SOCIAL
TRANSFORMATION
AFTER THE GDR

Edited by
CHRIS FLOCKTON
and
EVA KOLINSKY

Recasting East Germany

Zsófia Ignác

Recasting East Germany:

Recasting East Germany Chris Flockton, Eva Kolinsky, 2012-11-12 The transformation of east Germany since unification has wrought vast changes in the economy and in society and left deep scars as the types of social protection offered by the centralised socialism of the previous regime gave way to uncertainties and individualised life chances Social Transformation in Eastern Germany investigates the deep economic and social processes which east Germany has undergone highlighting the restructuring the social impacts and the stresses of adjustment experienced by key social groups whose workplace and social context has been recast almost out of recognition since 1990 *Recasting East Germany* Christopher Flockton, Eva Kolinsky, 1999 This is an investigation of the economic and social processes in East Germany highlighting the restructuring the social impacts and the stresses of adjustment experienced by key social groups

East German Distinctiveness in a Unified Germany Jonathan Grix, P Cooke, 2003-02-28 This book explores the nature of the dramatic growth in a distinct sense of East German identity in the years since the events that led to formal unification in 1990 While it is problematic to see East Germanness as a singular and homogenous identity it can be perceived as a distinctive phenomenon and a level of identification that exists alongside local regional and national identities The essays in this volume hope to challenge the commonly held misconception that East German regional identity is a problem that needs to be overcome in the process of unification Through analyses of the social political and cultural behaviour of East Germans and their perception of their own place in German society this volume makes a complex and nuanced contribution to discussions on German national identity and the unification process **Film and Memory in East Germany** Anke Pinkert, 2008 Rethinks the politics of public memory in East German film

State and Minorities in Communist East Germany Mike Dennis, Norman LaPorte, 2011-08-01 Based on interviews and the voluminous materials in the archives of the SED the Stasi and central and regional authorities this volume focuses on several contrasting minorities Jehovah's Witnesses Jews guest workers from Vietnam and Mozambique football fans punks and skinheads and their interaction with state and party bodies during Erich Honecker's rule over the communist system It explores how they were able to resist persecution and surveillance by instruments of the state thus illustrating the limits on the power of the East German dictatorship and shedding light on the notion of authority as social practice Special Issue on Recasting East Germany: Social Transformation After the GDR Christopher Flockton, Eva Kolinsky, 1998

Recasting West German Elites Michael R. Hayse, 2003-11-01 The rapid shift of German elite groups political loyalties away from Nazism and toward support of the fledgling democracy of the Federal Republic in spite of the continuity of personnel and professional structures has surprised many scholars of postwar Germany The key Hayse argues lies in the peculiar and paradoxical legacy of these groups evasive selective memory by which they cast themselves as victims of the Third Reich rather than its erstwhile supporters The avoidance of responsibility for the crimes and excesses of the Third Reich created a need to demonstrate democratic behavior in the post war public sphere Ultimately

this self imposed pressure while based on a falsified selective group memory of the recent past was more important in the long term than the Allies stringent social change policies

Generational Shifts in Contemporary German Culture

Laurel Cohen-Pfister, Susanne Vees-Gulani, 2010 The concept of the generation in today's German culture and literature and its role in German identity In the debates since 1945 on German history and culture the concept of generations has become ever more prominent Recent and ongoing shifts in how the various generations are seen and see themselves in relation to history and to each other have taken on key importance in contemporary German cultural studies The seismic events of twentieth century German history are no longer solely first generational lived experiences but are also historical moments seen through the eyes of successor generations The generation seen as a category of memory thus holds a key to major shifts in German identity The changing generational perspectives of German writers and filmmakers not only reflect but also influence these trends exposing both the expected differences between generational views and unexpected continuities Moreover as younger artists reframe recent history older generations like the 1968ers are also contributing to these shifts by reassessing their own experiences and cultural contributions This volume of new essays applies current discourse on generations in German culture to contemporary works dealing with major sociohistorical events since the Nazi period Contributors Svea Brünert Laurel Cohen Pfister Friederike Eigler Thomas C Fox Katharina Gerstenberger Erin McGlothlin Brad Prager Ilka Rasch Susanne Rinner Caroline Schaumann Maria Stehle Reinhild Steingraber Susanne Vees Gulani Laurel Cohen Pfister is Associate Professor of German at Gettysburg College and Susanne Vees Gulani is Assistant Professor of German and Comparative Literature at Case Western Reserve University

Born in the GDR Hester Vaizey, 2016 The real

life stories of eight East Germans caught up in the dramatic transition from Communism to Capitalism by the fall of the Berlin Wall and what they feel about life after the Wall

Continuity and Change in German Politics Stephen

Padgett, Thomas Poguntke, 2002 Over three decades Gordon Smith has written authoritatively and with style on almost every aspect of German politics In this volume leading UK and German scholars use themes from his work in an examination of the evolution of German policy in the face of socio economic change globalisation European integration and the domestic upheaval of unification

Property in the Margins A J van der Walt, 2009-05-29 Having its origins in the process of transformation and land reform that began to take shape in South Africa at the end of the last century this strikingly original analysis of property starts from deep inside the property regime and not from a distant or abstract perspective on property rules and practices Focusing on issues of stability and change in a transformative setting and on the role of tradition and legal culture in that context the book argues that a property regime including the system of property holdings and the rules and practices that entrench and protect them tends to insulate itself against change through the security and stability seeking tendency of tradition and legal culture including the deep assumptions about security and stability embedded in the rights paradigm rhetoric and logic that dominate current legal culture The rights paradigm tends to stabilise the current

distribution of property holdings by securing extant property holdings on the assumption that they are lawfully acquired socially important and politically and morally legitimate This function of the rights paradigm tends to resist or minimise change including change brought about by morally politically and legally legitimate and authorised reform or transformation efforts The author's goal is to gauge the lasting power of the rights paradigm by investigating its effects in the margins of property law and of society by establishing the actual efficacy and power of reformist or transformative anti eviction policies and legislation aimed at the protection of marginalised and weak land users and occupiers in areas such as landlord tenant law eviction of unlawful occupiers of land and other restrictions on the landowner's power to enforce a stronger right to exclusive possession Ultimately the book's aim is to explore the possibility of opening up theoretical space where justice inspired changes to or transformation of the extant property regime can be imagined and discussed more or less fruitfully from an unusual perspective a perspective from the margins which is valuable for any theoretical consideration or discussion of property

A World Recast Simon Serfaty, 2012-10-12 The end of the unipolar moment completes the passing of a Western era that was prolonged for half a century when the United States took over for a defeated and exhausted group of European states after World War II Distinguished scholar Simon Serfaty vigorously argues that while it is possible and even desirable to acknowledge the passing of the Western era it is exaggerated to present it as an irreversible decline of the West relative to an irresistible rise of the Rest Rather he shows that the unfolding post Western moment will be messy In addition to the United States and the states of Europe as a Union the new cast of significant powers will involve a dozen or more countries emerging powers like China and India postimperial powers such as Japan and Russia new influentials like Brazil and Turkey pivot states like Egypt and Pakistan nuisance states like Iran failed or failing states like North Korea and Sudan and others Echoes of a Sarajevo moment played out this time in the greater Middle East the new global Balkans for the twenty first century But Serfaty convincingly contends that even during a zero polar moment of geopolitical transition American power remains superior and thus indispensable though no longer decisive Western power stands on top and thus is inescapable though no longer exclusive and even as the Rest gains broadly in stature and reach it is unlikely to achieve preponderance any time soon This powerful and provocative book should be read by all who share a deep concern for the future of America and a recast world

The European Security Order Recast Barry Buzan, 1990 SCOTT copy 1 From the Joohn Holmes Library Collection

Wage Distribution Fairness in Post-Socialist Countries Zsófia Ignác, 2017-10-30 Fairness of wage distribution or the perception of such is a phenomenon crucial for the stability of new democracies While theories exist about how change of the political system trickles down to the attitudinal level the systematic analysis of the effect of economic transition on public attitudes has been neglected to a large extent Wage Distribution Fairness in Post Socialist Countries proposes a conceptual framework to measure the fairness of wage distribution Indeed looking particularly at wage distribution fairness in three post socialist societies Hungary East Germany Czech Republic since the transition in

1989 this challenging monograph also aims to understand if and to what extent the experience of a socialist regime motivates individuals to consider wage distribution as fair Contributing to our understanding of the relevance of socialization and other situational factors influencing economic legitimacy Wage Distribution Fairness in Post Socialist Countries will appeal to undergraduate and postgraduate students as well as postdoctoral researchers interested in fields including Sociology Eastern European Studies and Political Economics

Screening the East Nick Hodgkin,2011-05-01 Screening the East considers German filmmakers responses to unification In particular it traces the representation of the East German community in films made since 1989 and considers whether these narratives challenge or reinforce the notion of a separate East German identity The book identifies and analyses a large number of films from internationally successful box office hits to lesser known productions many of which are discussed here for the first time Providing an insight into the films historical and political context it considers related issues such as stereotyping racism regional particularism and the Germans confrontation with the past

Ideology, Political Transitions and the City Aleksandra Djurasovic,2016-06-10 Recent history has seen Bosnian and Herzegovinian BiH cities undergoing several transitions Their cities have developed under socialism 1945 1992 have suffered through the civil war during the 1990s and during the last twenty years have been undergoing a slow and multifaceted transition to an indeterminate end point Focusing on the post socialist postwar and neoliberal transitions experienced in BiH the book shows that planning systems deviated from control oriented and top down regulation to flexible approaches for more open for informal development The book analyzes several levels of planning related processes the former Yugoslavia BiH the city of Mostar and three urban zones the Industrial Zone Bi e Polje the City Zone Rondo and the Historic District and the Old Town Zone in order to offer insights into the new planning systems in the late phase of post socialist transition

German Democracy Gert-Joachim Glaessner,2005-08-01 When the former allies of World War II divided Germany into two provisional states no one would have predicted that this would last for nearly half a century Nor could anyone have predicted that sixty years later Germany would have shaken off its Nazi past so thoroughly as to emerge as a key player in Western politics Gert Joachim Glaessner explains this historic transformation and provides an in depth introduction to the German political system its foundations and developments since 1949 Themes covered include the development of the FDR and GDR during the Cold War the politics of Westernization the controversies of West Germany s role in NATO and European integration The author also examines parliamentary institutions the role of the German Chancellor party structure and organized interest groups The book includes reference material from key documents such as the German Constitution Demonstrating how Germany went from political pariah to a model of modern liberal democracy Glaessner offers a concise overview of the German political system in the post war period

Developments in German Politics 3 Stephen Padgett,Gordon Smith,William E. Paterson,1992 Once the miracle economy of the continent Germany now staggers under the massive cost burden of unification while it struggles to come to terms with global economic change

Failure to confront the underlying economic weakness has discredited political institutions and patterns of political behavior that were once regarded as the efficient secret of economic success The country stands at the crossroads between economic reform and a spiral of economic decline with unpredictable fallout Bringing together entirely new chapters by leading authorities in the field Developments in German Politics 3 examines the unfolding crisis of German political economy its repercussions for polity politics and policy and the consequences for Germany's role in Europe and the wider world Like its predecessors this book will be of interest to all concerned with European politics and will be necessary reading for students of German politics and society Contributors David P Conradt Russell J Dalton Kenneth Dyson Klaus H Goetz Simon Green Adrian Hyde Price Charlie Jeffery Stephen Padgett William E Paterson Wolfgang Rüdiger Martin Seeleib-Kaiser Gordon Smith Roland Sturm *The Political Geography of Inequality* Pablo Beramendi, 2012-03-26 This is a book about redistribution and inequality in political unions a form of democracy that involves several levels of government and that encompasses about one third of the population living under democracy around the world The analysis concerns how different unions solve the tension between the protection of autonomy for specific territories and the redistribution of wealth among them and among their citizens **Mothers of the Nation** Patrizia Albanese, Professor Department of Sociology Patrizia Albanese, 2006-01-01 Comparing nationalist and non nationalist polities in order to establish how these governments differ in their treatment of women and families Albanese concludes that the efforts of most ethno nationalist regimes to return women to their natural place in the home as housewives and mothers have been largely unsuccessful Policies to this effect have provoked considerable opposition by women's groups and individual women have often been reversed by subsequent governments and have had little long term demographic impact Mothers of the Nation makes an important contribution to the literature on feminism nationalism and social and economic policy within a comparative political context Jacket

Right here, we have countless book **Recasting East Germany** and collections to check out. We additionally find the money for variant types and with type of the books to browse. Recasting East Germany Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Recasting East Germany free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Recasting East Germany free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Recasting East Germany free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and

verify the authenticity of the source before downloading Recasting East Germany. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Recasting East Germany any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Recasting East Germany Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Recasting East Germany is one of the best book in our library for free trial. We provide copy of Recasting East Germany in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Recasting East Germany. Where to download Recasting East Germany online for free? Are you looking for Recasting East Germany PDF? This is definitely going to save you time and cash in something you should think about.
