Rebuilding a Lost Faith - Primary Source Edition An American Agnostic,John L. Stoddard,2013-10 **Restoring a Fallen Christian** Greg S. Baker,2013-07-01 Pastor Gregory S Baker delivers a poignant and thought provoking examination of the depth and struggles of a fallen Christian and the effort needed to help restore them back to the loving embrace of Jesus Christ There has been much written on winning the lost to Christ but very little focuses on those who have actually fallen away from Christ and how to get them back Restoring a Fallen Christian fills a gaping hole in Christian literature The principles come straight from Scripture to provide insightful practical and thorough instructions to help bring someone back to Jesus Christ It is a painful truth but the Bible records stories of several men of God who stumbled in their faith and convictions Sometimes they didn t return Thankfully over time many of them were brought back into the fold but time has

made it clear that fallen Christians are not unique to that period in history We face similar stories of tragedy today but the effort in bringing them back have become a hurdle for the church and a challenge for every believer Pastor Baker presents a host of questions faced by many who have struggled through the anger pain emptiness and confusion that is often experienced when a Christian walks away from God In many cases these fallen Christians can and want to come back Often though we don t know where to start or how to proceed in helping them be restored in fact most of the time we don t even know the questions to ask That s where Baker triumphs this is his gift His experience as a pastor and counselor allow him to speak on a subject that many others may shy away from People fall away for many reasons and he tackles most of them to provide the widest range of tools available to the Restorer This book is a must have for every Christian If you don t need it now there may come a time when you do *Rebuilding Catholic Culture* Ryan Nathan Scott Topping,Ryan

Topping,2013-01-18 Rarely does a book come along that so succinctly explains the decline of modern culture articulates a defense of the Church s teachings and offers a hope filled path for building a civilization grounded in Catholic truth In these pages Dr Ryan Topping does all three pulling back the curtain on the false philosophies of the secularists and showing that in the West today the most formidable threat to freedom is not failing economies or Islam but secularism Our best defense he claims is a vibrant Catholic culture and our best hope for creating it lies in the principles found in the Catechism of the Catholic Church In *Rebuilding Catholic Culture* you ll discover sensible ways to begin restoring Catholic culture right now in your own life and family and in our larger communities as well in the theater in the classroom in our hospitals and even in the public square This profoundly accessible book will renew your confidence in the world transforming character of our Creed and in the potency of our Faith to shape and redefine the culture of the West Book jacket **Rebuilding The Real You** Jack W Hayford,2013-01-23 DIV*Rebuilding the Real You* Jack Hayford s landmark teaching on the Holy Spirit unfolds a clear picture of the process by which the Holy Spirit works in the life of the believer For anyone who has experienced times of brokenness the book is a handbook on div
