Matthews,2010-08-01 The history of the Irish republican movement is dominated by the story of the men who took up arms in Ireland s fight for freedom against the British The names of men like Pearse Connolly Collins and Barry still resonate today as heroes who won independence for Ireland However the critical role of women in this fight for freedom has often been overlooked *Renegades* examines the part played by women in the major political and social revolutions that took place from 1900 1922 It explores the growing separation of republican women into two distinct groups those active on the military side in Cumann na mBan and those involved on the political side particularly with Sinn F in It also looks at the often ignored war on women which manifested itself in the form of physical and sexual assaults by both sides during the War of Independence and the fury of female republicans as the political establishment accepted the Anglo Irish Treaty In this evocative account *Renegades* restores the women of the republican movement to the prominent place they deserve in Irish history *Gamora and Nebula* Mackenzi Lee,2021-06-01 The second book in the hit series from New York Times best selling author Mackenzi Lee This three book series explores the untapped potential and duality of heroism of popular characters in the Marvel Universe The first book in the series *Loki Where Mischief Lies* was an instant New York Times best seller and received two starred reviews *Gamora* arrives on *Torndune* a once lush planet that has been strip mined for the power source beneath its surface with a mission collect the heart of the planet She doesn t know who sent her why they want it or even what the heart of a planet looks like But as the right hand and daughter of Thanos and one of the galaxy s most legendary warriors her job is
