**Living in God's Best** Andrew Wommack, 2018-05-15 Divine health and prosperity are better than divine healing and provision If you live in divine health and prosperity you wont need a miracle to get healed or to pay your bills If you cant see the difference between the two that may be one reason you only visit Gods best instead of truly living in it Most Christians live in a place where

**The Fourfold Gospel or a Harmony of the Four Gospels** J. W. McGarvey, Philip Y. Pendleton, 2020-06-30 **Discover the Keys to Staying Full of God** Andrew Wommack, 2008-03-27 Do you feel as if your Christian life is full of highs and lows Perhaps you attend a special church service that draws you close to God or even experience a healing In those moments your heart is filled with the presence of God but within a few days or weeks you once again feel empty or sick You are not alone Even though many believers

*Radical* David Platt, 2010-05-04 New York Times bestseller What is Jesus worth to you It s easy for American Christians to forget how Jesus said his followers would actually live what their new lifestyle would actually look like They would he said leave behind security money convenience even family for him They would abandon everything for the gospel They would take up their crosses daily But who do you know who lives like that Do you In *Radical* David Platt challenges you to consider with an open heart how we have manipulated the gospel to fit our cultural preferences He shows what Jesus actually said about being his disciple then invites you to believe and obey what you have heard And he tells the dramatic story of what is happening as a successful suburban church decides to get serious about the gospel according to Jesus Finally he urges you to join in *The Radical Experiment* a one year journey in authentic discipleship that will transform how you live in a world that desperately needs the Good News Jesus came to bring

**The Pleasures of God** John Piper, 2000-06-26 The author of *Desiring God* reveals the biblical evidence to help us see and savor what the pleasures of God show us about Him Includes a study guide for individual and small group use Isn t it true we really don t know someone until we understand what makes that person happy And so it is with God What does bring delight to the happiest Being in the universe John Piper writes that it s only when we know what makes God glad that we ll know the greatness of His glory Therefore we must comprehend the pleasures of God Unlike so much of what is written today this is not a book about us It is about the One we were made for God Himself In this theological masterpiece chosen by *World Magazine* as one of the 20th Century s top 100 books John Piper reveals the biblical evidence to help us see and savor what the pleasures of God show us about Him Then we will be able to

drink deeply and satisfyingly from the only well that offers living water What followers of Jesus need now more than anything else is to know and love behold and embrace the great glorious sovereign happy God of the Bible This is a unique and precious book that everybody should read more than once J I PACKER Regent College Vancouver British Columbia     **A Quiet Knowing** Ruth Bell Graham,Gigi Graham,Gigi Tchividjian,Thomas Nelson Publishers,2005-05 Ruth Bell Graham and her daughter Gigi Graham Tchividjian have created a devotional journal that will lead the reader to discover and experience the meaning of serenity Selecting favorite hymns such as Just As I Am and Be Thou My Vision the Graham women offer stories and insights inspired by the songs and thoughtful messages This devotional addresses such topics as Discouragement The Devil s Calling Card Making Decisions Searching for God s Will Business Responding to Expectations Belongings Weighing our wants and needs Weights Balancing Daily Burdens Waiting Proving God s Faithfulness Valleys Finding Peace in Down Times     **Pray-reading the Word** Witness Lee,1991     **The Language of Heaven** Sam Storms,2019 Few other issues have separated the church more than the issue of tongues Sam Storms focuses on this controversial subject with his signature insights to theology and the gifts of the spirit What does the gift giver say about the gift He gave Storms seeks to bring balance to this subject in The Language of Heaven as he wrestles with this s     You've Already Got It! Andrew Wommack,2006-11 Many Christians believe God can do anything but they don t understand the completion of His plan through Jesus death burial and resurrection It is in the discovery of what God has already done that our walk with Him becomes a joy and an adventure Jesus sacrifice on the cross was great He exchanged His perfect life and all the power of heaven for our sins our weaknesses Through Him our eternal destiny is set Yet in our day to day lives It seems that we still deal with so many challenges sickness financial struggles difficult relationships our own shortcomings Is it possible to walk in victory in this life Andrew Wommack reveals powerful truths in this practical view of the work of Jesus Christ truths that are life changing Readers will learn how Jesus death burial and resurrection not only paid for their eternal salvation but gave them everything they need for abundant life right here right now Andrew encourages readers to avoid being like the dog constantly chasing his tail not realizing he already has it As readers begin to understand the extent of the work on the cross their walk with God will be renewed and their life in Christ will become an adventure beyond anything they ever though possible Wommack approaches faith from a no nonsense and unique perspective in that he challenges the reader to evaluate their idea of faith in God Written along the same lines as Kenneth Hagin s How to Turn Your Faith Loose and Right and Wrong Thinking Wommack goes a step further by revealing the erroneous teachings that encourage believers to beg for God s help Instead he shows that Jesus already finished His work when He was resurrected and now it s the believer s responsibility and privilege to enforce that victory against the powers of darkness     No More Faking Fine Esther Fleece Allen,2017-01-10 Scripture reveals a God who meets us where we are not where we pretend to be No More Faking Fine is your invitation to get honest with God through the life giving language of lament If you ve ever been given empty clich s

during challenging times you know how painful it is to be misunderstood by well meaning people When life hurts we often feel pressure from others and ourselves to keep it together suck it up or pray it away But Scripture reveals a God who lovingly invites us to give honest voice to our emotions when life hits hard For most of her life Esther Fleece Allen believed she could bypass the painful emotions of her broken past by shutting them down altogether She was known as an achiever and an overcomer on the fast track to success But in silencing her pain she robbed herself of the opportunity to be healed Maybe you've done the same Esther's journey into healing began when she discovered that God has given us a real world way to deal with raw emotions and an alternative to the coping mechanisms that end up causing more pain It's called lament the gut level honest prayer that God never ignores never silences and never wastes No More Faking Fine is your permission to lament taking you on a journey down the unexpected pathway to true intimacy with God Drawing from careful biblical study and hard won insight Esther reveals how to use God's own language to come closer to him as he leads us through our pain to the light on the other side teaching you that We are robbing ourselves of a divine mystery and a divine intimacy when we pretend to have it all together God does not expect us to be perfect instead he meets us where we are There is hope beyond your heartache disappointment and grief Like Esther you'll soon find that when one person stops faking fine it gives everyone else permission to do the same

[A Place of Quiet Rest](#) Nancy DeMoss Wolgemuth, Nancy Leigh DeMoss, 2005 A CBA Bestseller Are you in need of encouragement to seek after God with your whole heart The God of the universe created us for fellowship with Him We realize this and even long for that sweet intimacy with God but it often seems so out of reach Nancy Leigh DeMoss demystifies the process of coming to know God intimately and shares from her heart and life how a daily devotional time can forever change your relationship with Jesus

**The Gospel According to Matthew**, 1999 The publication of the King James version of the Bible translated between 1603 and 1611 coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English language literature in history Now world class literary writers introduce the book of the King James Bible in a series of beautifully designed small format volumes The introducers passionate provocative and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance

*Decision Making and the Will of God* Garry Friesen, J. Robin Maxson, 2009-10-07 Does God Have a Perfect Will for Your Life Does God have a perfect will for each Christian Can you be absolutely certain of God's specific will for your life In this expanded twenty fifth anniversary edition of his highly acclaimed work Garry Friesen examines the prevalent view on God's will today and provides a sound biblical alternative to the traditional teaching of how God guides us This new edition includes these helpful resources

Study guide for small groups Responses to Frequently Asked Questions Guide to Painless Scripture Memorization Friesen tackles the very practical issues of choosing a mate picking a career and giving in this fresh and liberating approach to decision making and the will of God Story Behind the Book Most Christians have been taught how to find God's will yet many are still unsure whether they've found it God does guide His people but the question is How does He guide After putting out a fleece to decide which college to attend Garry Friesen began pondering why it was so hard to find God's will when he had so sincerely sought it Was he the only one who did not have 100 percent clarity for every decision Then a new possibility struck perhaps his understanding of the nature of God's will was biblically deficient Maybe there was a better way to understand HOW God guides *The Trustworthiness of God* Paul Helm, Carl R. Trueman, 2002 For two millennia the church has affirmed and celebrated Scripture as the written word of God However in the twentieth century the doctrine of Scripture became the focus and flashpoint for division One legacy of those debates has been a reluctance to address the nature of Scripture This collection of essays seeks to re-open dialogue on this fundamental tenet of the Christian faith by offering something of a prelude to a fresh approach to Scripture In particular these explorations seek to map out some implications of the fundamental link between the character of God as trustworthy and the trustworthiness of His word Following an introductory orientation the first two sections take soundings in selected texts from the Old and New Testaments The third section offers perspectives from church history and also grapples with aspects of the contemporary context and philosophical and epistemological issues Two responses to the main essays complete the collection None of the contributors wishes to articulate the discussion in terms of the categories of past controversies or pretends to offer an exhaustive analysis All however share the desire to engage their readers in constructive dialogue on this vital issue Spiritual Disciplines for the Christian Life Donald S. Whitney (Professor), 2014 Drawn from a rich heritage *Spiritual Disciplines for the Christian Life* will guide you through a carefully selected array of disciplines By illustrating why the disciplines are important showing how each one will help you grow in godliness and offering practical suggestions for cultivating them *Spiritual Disciplines for the Christian Life* will provide you with a refreshing opportunity to become more like Christ and grow in character and maturity Now updated and revised to equip a new generation of readers this anniversary edition features in-depth discussions on each of the key disciplines *Jesus Calling My First Bible Storybook* Sarah Young, 2016-06-07 Presents twenty Bible stories and scripture passages along with messages written in the voice of Jesus assuring readers of his presence and love Future Grace John Piper, 2009-10-21 In *Future Grace* author John Piper helps readers discover the key to overcoming sin and living a life that honors God Many men and women attempt to walk upright out of gratitude for what Christ did in the past but Piper encourages believers to look ahead to the grace God provides for us on a day-by-day moment-by-moment basis putting faith into action by laying hold of God's promises for the challenges we face Sever the Root of Sin No one sins out of duty We sin because we want to Sin promises happiness and we buy the lie So how can the root of sin be severed in our lives The penalty

of sin must be paid by the righteous blood of Christ And the power of sin must be broken by banking on the promises of Christ John Piper s meditations are rooted in rock solid biblical reflection Chapter by chapter one for each day of the month he reveals how by cherishing the promises of God you can break the power of anxiety despondency covetousness lust bitterness impatience pride misplaced shame and more From the Trade Paperback edition      **Teachings of Gordon B.
