Recent American History 1945 To The Present Volume II:

The Making of Modern America Gary Donaldson, 2012 The second edition of Dr Gary A Donaldson's highly successful textbook *The Making of Modern America* introduces students to the cultural social and political paths the United States has traveled from the end of WWII to the present day While deftly cataloguing the sweeping changes and major events in America from Dewey Defeats Truman through the election of our first black President this newly updated edition never loses touch with that American history taking place at the level of the people This edition details not just the United States rich cultural history but elegantly repositions it as integral to our understanding of any portion of this country's past Donaldson provides a factual foundation for students and then pushes them to interpret those facts framing the discussions essential to any complete study of American history *The Making of Modern America Second Edition* is updated to include An expanded chapter titled *America After the New Millennium* which more retrospectively and completely details the 21st century's first decade A new chapter titled *The Second Bush and Obama From the War on Terrorism to the Audacity of Hope* updating readers on the calamitous end to President George W Bush's second term the Obama administration's first term challenges and the Great Recession Newly revised readings each profiling an historical event speech or figure Lee Harvey Oswald to Bill Gates to Condoleezza Rice at the conclusion of each chapter

A Companion to Post-1945 America Jean-Christophe Agnew, Roy Rosenzweig, 2008-04-15 *A Companion to Post 1945 America* is an original collection of 34 essays by key scholars on the history and historiography of Post 1945 America Covers society and culture people and movements politics and foreign policy Surveys and evaluates the best scholarship on every important area and topic Includes book review section on essential readings

The New Cambridge History of American Foreign Relations: Volume 4, Challenges to American Primacy, 1945 to the Present Warren I. Cohen, 2013-05-13 Since their first publication the four volumes of the *Cambridge History of American Foreign Relations* have served as the definitive source for the topic from the colonial period to the Cold War The fourth volume of the updated edition explores the conditions in the international system at the end of World War II the American determination to provide leadership and the security dilemma each superpower posed for the other This revised and expanded edition incorporates recent scholarship and revelations carrying the narrative through the years following the end of the Cold War into the administration of Barack Obama The character of the American political system is explored including the separation of political powers and the role of interest groups that prompted American leaders to exaggerate dangers abroad to enhance their domestic power This new edition examines the conditions in the international system from the end of World War II to the present focusing on the American determination to provide world leadership

Postwar Tony Judt, 2006-09-05 Finalist for the Pulitzer Prize Winner of the Council on Foreign Relations Arthur Ross Book Award One of the *New York Times*'s 100 Best Books of the 21st Century Impressive Mr Judt writes with enormous authority *The Wall Street Journal* Magisterial It is without a doubt the most comprehensive authoritative and yes readable

postwar history The Boston Globe Almost a decade in the making this much anticipated grand history of postwar Europe from one of the world's most esteemed historians and intellectuals is a singular achievement Postwar is the first modern history that covers all of Europe both east and west drawing on research in six languages to sweep readers through thirty four nations and sixty years of political and cultural change all in one integrated enthralling narrative Both intellectually ambitious and compelling to read thrilling in its scope and delightful in its small details Postwar is a rare joy

The Cambridge History of America and the World: Volume 4, 1945 to the Present David C. Engerman, Max Paul Friedman, Melani McAlister, 2022-03-03 The fourth volume of The Cambridge History of America and the World examines the heights of American global power in the mid twentieth century and how challenges from at home and abroad altered the United States and its role in the world The second half of the twentieth century marked the pinnacle of American global power in economic political and cultural terms but even as it reached such heights the United States quickly faced new challenges to its power originating both domestically and internationally Highlighting cutting edge ideas from scholars from all over the world this volume anatomizes American power as well as the counters and alternatives to the American empire Topics include US economic and military power American culture overseas human rights and humanitarianism third world internationalism immigration communications technology and the Anthropocene

Major Problems in American History Since 1945 Robert Griffith, Paula Baker, 2007 This text introduces students to both primary sources and analytical essays on important topics in US history The book asks students to evaluate primary sources test the interpretations and draw their own conclusions

The Cambridge History of American Foreign Relations Walter LaFeber, 1993-09-24 The American Search for Opportunity 1865 1913 analyzes the period between the American Civil War and World War I 1865 1913 as the formative basis for twentieth century American world power The American Century as it has become known and examines the Imperial Presidency that these roots produced The extent of US power was so great that it not only transformed American society but reshaped other societies around the globe as well by helping fuel and in some cases directly causing the great revolutions of the late nineteenth and early twentieth centuries in Mexico Russia China Cuba Hawaii the Philippines Panama and Central America The book therefore not only examines American history but the history of many other areas that were dramatically affected by US power as they entered the twentieth century

The American Paradox Steven M. Gillon, 2006 This narrative text for courses in recent American history emphasizes political participation and popular culture Its main theme is the relationship of Americans to their government for example how Americans as a people remain skeptical of big government even as they expect it to facilitate large programs such as Social Security The Second Edition features a range of content enhancements including increased coverage of events from 1970 to the present In addition to the author's vivid accessible writing style the text maintains its focus on the tension between popular culture and social realities the dynamics of minority groups and their place in American society and the ambivalent feelings of many Americans concerning

the U S s role in the world during the postwar period New Coverage of the 1960s has been reorganized to include separate chapters on the Great Society and Vietnam These new chapters bring clarity to a chaotic decade New The author has included more coverage of women particularly their role in the rise of the New Left and in the development of Feminism and more information about U S involvement in the Middle East as a foundation for understanding the war on terrorism New Each chapter contains up to three primary sources New documents include excerpts from Betty Friedan s *The Feminine Mystique* Martin Luther King Jr s Montgomery bus boycott speech and excerpts from the 9 11 Commission s final report Unlike most postwar American history books that tend to emphasize the 50s and 60s *The American Paradox* includes extensive coverage of the 1960s to the present [Debating the American Conservative Movement](#) Donald T. Critchlow,Nancy MacLean,2009 *Debating the American Conservative Movement* chronicles one of the most dramatic stories of modern American political history The authors describe how a small band of conservatives in the immediate aftermath of World War II launched a revolution that shifted American politics to the right challenged the New Deal order transformed the Republican Party into a voice of conservatism and set the terms of debate in American politics as the country entered the new millennium Historians Donald T Critchlow and Nancy MacLean frame two opposing perspectives of how the history of conservatism in modern America can be understood but readers are encouraged to reach their own conclusions through reading engaging primary documents Book jacket *U.S. History* P. Scott Corbett,Volker Janssen,John M. Lund,Todd Pfannestiel,Sylvie Waskiewicz,Paul Vickery,2024-09-10 *U S History* is designed to meet the scope and sequence requirements of most introductory courses The text provides a balanced approach to U S history considering the people events and ideas that have shaped the United States from both the top down politics economics diplomacy and bottom up eyewitness accounts lived experience *U S History* covers key forces that form the American experience with particular attention to issues of race class and gender **The A to Z of the Roosevelt-Truman Era** Neil A. Wynn,2009-09-28 *The A to Z of the Roosevelt Truman Era* examines significant individuals organizations and events in American political economic social and cultural history between 1933 and 1953 This was a period of enormous significance in the United States due to the impact of the Great Depression World War II and the onset of the Cold War The presidencies of Franklin D Roosevelt and Harry S Truman witnessed the origins of the modern American welfare system and the rise of the United States as a world power as well as its involvement in the confrontation with communism that dominated the latter half of the 20th century [A History of Our Time](#) William Henry Chafe,William H. Chafe,Harvard Sitkoff,1987 The second edition of this widely used anthology includes contemporary articles on the Cold War and the politics of the 1950s and 1960s as well as new discussions of the counterculture conservatism under the Reagan administration and the emergence of a new breed of poverty **Historical Dictionary of the Roosevelt-Truman Era** Neil A. Wynn,2008-07-01 *The Historical Dictionary of the Roosevelt Truman Era* examines significant individuals organizations and events in American political economic social and cultural history between

1933 and 1953 This was a period of enormous significance in the United States due to the impact of the Great Depression World War II and the onset of the Cold War The presidencies of Franklin D Roosevelt and Harry S Truman witnessed the origins of the modern American welfare system and the rise of the United States as a world power as well as its involvement in the confrontation with communism that dominated the latter half of the 20th century **Histories of the Aftermath** Frank Biess, Robert G. Moeller, 2010-07-01 In 1945 Europeans confronted a legacy of mass destruction and death millions of families had lost their homes and livelihoods millions of men in uniform had lost their lives and millions more had been displaced by the war's destruction and the genocidal policies of the Nazi regime From a range of methodological historical perspectives military cultural and social to film and gender and sexuality studies this volume explores how Europeans came to terms with these multiple pasts With a focus on distinctive national experiences in both Eastern and Western Europe it illuminates how postwar stabilization coexisted with persistent insecurities injuries and trauma These United States Glenda Elizabeth Gilmore, Thomas J. Sugrue, 2015-12-22 President Franklin Roosevelt told Americans in a 1936 fireside chat I do not look upon these United States as a finished product We are still in the making These United States builds on this foundation to present a readable accessible history of the United States throughout the twentieth century an ongoing and inspiring story of great leaders and everyday citizens marching fighting voting and legislating to make the nation's promise of democracy a reality for all Americans In the college edition of These United States Gilmore and Sugrue seamlessly weave insightful analysis with all of the support tools needed by students and instructors alike including paired primary source documents review questions key terms maps and figures in a dynamic four color design America's Cold War Campbell Craig, Fredrik Logevall, 2009-10-30 The Cold War dominated world affairs during the half century following World War II It ended in victory for the United States yet it was a costly triumph claiming trillions of dollars in defense spending and the lives of nearly 100 000 U S soldiers Apocalyptic anti communism sharply limited the range of acceptable political debate while American actions overseas led to the death of millions of innocent civilians and destabilized dozens of nations that posed no threat to the United States In a brilliant new interpretation Campbell Craig and Fredrik Logevall reexamine the successes and failures of America's Cold War The United States dealt effectively with the threats of Soviet predominance in Europe and of nuclear war in the early years of the conflict But in engineering this policy American leaders successfully paved the way for domestic actors and institutions with a vested interest in the struggle's continuation Long after the U S S R had been effectively contained Washington continued to wage a virulent Cold War that entailed a massive arms buildup wars in Korea and Vietnam the support of repressive regimes and counterinsurgencies and a pronounced militarization of American political culture American foreign policy after 1945 was never simply a response to communist power or a crusade contrived solely by domestic interests It was always an amalgamation of both This provocative book lays bare the emergence of a political tradition in Washington that feeds on external dangers real or imagined a mindset that inflames U S foreign

policy to this day **Technology and the American Way of War Since 1945** Thomas G. Mahnken, 2010-06-24 No nation in recent history has placed greater emphasis on the role of technology in planning and waging war than the United States In World War II the wholesale mobilization of American science and technology culminated in the detonation of the atomic bomb Competition with the Soviet Union during the Cold War combined with the U S Navy's culture of distributed command and the rapid growth of information technology spawned the concept of network centric warfare And America's post Cold War conflicts in Iraq the former Yugoslavia and Afghanistan have highlighted America's edge From the atom bomb to the spy satellites of the Cold War the strategic limitations of the Vietnam War and the technological triumphs of the Gulf war Thomas G Mahnken follows the development and integration of new technologies into the military and emphasizes their influence on the organization mission and culture of the armed services In some cases advancements in technology have forced different branches of the military to develop competing or superior weaponry but more often than not the armed services have molded technology to suit their own purposes remaining resilient in the face of technological challenges Mahnken concludes with an examination of the reemergence of the traditional American way of war which uses massive force to engage the enemy Tying together six decades of debate concerning U S military affairs he discusses how the armed forces might exploit the unique opportunities of the information revolution in the future *African American Urban History since World War II* Kenneth L. Kusmer, Joe W. Trotter, 2009-08-01 Historians have devoted surprisingly little attention to African American urban history of the postwar period especially compared with earlier decades Correcting this imbalance *African American Urban History since World War II* features an exciting mix of seasoned scholars and fresh new voices whose combined efforts provide the first comprehensive assessment of this important subject The first of this volume's five groundbreaking sections focuses on black migration and Latino immigration examining tensions and alliances that emerged between African Americans and other groups Exploring the challenges of residential segregation and deindustrialization later sections tackle such topics as the real estate industry's discriminatory practices the movement of middle class blacks to the suburbs and the influence of black urban activists on national employment and social welfare policies Another group of contributors examines these themes through the lens of gender chronicling deindustrialization's disproportionate impact on women and women's leading roles in movements for social change Concluding with a set of essays on black culture and consumption this volume fully realizes its goal of linking local transformations with the national and global processes that affect urban class and race relations *A People's History of the United States* Howard Zinn, 2003-04-01 Presents the history of the United States from the point of view of those who were exploited in the name of American progress **The Cold War at Home** Philip Jenkins, 2014-06-30 One of the most significant industrial states in the country with a powerful radical tradition Pennsylvania was by the early 1950s the scene of some of the fiercest anti Communist activism in the United States Philip Jenkins examines the political and social impact of the Cold War across the state tracing the Red Scare's reverberations in party politics the labor

movement ethnic organizations schools and universities and religious organizations Among Jenkins's most provocative findings is the revelation that although their absolute numbers were not large Communists were very well positioned in crucial Pennsylvania regions and constituencies particularly in labor unions the educational system and major ethnic organizations Instead of focusing on Pennsylvania's right wing politicians the sort represented nationally by Senator Joseph McCarthy Jenkins emphasizes the anti Communist activities of liberal politicians labor leaders and ethnic community figures who were terrified of Communist encroachments on their respective power bases He also stresses the deep roots of the state's militant anti Communism which can be traced back at least into the 1930s

Embracing the Tune of Expression: An Psychological Symphony within **Recent American History 1945 To The Present Volume Ii**

In a global consumed by monitors and the ceaseless chatter of fast transmission, the melodic splendor and mental symphony produced by the published word often diminish into the background, eclipsed by the constant noise and distractions that permeate our lives. Nevertheless, set within the pages of **Recent American History 1945 To The Present Volume Ii** an enchanting literary treasure filled with natural emotions, lies an immersive symphony waiting to be embraced. Constructed by a masterful musician of language, this charming masterpiece conducts readers on a mental trip, skillfully unraveling the concealed melodies and profound affect resonating within each cautiously crafted phrase. Within the depths of the emotional review, we will discover the book is central harmonies, analyze its enthralling publishing fashion, and submit ourselves to the profound resonance that echoes in the depths of readers souls.

Recent American History 1945 To The Present Volume Ii Introduction

In the digital age, access to information has become easier than ever before. The ability to download Recent American History 1945 To The Present Volume Ii has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Recent American History 1945 To The Present Volume Ii has opened up a world of possibilities. Downloading Recent American History 1945 To The Present Volume Ii provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Recent American History 1945 To The Present Volume Ii has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Recent American History 1945 To The Present Volume Ii. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Recent American History 1945 To The Present Volume Ii. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that

prioritize the legal distribution of content. When downloading Recent American History 1945 To The Present Volume Ii, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Recent American History 1945 To The Present Volume Ii has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Recent American History 1945 To The Present Volume Ii Books

What is a Recent American History 1945 To The Present Volume Ii PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Recent American History 1945 To The Present Volume Ii PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Recent American History 1945 To The Present Volume Ii PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Recent American History 1945 To The Present Volume Ii PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Recent American History 1945 To The Present Volume Ii PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf,

ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
