Nehemiah For You Eric Mason,2022-07-01 Expository Bible study guide to Nehemiah The book of Nehemiah chronicles a key moment in the history of God's people the rebuilding of the walls of Jerusalem after the return from exile Understanding this book doesn't just mean knowing about a rebuilt wall Nehemiah helps us think through any type of rebuilding we might do for God from our homes and families to our local church our communities and our world It teaches us ultimately about Jesus and his mission A pastor with decades of experience in cities Dr Eric Mason unpacks this rich book verse by verse He explains the context gives plenty of application for our lives today and shows us what it looks like to get involved in God's work to build his kingdom This expository guide can be read as a book used as a devotional and utilised in teaching and preaching **Prayers of the New Testament** Lynne M. Baab,2010-01-07 Are your prayers stuck in a rut In these eight session LifeGuide Bible Study from Lynne M Baab you'll find new words and new ways to pray through the prayers of Mary Simeon and Anna Peter Paul John and Jesus himself Their words and patterns can serve as rich models for us in our own conversations with God helping us get out of our ruts and onto fresh new paths of prayer **In God's Presence** N. Graham Standish,2010-07-05 Vibrant worship services argues creative and provocative author Graham Standish are those in which the congregation obviously asks questions such as Does our worship help people experience God Does our worship open people to the presence of Christ Does our worship encourage people to become available to the Holy Spirit Unfortunately he observes too many worship services are perfunctory suggesting that most churches don't think much about how to connect people with God In God's Presence makes the case that congregations must restore intentionality and authenticity to worship in a way that will open people to the Holy Intentionality he says reflects a deep understanding of what tradition has attempted to do what contemporary people are hungry for what is going on in our culture and how to connect the three Standish advocates what he calls an integrated approach to worship one that maintains the distinctiveness of each element of worship as a counterpoint to other elements He first explores the problem of worship in the current church Then he looks at ways to reconceive worship with an emphasis on restoring the Holy to worship Finally he looks at ways to lead a congregation to consider new ways of worshiping This book is about how to open people to an encounter with the Holy in worship how to follow God in this pursuit and how to lead those who have no interest in the Holy **Deuteronomy** Ajith

Fernando,2012-05-31 The book of Deuteronomy is a call to obedience the proper response to God s faithfulness and love Consisting primarily of speeches that Moses gave to the Israelites shortly before they entered the Promised Land Moses words proclaimed God s covenant faithfulness in hopes of motivating the Israelites to obey God despite the coming temptation to conform to the Canaanite culture The challenges they faced then are remarkably parallel to those facing Christians today as we grapple with the issue of obedience in a world that offers other attractive ways of life We wonder How can we be faithful to God And how do we help our children and the people we lead to be faithful This book tells us how Moses tackled these challenges and as Paul confirms in the New Testament Deuteronomy serves as an example written down for our instruction 1 Cor 10 11 Ajith Fernando unpacks the relevance of Deuteronomy and captivates us with rich anecdotes from his thirty five years of ministry to first generation Christians in Sri Lanka He offers concrete examples of how the truths contained in Deuteronomy can be applied and he teaches us that obedience is the necessary response to the God who loves and saves us Part of the Preaching the Word series **We Become What We Worship** G K Beale,2020-05-21 The heart of the biblical understanding of idolatry argues Gregory Beale is that we take on the characteristics of what we worship Employing Isaiah 6 as his interpretive lens Beale demonstrates that this understanding of idolatry permeates the whole canon from Genesis to Revelation Beale concludes with an application of the biblical notion of idolatry to the challenges of contemporary life With Skye Jethani,2011-08-22 With explores the narrative of the Bible to show that we were created to be with God and that restoring this connection is his mission Instead of life over under from or even for God what leads us into freedom and restoration is life with God Why are American Christians who have more access to biblical teaching than any other people in history failing to experience the freedom of the Christian life Why are pastors those closest to the work and ministry burning out at an alarming rate Why do many church members who give large amounts of their time and wealth to Christ and his kingdom secretly question the legitimacy of their efforts And why are spiritual seekers dismissing the validity of the Christian message Is it possible we ve misunderstood the call of the Christian life A life lived in rich communion with God cultivates faith hope and love in a way that transforms both us and the broken world we inhabit In With you ll find illustrations of concepts in the book to aid understanding recommendations for how to practice communion with God including three helpful practices and a discussion guide for use when continuing the conversation with others in small groups Endorsements If we ve grown weary of Christianity if we find most any local church uninspiring maybe the problem lies not in the Christian faith or these faithful bodies but in our own disgruntled hearts In With Skye Jethani tenderly unmask the clich d posturing that too often masquerades as genuine communion with Christ More importantly he takes readers to the humble place they must occupy in prayer studying Scripture with the Church if faith hope and love are to truly mark our lives James H Gilmore author The Experience Economy It doesn t matter as old theologians were rumored to argue how many angels can dance on a pinhead But it does matter which preposition governs your faith over after against for from

under with Who knew what huge worlds turn on such tiny words Who knew what theological riches were laced into the bones of grammar Skye has done a great service to the church In prose elegant and clear with insights keen and deep he shows how everything changes with just one word With It s a book I want my whole church to read Mark Buchanan author of Spiritual Rhythm Who knew that a preposition had so much influence Skye s book will challenge the way that you think about God and faith digging deep into our motivations and heart issues You can t read this book and not see yourself and others differently Margaret Feinberg author of Scouting the Divine and Hungry for God *Nurturing Hope* Lynne M.

God Is Not Mad at You Joyce Meyer,2013-09-03 When bestselling author Joyce Meyer posted God s not mad at you on Facebook she didn t anticipate that her words would trigger thousands of responses of gratitude and relief Apparently many Christians struggle to reconcile their perception of God as both a loving parent and a stern judge In GOD IS NOT MAD AT YOU Joyce will help those who haven t truly received God s love because they are afraid of His anger and disapproval She explores the source of this confusion so His genuine character can be better understood and His love can be experienced on an entirely new level Chapter titles include Perfectionism and Approval The Pain of Rejection Guilt and Shame Developing Your Potential Run to God Not from Him Getting Comfortable with God It is important for us to remember that God s anger is directed toward our sinful behavior rather than toward us If you feel guilty right now and are afraid that God is mad at you then you are miserable But your misery can be immediately changed to peace and joy by simply believing God s Word Believe that God loves you and that He is ready to show you mercy and forgive you completely Believe that God has a good plan for your life Believe that God is not mad at you Joyce Meyer
