attention and catalyze one's spiritual thinking but also beautiful prose to stir the soul of devotional prayer. More than a guidebook, it is rather a springboard to a deepening love relationship with God and with one's wife. I have used this book personally as well as for a devotional guide for the Marriage Enrichment class here at Southern Seminary. A book to savor, reflect on, and then offer prayers from a pure heart and clear conscience.

WILLIAM R. CUTLER, M.D., author of *Sexual Intimacy in Marriage*. Andrew Case has provided an ingenious and glorious tool for Christian husbands, one that has the potential of binding husbands and wives ever closer together while these prayers seek more intimate relationship between their wives and their God. By employing themes, principles, promises, and pleas from Scripture itself, Case has crafted hundreds of rich and meaningful prayers that any and every Christian husband can pray for his own wife. What power and insight one finds in these prayers, along with beauty and variety. Husbands here are led not only into specific prayers for their wives that focus on the central and most significant needs they have as women, but they are led also to cultivate better the habit of praying for their wives and through this, assisting the spiritual growth of those closest to them in all of life.

BRUCE A. WARE, Professor of Christian Theology, The Southern Baptist Theological Seminary. [I Am Jesus](#). Elmer Towns, 2018-09-18. *I Am Jesus*. How can I change the world? The message of salvation. Good News is powerful. Romans 1:16. It is powerful to transform your life. That's because I came to change your life. First, I change your inner world: your desires, attitudes, motives, and love. You will love the Lord, your God, with all your heart, soul, and mind. Then, [The Art of Contemplation](#). Mary Angelon Young, 2021-04-01. This book was written during the global pandemic of 2020, when the gravity of our situation called us, as individuals, to sanity and inner strength. Sheltering in place or in confinement, as some prefer, we entered into a fierce and strange new world. If we had not actively developed our contemplative side before this, the insistent, benevolent voice of that inner world, so famously avoided in today's society, now sounded a clarion call. *The Art of Contemplation* is intended to inspire your own reflections as I explore the timeless treasure house of contemplation, the reasons we actually need it, and how to work with the blocks that most of us encounter on the way. For contemplation is a journey within, with no beginning and no end, taken from anywhere and everywhere that we find ourselves in life. For the theists among us, our contemplations will organically lead to prayer, just as bud goes to flower and flower goes to seed, which drops to the ground to begin another round of creation. For the nontheists, the inner state of contemplative prayer might be called inner stillness, meditation on truth, or the practice of pure awareness, or even inner yoga, as yoga is anything that links us to the Divine. It does not matter what we call it. What does matter is that we, as human beings, evolve in a mutual love affair with the Universe from which we are created. What matters is praise. There is a time to beg for grace to intervene in the sufferings we endure as human beings. As we contemplate our own awareness within the mystery of life, we begin to expand our generosity as vessels of awareness of awakened consciousness for our own personal transformation and for the benefit of all beings. Then, our inner yoga takes flight. Resting in receptive inner space enables us to rejuvenate and restore, to tap intrinsic healing, intuitive, and creative energies at the

level of source water where the river of life flows pristine and we touch the ineffable The Taoists have a beautiful way of expressing it Lao Tzu said Muddy water let stand becomes clear Clarity is one of the many gifts of contemplation and as we build a capacity for the inner journey a sacred world is revealed in the mirror of the soul
