Western women and Arab men continue to enthrall readers of today's mass market romance novels. In this groundbreaking cultural history Hsu Ming Teo traces the literary lineage of these desert romances and historical bodice rippers from the twelfth to the twenty-first century and explores the gendered cultural and political purposes that they have served at various historical moments. Drawing on high literature, erotica, and popular romance fiction and films, Teo examines the changing meanings of Orientalist tropes such as crusades and conversion, abduction by Barbary pirates, sexual slavery, the fear of renegades, the Oriental despot, and his harem; the figure of the powerful Western concubine; and fantasies of escape from the harem. She analyzes the impact of imperialism, decolonization, sexual liberation, feminism, and American involvement in the Middle East on women's Orientalist fiction. Teo suggests that the rise of female-authored romance novels dramatically transformed the nature of Orientalism because it feminized the discourse, made white women central as producers, consumers, and imagined actors, and revised, reversed, or collapsed the binaries inherent in traditional analyses of Orientalism.

Prognosis: A Baby? Maybe Jacqueline Diamond, 2014-01-15 One Night Was All It Took for Dr. Jason Carmichael to believe that Heather Rourke had given birth to his baby. After all, there were the rumors that she'd taken off from work for two months for personal reasons, right around the time she would have gone into labor. And then there was that adorable infant he'd seen when he'd stopped by her apartment conveniently unannounced. But why would Heather keep him in the dark when all this once die-hard bachelor could think about was baby booties and toothless grins? He had no clear memory of the night of passion they had shared fifteen months earlier. Was this child his, or was Heather hiding a deeper secret?

Monarch of the Sands Sharon Kendrick, 2012-01-24 Francesca is shocked when family friend Zahid Al Hakam turns up on her doorstep. After all, he's now the Sheikh of Khayarzah. England's suburbia is hardly his regular stomping ground. But he is as achingly gorgeous as ever, and Francesca's certainly tempted by Zahid's invitation to come to the desert and work for him. Zahid finds the geeky, gauche teenager he once knew is now an understated beauty. Embarking on a secret affair is bittersweet, but however all-consuming their passion, Zahid's duty to his kingdom must surely come first. Publisher
