Democracy Inter-parliamentary Union,1998 Principles to realization Cherif Bassiouni Freedom in the World 2018 Freedom House,2019-01-31 Freedom in the World is the standard setting comparative assessment of global political rights and civil liberties The methodology of this survey is derived in large measure from the Universal Declaration of Human Rights and these standards are applied to all countries and territories **Traditional Leaders in a Democracy** Skosana, Dineo,Buthelezi, Mbongiseni,2019-03-31 Post 1994 South Africa s traditional leaders have fought for recognition and positioned themselves as major players in the South African political landscape Yet their role in a democracy is contested with leaders often accused of abusing power disregarding human rights expropriating resources and promoting tribalism Some argue that democracy and traditional leadership are irredeemably opposed and cannot co exist Meanwhile shifts in the political economy of the former bantustans the introduction of platinum mining in particular have attracted new interests and conflicts to these areas with chiefs often designated as custodians of community interests This edited volume explores how chieftancy is practised experienced and contested in contemporary South Africa It includes case studies of how those living under the authority of chiefs in a modern democracy negotiate or resist this authority in their respective areas Chapters in this book are organised around three major sites of contest leadership land and law Voting from Abroad Andrew Ellis ,Carlos Navarro ,Isabel Morales ,Maria Gratschew, Nadja Braun,2007-11-14 The constitutions of many countries guarantee the right to vote for all citizens However in reality voters who are outside their home country when elections take place are often disenfranchised because of a lack of procedures enabling them to exercise that right Voting from Abroad The International IDEA Handbook examines the theoretical and practical issues surrounding external voting It provides an overview of external voting provisions in 115 countries and territories around the world including a map illustrating the regional spread Waiting for Democracy Jesse Craig Ribot,2004 References pp 115 132 **The Botswana Defense Force in the Struggle for an African Environment** D. Henk,2007-12-25 The book describes how Botswana s leaders effectively employed the instruments of power at their disposal portraying a state that works It argues that Africans are contributing meaningfully to emerging global thinking on security and urges Africa s friends to take advantage of opportunities for productive partnerships over environmental issues **Democracy Compromised** Lungisile Ntsebeza,2005-06-01 This book argues that the promulgation of the Traditional Leadership and Governance Framework and Communal Land Rights Acts runs the risk of compromising South Africa s democracy The acts establish traditional councils with land administration powers These structures are dominated by unelected members Democracy in Africa Nic Cheeseman,2015-05-12 This book provides the first comprehensive overview of the history of democracy in Africa and explains why the continent s democratic experiments have so often failed as well as how they could succeed Nic Cheeseman grapples with some of the most important questions facing Africa and democracy today including whether international

actors should try and promote democracy abroad how to design political systems that manage ethnic diversity and why democratic governments often make bad policy decisions Beginning in the colonial period with the introduction of multi party elections and ending in 2013 with the collapse of democracy in Mali and South Sudan the book describes the rise of authoritarian states in the 1970s the attempts of trade unions and some religious groups to check the abuse of power in the 1980s the remarkable return of multiparty politics in the 1990s and finally the tragic tendency for elections to exacerbate corruption and violence

Realising Democracy and Legitimacy in Southern Africa Kenneth Good, 2004 This new volume focuses on changing social structure and forces such as new working classes civil societies and ruling and competing elites in the three liberal democracies of Botswana Namibia and South Africa It concentrates in particular on those institutions which favour or oppose the achievement of accountable open and ethical government The book seeks to interpret the important distinctions that exist between Botswana and its neighbours The author argues that even though the south is the most democratic region in Africa this does not obscure the severe limitations of the liberal model and the need to establish other and broader definitions of democracy Book Jacket

Understanding Ubuntu for Enhancing Intercultural Communications Mukuni, Joseph, Tlou, Josiah, 2021-05-28 Given the importance of cross cultural competence it is important that scholars from different parts of the world describe the conceptual frameworks underlying their cultures to provide people with knowledge helpful for understanding and navigating cultural barriers and promoting harmony and productivity in places of work The literature is replete with reference points for understanding Eurocentric worldviews Little has been written about non Eurocentric worldviews with respect to the subject of socio cultural harmony and interpersonal relations such as Ubuntu Africa s indigenous philosophy and its relevancy This philosophy teaches the importance of maintaining good human relations and sensitivity to the wellbeing of other people both as individuals and collectively In the teachings of this African conceptual framework the wellbeing of others is more important than that of self Another important distinguishing feature of Ubuntu is that it places great value on communalism as opposed to individualism The tenets of Ubuntu include human centeredness teamwork collaboration cooperation respect for diversity of opinion and joint consideration of problems These tenets can be applied for intercultural competence and communications Understanding Ubuntu for Enhancing Intercultural Communications sheds some light on Ubuntu Africa s unique philosophy and explores how the knowledge of Ubuntu can help minimize cross cultural communication barriers Within this context the chapters work to make readers aware of the existence of an African worldview specifically Ubuntu and its possible contribution to interpersonal communication This book also shares the lived experiences of being born and raised in sub Saharan Africa where Ubuntu is a way of life This book is essential for businesses seeking to expand internationally and managers overseeing diverse workforces as well as business executives government officials public relations officers academicians researchers and students including those studying African studies world religions international business international relations management

communication and more *Conflictual Democracy and the South African Constitution* Henk Botha, 2025-04-02 Human dignity equality and freedom are central to the South African Constitution This book examines these values through a conflictual democratic lens which views conflict power and disagreement as constitutive of democracy The book explores the capacity of value based constitutional interpretation to create openings for democratic dialogue and emancipatory social struggles Conversely it also assesses the ability of constitutional interpretation to normalise and depoliticise domination inequality and exclusion The book uses a conflictual frame to shed light on the interplay between the universality of dignity equality and freedom and the particularity of the discourses and conventions that mediate their interpretation and enforcement It argues that such a frame could enable realistic assessments of the ability of the constitutional order to safeguard spaces for emancipatory struggles and respond to radical demands for the reconstitution of society Drawing on the text of the Constitution case law academic commentary and constitutional political and critical legal theory this book will be an important read for researchers of constitutional law and critical legal theory both within South Africa and beyond Henk Botha is a Professor in the Faculty of Law Stellenbosch University South Africa Immediate and Progressive Realisation in International Human Rights Law Tobias Wirthle, 2025-02-20 This book makes a new and original contribution to the old debate about differences between socio economic and civil and political rights which has engaged human rights discourse over several decades Although scholars and practitioners now agree that these categories are more alike than originally assumed they continue to delineate them based on the alleged difference between immediate and progressive realisation The book asks whether this differentiation is still valid by exploring the historical and theoretical background the text of relevant UN human rights treaties and the practice of the UN human rights committees By so doing it shows that the standards of realisation converge more than diverge and that this last remaining distinction should be abandoned Human rights lawyers advocates practitioners and policy makers will find this book invaluable as it brings much needed clarification to this key question **Regime Change and Succession Politics in Africa** Maurice Nyamanga Amutabi, Shadrack Wanjala Nasong'o, 2013 Bringing together scholars from a wide array of disciplines including anthropology economics history sociology and political science this volume addresses the problems of the regime change and state failure in Africa in the context of the global economy but from a specifically African perspective arguing that the underdevelopment of the African economy is linked to the underdevelopment of the continents nation states Living in Democracy Rolf Gollob, Peter Krapf, 2008-01-01 A teachers manual that contains a collection of exercises and models for Education for Democratic Citizenship and Human Rights Education in schools as well as in non formal settings of education It also provides the framework to encourage students to become active by offering examples and inroads to understanding general principles of democracy **Growing up Indigenous: Developing Effective Pedagogy for Education and Development** R.M. Nichol, 2011-07-23 This is a fascinating account of traditional socialisation and Indigenous forms of learning in Australia and

Melanesia It draws from rich ethnographic historical and educational material There has never been a greater need for a socially and historically informed yet critical account of the mismatch between traditional ways realities of life in Indigenous communities villages and enclaves and the forms of education provided in schools Raymond Nichol a specialist in Indigenous education and pedagogy surveys the links too often disparities between ethnographic detail of life on the ground and the schooling provided by nation states in this vast region Most importantly he explores and suggests ways community developers and educators Indigenous and non Indigenous may work to bridge the gaps in social rights educational and economic development This is relevant for all Indigenous communities their survival and development Many vexed issues are discussed such as race ethnicity identity discrimination self determination development and relevant effective pedagogical learning and schooling strategies

Patronage as Politics in South Asia Anastasia Piliavsky, 2014-10-16 Western policymakers political activists and academics alike see patronage as the chief enemy of open democratic societies Patronage for them is a corrupting force a hallmark of failed and failing states and the obverse of everything that good modern governance ought to be South Asia poses a frontal challenge for this consensus Here the world s most populous pluralist and animated democracy is also a hotbed of corruption with persistently startling levels of inequality Patronage as Politics in South Asia confronts this paradox with calm erudition sixteen essays by anthropologists historians and political scientists show from a wide range of cultural and historical angles that in South Asia patronage is no feudal residue or retrograde political pressure but a political form vital in its own right This volume suggests that patronage is no foe to South Asia s burgeoning democratic cultures but may in fact be their main driving force

The Future of Economic and Social Rights Katharine G. Young, 2019-04-11 Captures significant transformations in the theory and practice of economic and social rights in constitutional and human rights law

The D-Word: Perspectives on Democracy in Tumultuous Times Christi van der Westhuizen, Siphiwe Dube, Zwelethu Jolobe, 2024-03-12 This curated collection engages international debates about the current challenges facing democracy Given the proliferation of crisis literature on democracy this volume finds its distinctive niche in presenting perspectives from the global margins that bridge disciplinary sectoral national and conceptual divides South Africans enter into conversation with scholars and activists from elsewhere in the Global South including the Arab world and the rest of Africa and from the European periphery Insights on democracy are offered from a diversity of perspectives and voices spanning philosophy socio legal and political studies sociology public administration and queer and gender studies and activism The book will be of interest to academics activists policymakers development planners and the general public The D Word is a timely contribution addressing burning questions are current contestations about the relevance of democracy due to systemic flaws in how it is constituted received practised and even imagined and can the democratic project be salvaged The book s unique approach brings a variety of lenses to bear on the prospects for democracy The critical reflections it contains make for an enriching broad canvas of ideas Professor Sandy Africa University of Pretoria

Realizing Democracy in Botswana, Namibia and South Africa Kenneth Good, 1997 Analyses political development in three democracies in Africa and relates it to economic growth and economic liberalism *Rise of Democracy* Christopher Hobson, 2015-10-07 Explores democracy's remarkable rise from obscurity to centre stage in contemporary international relations from the rogue democratic state of 18th Century France to Western pressures for countries throughout the world to democratise
