Perennial Rebirth Karen Bolton, 2017-05-09 This book describes Life's Mysteries from a Hypnotist's Point of View The Dolores Cannon Quantum Healing Hypnosis Technique takes you to the deepest level of trance to the very Source of any issues in this Lifetime This book is a sequel to Karen's first book on Chinese Horoscopes and delves more deeply into the energies at play She has portrayed some of her own insights into the human condition and offers the get out of hell for free cards There are Conscious ways of helping oneself when a problem arises although hypnosis is of course contacting the Subconscious directly and deals with all problems all at once because the source is found and the individual's Soul Truth surfaces not just this life's story You become the best version of yourself by using these tools The reason most people think that they are stuck is usually not the real reason they are stuck Hypnosis looks to solve the problem and not just clear the symptom It requires a change in Worldview to understand reality in this way because the five senses of our body are very narrow perceptual ranges Traumas early in life can disconnect us Much like a tree where the sap is free flowing and brings nourishment to it so do we need that free flowing energy of our Souls If we have fears it is as the tree where the sap has been blocked What happens to the tree then is very much like what happens to us a slow death That is why it is necessary to find the source of the fears for that is where the blockage is so that the person can move from the Stomach where fear resides

Christ,1998-10-15 First published in 1999 One of the most unexpected developments of the late twentieth century is the rebirth of the religion of the Goddess in western cultures Though we were taught that the Gods and Goddesses died with the triumph of Christianity the re emergence of the Goddess is not as surprising as it might seem This book explores the meaning of the Goddess and the questions we ask as well as the ways we answer them Freedom Poems Sidney R. Jacobs Ph.D.,2019-06-24 Freedom Poems is a poetry collection that gives readers a glimpse of religion education racism politics and world issues that intrigue the mind and soul Dr Jacobs raises brows with queries that follow precise pieces for readers to document their feelings and sentiments After reading this repertoire readers will anxiously await for Freedom Poems Volume II *Free Will, Agency, and Selfhood in Indian Philosophy* Matthew R. 2020 and was a finalist for the Kingsley Tufts Poetry Award The Justification of the Good Vladimir Sergeyevich Solovyov, 1918 **The Rebirth of Suzzan Blac** Suzzan Blac Blac, 2013-08 Suzzan Blac's early years were the stuff of the darkest nightmares: abject poverty and spirit-crushing abuse. The monster in her house was hardly imaginary, but her very real mother. In her tough urban neighborhood, even school did not offer a safe haven; merely institutionalized mayhem. The only solace and release for Suzzan was in the art that allowed her to express her anguish: surreal drawings of monsters crying red tears. But the intensity of her drawings was too stark for those around her, and so she suppressed her expression, then stopped altogether. Adolescence brought a harrowing coercion into the horrific world of the sex trade, where she was held prisoner. She escaped but spiraled into depression. Eventual marriage to a kind man brought her the greatest joy: two beautiful children and a sense of normalcy for the first time in her life. But the long-buried memories of her past kept her an emotional hostage. She realized that to free herself and truly heal, she needed to release them in the best way she knew how: through art. And so she began to paint 42 stunning graphic pieces over four years, capturing the raw, unvarnished truth of a child neglected by those who were supposed to protect her. It would be a decade before she could summon the courage to show the artwork to anyone. When she did, she realized that bringing the paintings to light enabled other victims to speak up and seek help. Not surprisingly, international acclaim has followed her art, shown in galleries around the world. This spellbinding book is ultimately an inspirational story of resilience, healing, and the power of unconditional love.
