historical record They reveal the dynamics at work between multiple factions in the state former Rebels Unionists Governor William G Brownlow and the U S Army officers responsible for ushering Tennessee back into the Union The pardons also illuminate the reality of the politically and emotionally charged post Civil War environment where everyone from wealthy elites to impoverished sharecroppers who had fought supported or expressed sympathy for the Confederacy was required by law to sue for pardon to reclaim certain privileges All such requests arrived at the desk of President Andrew Johnson who ultimately determined which petitioners regained the right to vote hold office practice law operate a business and buy and sell land Those individuals filing petitions experienced Reconstruction in personal and profound ways Supplicants wrote and

circulated their exoneration documents among loyalist neighbors friends and Union officers to obtain favorable endorsements that might persuade Brownlow and Johnson to grant pardon Former Rebels relayed narratives about the motivating factors compelling them to side with the Confederacy chronicled their actions during the war expressed repentance and pledged allegiance to the United States government and the Constitution Although not required many petitioners even sought recommendations from their former wartime foes The pardoning of former Confederates proved a collaborative process in which neighbors acquaintances and erstwhile enemies lodged formal pleas to grant or deny clemency from state and federal officials Indeed as Rebel Salvation reveals the long road to peace began here in the newly reunited communities of postwar Tennessee
